School Song

Fight the team across the floor, show them that Vernon's here.
Send the earth a vibrating with the mighty cheer, rah, rah, rah.
Hit them hard and see how they fall, never let that team get the ball.
Hail, Hail, the gang's all here, so, fight, fight, for Vernon Hi-gh.

Senior Class History

It started back in September 1940 when most of us Seniors started to school. There were only four of us who started here in Vernon. They were Joan Hassell, Mary Moore, Jim Lucik, and Bob Myers. Miss Paden was the teacher. Five more were added during the second grade. They were Carabelle and Isabelle Scott, Norman Powell, Edwin Fair, and George Ketola. Miss McMinn was our teacher. We liked those afternoon naps. Norman Hightree came to Vernon in the third grade. Miss Warman was our teacher. She changed her name to Mrs. Titus during our fourth year. Ralph Rice came in the fourth grade. Joann Morris, one of Vernon's cheerleaders, came in the fifth grade. Mrs. Lillie was our teacher in the fifth and sixth grades. Now comes the time when we think we are pretty big - upstairs with the big kids. We couldn't get used to changing rooms for every class. Mr. Mallett was our home room teacher in the seventh grade. We thought all the teachers were picking on us. They didn't like it when we wanted to take a afternoon nap. We added Jim Weister to our group and also a new teacher as home room teacher. He was Mr. Schettino. Mr. Wasik had us in our Freshman and Sophomore years. Dick Kistler came in his Sophomore year. Pat Todd and Rod Rufener were added in our Junior year. Mrs. Wilt was our teacher. Mr. Mallett had the honor, may we say, of having us for our last year.

So this ends the history of our Senior Class of 1952. Now each one of us will go out and start a history of his own.

Senior Class Prophecy

Last week as I was coming home from work I met Bobby Myers standing on the street corner smoking a big cigar. He is president of the Second National Bank. We were standing there talking about old times when who pulls up beside the curb but Roger Rufener, driving the "Old Chevy" that he had back in 1950. He is still trying to sell "1952 yearbooks" for Mr. Delpero. As we were standing there talking, Mary Moore was brought into the conversation. She is now living in Michigan after making her first million by writing a novel about her memoirs. Since it was getting late, we parted. On my way home I stopped into the drug store and saw Pat Todd buying a ten cent love novel so that she could further explain herself to Gene. She told me that Norman Hightree is in the U. S. Navy. He is now AWOL and is taking inventory of all his old girl friends. Coming out of the drug store, I saw Norman Powell flying around the corner on two wheels. He has taken Hopalong Cassidy's place on film and is called Whip-a-long Powell. Because he was tired of being mistaken about which twin was his wife, he sent Isabelle to New York where she got a complete overhaul including a facial. In the meantime Carabelle is still battling with the top models of Hollywood as to which twin has the Toni.

As I was coming down the street with my arms laden with packages I saw Edwin Fair. I tried to avoid him because since he has taken Mr. Mallett's place as math teacher at Vernon, he has become very talkative. It was interesting though, because he told me about some of our old classmates at Vernon. I learned that Dick Kistler now has his own "lovelorn column" in the Warren Tribune, which he calls "Advice to the More Fortunate".

George Ketola who liked drafting in shop, was drafted by the Army. Joan Hassell won the prize as the best cook in Vernon. Jim Weister has at last become the most famous typist in the United States--ten words a minute. Ralph Rice has a big plantation on which he raises his own tobacco. Jim Lucik has signed a four-year contract with the Hell Drivers.

As I turned to go into our driveway the dog started barking and suddenly I realized that I was already home and had been daydreaming.

Joann Morris

Class Song

Tune (Long Long Ago)

As we go forth from the school we admire,
The records we've made, toward the goals
that inspire.

As time goes on may we never regret,
Friends that we've made, teachers we've
met,

May we, our talents use for the good,
Use to help others as always we should.
Practice, develop, in all ways we can,
Keep on growing, in service to man.

