Seated: Richard Pachuk-Superintendent.

Standing L to R: Mark Bello-Treasurer, Nancy Holodnak-Secretary to Superintendent, Holly Marchio-Payroll Clerk, Karl Brest-Bus Coordinator.

The Administrative staff would like to extend our congratulations to the class of '93 as they graduate from Badger High School to face the challenges of modern society.

As each of you go forth to make your mark in the world, remember that your future, now more than ever, lies squarely in your hands. The administrative staff hopes that you took full advantage of those opportunities provided by the Joseph Badger Local School system, and that you're better prepared because of your educational experiences. The tradition and heritage of Badger High School are chronicled in the '93 "Shadows". This yearbook will forever represent a link to the "Good Old Days", when life was much less complicated. As you go forth to write the legacy of the class of '93, you will carry the experiences acquired from the activities recorded on these pages.

**(Sitting) Joseph P. Logan, President; Dr. Warren Young; Mark Bello. (Standing) John Stanhope, Vice President; T. Scott Hollenbaugh; Timothy K. Woofter; Richard Pachuk, Superintendent.**

In my seven years on the School Board, I've seen the "Highs" of good programs and adequate funding and the "Lows" of severe academic and extra-curricular cuts. The one thing that remains constant, however, is the student body; smart, dedicated, willing and eager to learn. We must not forget these students.

The community goal must be to provide Badger students with adequate funding both locally and from the state.

I am committed to the Badger system -I've lived it ("68")- I love it!

"Good Luck Seniors"!!

My Friends,

Serving as your President for the past four years has been a true honor. My fellow class officers and I have worked hard to make your senior year "unforgettable." These years have been an important milestone in our lives.

They have been an important foundation for building friendships, growing and learning together. In the future, although we may choose different paths and slowly drift apart, let us never forget the memories engraved in our hearts as we look back and remember the years we've shared at B.H.S.

Derek Mihalcin

The past is our heritage, the present is our responsibility, the future is our challenge.

Buckeye Girls' and Boys' State is a week on a college campus where participants run for a government office. During the week, everyone helps to run a state consisting of cities and counties. This is a great experience that the delegates will remember forever.

# Frederic de Behr

Hi! It's me! Frederic de Behr, from Belgium (between France, England, the Netherlands, Germany and Luxembourg). With you, I spent a great year discovering your wonderful country, so, I want to thank you a lot, and encourage you to become an exchange student like me, discover how strange people in other countries may live, and how fast you can get used to it.

I will never forget all I saw, heard and lived with you, especially the cafeteria food, the old English literature, the government tests, the school bus at 6 a.m. . .

The differences between America and Belgium? Here you have:

- No Coke machine in the cafeteria.
- Lunch in the school.
- Desks assigned and aligned.
- Cheaper CD's.
- Straighter roads.

The common points?

- Students don't care about school.
- Friends make school fun.
- Friends are everywhere.
- Cars have four wheels!!

# Mauricio Gutierrez

I will always remember this year as the most tough in my life but also the most exciting.

When I first got here, I thought I was going to regret it. I was very nervous and afraid, but after I started knowing the people in the area, I realized how lucky I had been to come to such a nice place with such friendly people. So soon, my only fear was the cold.

It was never easy at the beginning, but my family supported me all the time and made my integration much easier. So I would like to thank them very specially.

The school experience was totally amazing, although I still like Spanish schools better. The teachers, the principal and the students were very nice and patient with me and made me feel very comfortable.

To sum up, I'd like to thank everybody, my family, friends, my family in Spain, who believe in me, and all the people in AFS who helped me; and I'd like to make a special mention of the members of the soccer team, who were my first friends here and with whom I had a great experience. To everybody, take good care and don't watch TV in the dark.

## Alexandre Remy

I'm very glad to write these few words, because it's the best way for me to tell you how much I'm happy to be here, and how much your help was important during all this year.

I learned a lot about American people; and, I will keep Badger High School, its students and its teachers in mind.

I will never forget the great parties where you invited me, and the several people who drove me every morning, "malgre" rain, snow, and storms.

Thanks, I would never have been able to lose my sadness and homesickness, if you and the Dr. Schuster family were not so nice to me.

It's certainly the most exciting year I've ever spent. And I wish I will be able to come back, and see you again....

P.S. Lunchtime is still my favorite period!

# National Honor Society

The National Honor Society of Secondary Schools is an organization in which membership is based on scholarship, leadership, service, and character. On April 30, 1992, ten new members were inducted into the Robert K. Mellinger Memorial Chapter of the National Honor Society. Mr. Stan Woofter was inducted as an honorary member. Each year, the Badger NHS participates in a variety of fundraising and community service projects and is in charge of Coronation. This year the club organized Badger's first homecoming soccer game at the suggestion of Brian Jones. The 1992-93 NHS would like to thank everyone who helped to make Coronation '92 a success.

# LEARNING TO EARN

## JOINT VOCATIONAL SCHOOL

### JUNIORS

The Trumbull County JVS is located on a 100-acre site on Educational Highway in Warren, next to the Trumbull Campus of Kent State University. It offers 27 vocational programs to students in the 11th and 12th grades of its 14 home school districts. Transportation to and from the JVS is provided by the home schools. VoPros spend the entire day at the JVS. Approximately half of the day is spent in hands-on learning in one of the well-equipped labs. The other half of the day involves general academic studies and classes which relate specifically to your vocational program. All vocational programs are open to both male and female students, so enroll in the one you want!

## If you're planning on going to college . . . plan on taking the ACT!

Planning for college takes a lot of hard work for a junior. The first step usually begins with taking the ACT test.

Registering for the ACT must be done a month ahead of time by filling out the ACT student registration packet. The registration packet contains a 90 question interest survey, questions of grade information, a 190 question student profile section, and some general questions on the student.

The actual ACT test consists of 75 English

questions, 60 math, 40 reading, and 40 questions on science reasoning. The test usually lasts three and a half to four hours on a Saturday morning.

Scoring on the ACT is from 0 to 36-a perfect score. Scholarships can sometimes depend on how high or low the score is. The test can be retaken as many times as needed to improve as much as possible.

The ACT test is a tough test to take, but the college-bound students must do it. There is only one way to get out of it-the SAT test.

# Hugh O'Brian Youth Leadership Seminar

"I do NOT believe we are all born equal . . . But I DO believe every man and woman, if given the opportunity and encouragement to recognize his or her potential, has the freedom to choose in our world." Those are the words of Hugh O'Brian and is exactly what the Hugh O'Brian Youth Leadership Seminar (HOBY) is for. It is not an academic arena but is an open forum where ideas are expressed on every subject ranging from laws and the judicial system to landfills and the trash dilemma. Each topic having the best leaders in their respected fields speaking but leaving more time for debate from the students. The best part of HOBY, however, was the people, both students and leaders. I made long lasting friends that I will never forget. I was honored to represent Badger and thankful for the wonderful opportunity to become a future leader of our world.

## ECOLOGY TEAM

The Badger Ecology Team displays their vast array of knowledge every spring in various meets. They go to both Eco Meets, which include Ohio and Pennsylvania, and Envirothon meets, which ultimately become national. Second place was earned at the 1992 Regional Shenango Dam Eco Meet, allowing the team to advance to the Ohio-Pennsylvania meet in Pittsburgh, where they finished third. In the Envirothon, they reached the national level while representing Ohio.

The team members are knowledgeable in areas such as wildlife, aquatic ecology, wild flowers, forestry, environmental issues, soils, and wetlands.

Concerning these areas, the team is expected to answer in both comprehensive and identification questions. The team is also scored on team skills in skits and presentations.

The team proudly displays their winnings from the Area II Envirothon.

## Ecology Team Captures State

"After years of studying; numerous meets held in the freezing cold, rain, and mud; water fights; and trips to Ponderosa; we did it." Our team won the State Envirothon.

Our winning streak started in March with the Tri-County meet in Mahoning County. Next, we defeated sixty-four teams from Northeast Ohio at the Area II meet in Stow. As the N.E. champions, we were entitled to compete in the state meet, along with nine other state finalists, in Cincinnati. At this time, we represented the best of 265 Ohio teams in the knowledge of wildlife, aquatics, forestry, soils, and environmental issues.

As the state champions, we advanced to the Nationals held in Maryland for a week of competition. The highlight of our endeavors was earning second in the nation in both forestry and wildlife. The team placed fifth out of the fourteen represented states in the comprehensive areas and eighth in the presentation.