As we remember the white and the blue,
Let us look back on our days in review.
If we would win, we must be strong and
true,

Goodbye dear class---"Fifty-two,"

Carabelle and Isabelle Scott

Class Poem

We have come, at last, to the turning point,
Where we must leave our school and friends behind;
And go forth, into the world beyond,
As graduates of Vernon, our own pathways to wind.

Our school days have been wonderful,
And all of us have deep regret
To part with teachers, and our friends;
All the toils and tasks we've met.

Some of us will go on further
To better ourselves, and strive for more;
But our school days will help us
To obtain a higher score.

So goodbye, dear Vernon;
We're proud to bear your name;
We hope that someday, our Class of '52
Will be considered, in your hall of fame.

Last Will and Testament of The Class of '52

We, the Class of Nineteen Hundred, fifty-two, of Vernon High School, of the Community of Vernon, Trumbull County, State of Ohio, feeling the encroachment of senility and fearing the immediate banishment from these spacious halls of learning upon reaching such a state, do wish, while we are still in possession of our wit and wisdom to make and publish this, our Last Will and Testament, realizing that never has a class been more able and capable of so performing this act.

I. We, the Senior Class, humbly petition our executors, the Board of Education of the Vernon School District, to see that we are interred with all its pomp and ceremony we so rightly deserve, insomuch as the spectacular contributions we have given during our years demand such a consideration.

II. To the faculty, from whom we have endured so much, we bequeath our inexhaustible patience, our ability to bear up under ponderous assignments, vermillion letters, and reproachable glances.

III. To our subservient admirers, the underclassmen, we bequeath our clear perception, athletic dexterity, and executive ability in which at the present time they are deficient due to their inability to cope with more mature situations.

IV. To the Class of "53" we especially bequeath our chairs in the gym and seats in the study hall (Room 7 and 8).

V. We, as individuals, bequeath the following to our less fortunate schoolmates:

1. Edwin Fair bequeaths his quiet ways to Leroy Hightree.
2. Joan Hassell wills her ability to be a good homemaker to Betty Wells.
3. Norman Hightree bequeaths his mischievous ways to Don Letcher.
4. George Ketola wills his ability to be quiet in study hall to Kenneth Stafford.
5. Richard Kistler bequeaths his neatness to Ted Hunter.
6. Jim Lucik wills his motorcycle to his brother Steve.
7. Mary Moore bequeaths her strange adventures to Beverly Gruver.
8. Joann Morris wills her daintiness to Bertha King.
9. Robert Myers bequeaths his ability to be a good leader to the next Senior president.
10. Norman Powell wills his broken car spring to Mr. Mallet.
11. Ralph Rice bequeaths his loving ways to Dan Varnelli.
12. Rodger Rufener wills his romantic ways to Ronald Dilley.
13. Carabelle Scott wills her way with boys to Barbara Dodge.
14. Isabelle Scott wills her extra pounds to Virginia Tomlinson.
15. Pat Todd bequeaths her ability to go steady to anyone needing it.
16. Jim Wiester wills his Eddie Arnold voice to Robert Ashe.

Finally, we in good faith, designate the Board of Education as the Executors of this, our Last Will and Testament.

IN WITNESS THEREOF, we, the Class of Nineteen Hundred Fifty-two have to this, our Last Will and Testament subscribed our names and affixed our seals, this 22nd day of May 1952.

THE CLASS OF 1952 V. H. S. (Seal)

IN WITNESS THEREOF, we have set our hands and seals this 22nd day of May 1952.

We Wish
To Thank The Advertisers
For Helping Make
This Book
Possible

You've just finished reading the 1952 V-Echo; ;

We honestly hope you enjoyed it; for we wrote it for you. Confidentially the work we did on it was really loads of fun; so we had a good time too. And please don't forget to dust "The V-Echo" off, every now and then, and brush up on your school day memories. Well this is the end: so we'll have to leave you.

SO LONG EVERYBODY!