We didn't escape these rigorous tasks without being evil. I think we had the most fun of any team I've ever come across. This includes our laughs, both at others and ourselves; water usage in balloons, bottles, and squirt guns; Mrs. Difford's son, Scott; Chinese fire drills; eating out; parents; throwing Jen into a swamp in front of all the teams at Nationals; and shaving cream techniques.

It's hard to believe we made it through this year, with all of our fights and conflicts, but I'm glad we did and look forward to another year of fun and surprises. Our team is especially lucky to have such a caring community, dedicated parents, and most especially Mrs. Difford, our coach. We also appreciate Abbey Miller, our dedicated alternate, who contributed greatly in this year's fun. Thanks to everyone who helped, and continues to help our team.

# Governor's Institute

During two weeks in July of 1992, five students from Badger attended the Youngstown State University Governor's Institute. These five students were Chris Davis, Tom Goodhart, Travis Hoffman, Ryan Kalas, and Jessica Mistak.

The Institute is a program for freshmen and sophomores living in Northeastern Ohio. If accepted, the students go, free-of-charge, to the Y.S.U. campus where they participate in a variety of fun and interesting classes. The courses include: Chemistry, Physics, Creative Writing, Performing Arts, Archaeology, and Journalism.

Along with learning many new things, you meet people who live all over Northeast Ohio. The Governor's Institute is an enjoyable experience that shouldn't be passed up by anyone with the opportunity to attend it.

The 92-93 girls basketball team has shown great ability and maturity this season. We played as a team and if anything teamwork is the most important key to winning a game. You win games as a team and you lose games as a team. Our team had great pride in themselves and never gave up no matter what obstacles we faced. This season had its ups and downs, but everyone improved their game and learned what it takes to be a successful team. We have learned so much from each other and how much effort you put in each game. Playing basketball takes heart and we showed that quality in many games this season. We wish the best of luck to future basketball teams of Badger High School!

# *“Cheers” to the Varsity Squad of '93!*

Badger High School's 1992-1993 varsity cheerleaders competed at the universal cheerleaders association camp held at Bowling Green State University in July of '92. There was a total of 150 girls at the camp, broken down into twenty-five squads that competed. The squad won numerous awards, including the top award's trophy for pyramid building, and brought home eleven gold and blue ribbons for spirit, cheering, dance routines, enthusiasm, timing, and sideline chants. Jessica Sowers, captain, was selected a U.C.A. All Star and had the option to represent the United States in a New Year's parade in London, England. Congratulations, Jess!

# S KI CLUB

First of all I want to say how much I love skiing! It definitely rates up there with bunjee jumping! Everyone should try it! I'm still laughing at the ones who spent more time falling down the hill (Tom, Jess, Mauri, and Mike!!) I also want to say that I'll never forget all of the good times we had or the close friends I've made. Thanks for making my Senior year such a good one everyone! SKI ON!!

-Kellie Zimmet

After only a few lessons, this is how the entire Badger Ski Club looks-except for the ones rolling down the hill!

# PLAYING IN THE...

# S N O W

Somehow the Badger Ski Club finished its season with honors. It came down to the end of the five trips. Those of the thirty-one who attended who had not yet received their black (expert) level sticker were anxiously anticipating the end of the lesson. Thoughts of "Do you think we'll get it?", "I don't know, I messed up on that wedge.", or in my case, "I know I'm not going to get it because I couldn't even stop where the instructor told us to!" created feelings of dread and anticipation. Then John, our instructor, reached inside his jacket. And what did he pull out? A black sticker for everyone!

After our first skiing trip, Tom Goodhart was very irate. All the way on the bus he was heard grumbling things about how much money he paid to sit in the snow when he could've stayed home and sat in the snow. Nevertheless, if you ask him now, he'll be the first to admit what a super and exciting sport skiing is and what a good choice he made in joining ski club.

I wish for lots of snow for our endeavors in 93/94!

# HOMECOMING 92

The Homecoming court excitedly awaits the announcement of the new queen.

The girls try to keep warm while watching the game.

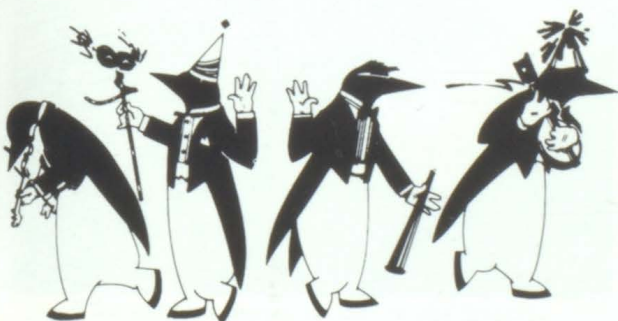

On October 17, 1992, events were held at a soccer game to honor the Homecoming court and the senior soccer athletes. The game ended in Badger's favor. That evening, Badger's students attended the Coronation dance put on by the National Honor Society. The theme of the night was the popular "Sea of Love."

Running for queen were the senior attendants: Jennifer Ash escorted by Dathon Helsel, Carrie Thompson escorted by Mark Myers, and Kellie Zimmet escorted by Bill Wear. The junior attendants were Christine Davis escorted by Adam Andrella and Shannon Kumher escorted by Mike Swick. The sophomore attendants were Tawnya Houser escorted by Verne Kumher and Heidi Mokri escorted by Mark Kasula. The freshman attendant was Kim Strange escorted by Keith Stanney. Also taking part in the ceremony were the Miniature Attendants, Tiffany Bradford and Tyler McNeily, and the 1991 Queen, Jennifer Crawford escorted by Derek Mihalcin. The night ended with Kellie Zimmet being crowned the 1992 Homecoming Queen.

# Drama Club

This year the Drama Club has put on the following two plays: one in the fall, "Here Comes the Brides," and in the spring, "Meet Me in St. Louis." Both were time consuming, but worth all the hard work that was put into them. This fall at Youngstown State University, the officers attended workshops in order to learn about staging and penciling. Later, Amy Eyring from Pymatuning Valley came to show the Drama Club how to use and put on makeup.

If you ever have the time and would like to be in a club, please join the Drama Club. It was a great experience with lots of fun and excitement!

This year has started out to be a very productive one, in terms of recycling; but, we could always use more people recycling! We have changed our collection location to Vernon Recycling, where Denny Ondo helps us out tremendously. Later on in the year, we will again participate in the Glad Bag-a-Thon and possibly plant trees. As President of the 1992-1993 ISSUE/ Ecology Club, I am always looking for ways to better our environment. Thank you to everyone who has participated with our work. # Yearbook Staff

The Badger yearbook may not look very thick, but composing a yearbook, no matter how many pages it has, is no simple task. There are layouts to be drawn, pictures to be cropped, captions to be typed, deadlines to be met and an endless amount of decisions to be made; however, the hard work and hectic monthly deadlines soon pay off when the publisher sends back authentic yearbook pages and the yearbook begins to take shape. We'd like to thank everyone who participated in making this the best Badger yearbook ever!

Scott Edgar and Krista Kurpe.

King and Queen enjoying their royal dance.

Bill Kistler and Kerry Hamett.

As the anticipation of graduation neared, the Junior and Senior classes had one last weekend of relaxation and fun at the 1992 Prom. Whether it was dancing or eating, everyone enjoyed the evening of Friday, April 24.

DiViestie's Banquet Hall was the location of the Prom. The weather outside may have been dreary, but inside was full of excitement. Since our Prom was the first in the area, we kicked off the season with the "Operation Prom." "Operation Prom" was a program to ensure the safe arrival of everyone to the prom and home. Recognition from the Tribune Chronicle and area television stations also added to the excitement.

The court consisted of Shawn Hipkins and Nikki Breast, Eric Pease and Becky Siekkinen, Brad Powell and Anna Cassel, Scott Edgar and Krista Kurpe, and Bill Kistler and Kerry Harnett. It was a nail biting moment; but, it ended up that Darcy Difford, 1991 Queen, crowned Krista Kurpe. Bill Kistler had the honor of being crowned King. The royal couple danced to "Straight from the Heart," the 1992 Prom theme.

Some of our faculty also joined in on the festivities.

Enjoying each others company after dinner.

Bill Kistler was one King who was proud and happy to bear his crown.
