ADMINISTRATION

Our Executive Head

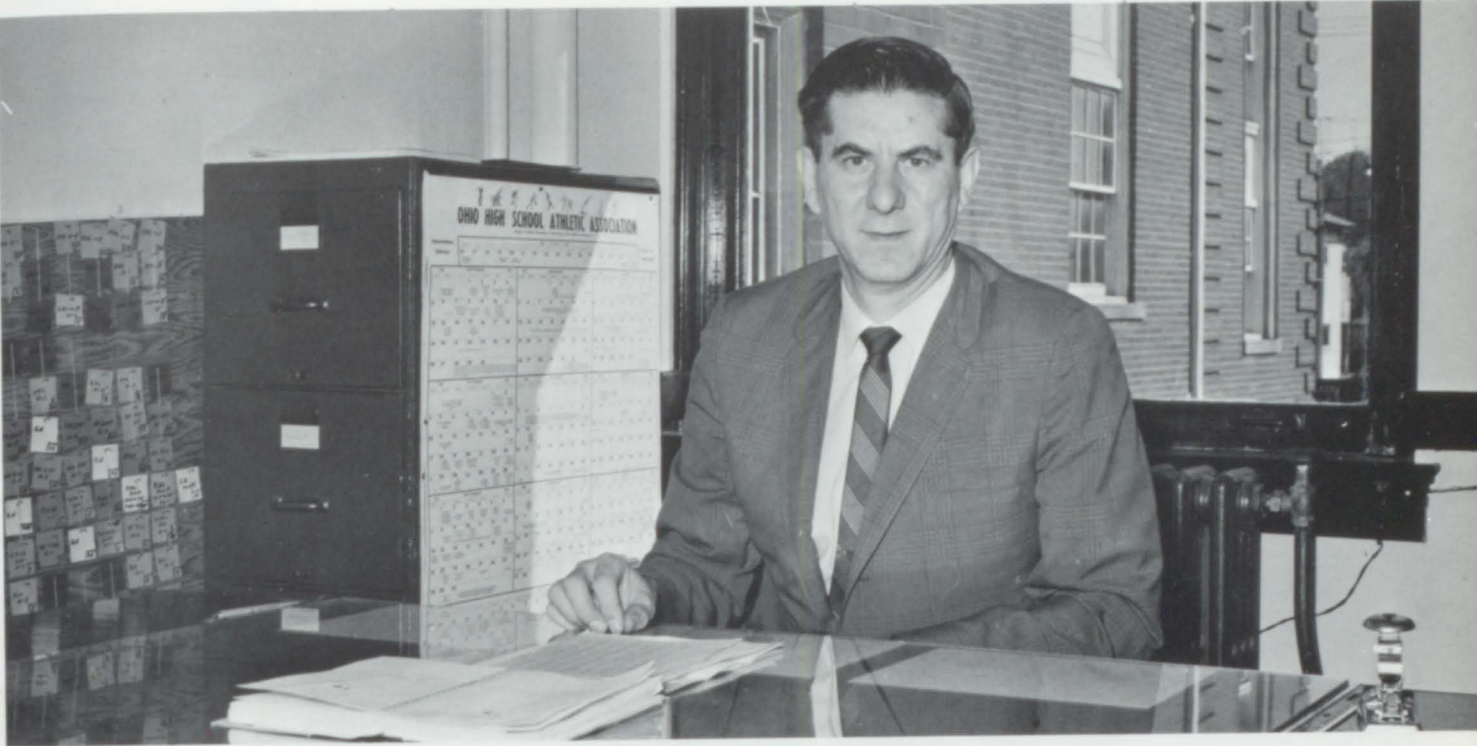

It is my privilege to extend my personal congratulations and best wishes to each member of the graduating class of 1966.

We hope as you go forward to meet your obligations of life that you are firm in the belief that the lessons of your school life have laid the foundations for future success.

May you become good citizens of your community and the nation.

Leo W. Difford

Our Principal

Our graduates of 1966 have completed their high school days and are entering a world in which certain areas are troubled and others are fighting for survival.

Some of you will be called upon directly to contribute your services in distant areas of strife. Others will contribute indirectly to help solve the problems of these troubled areas. Whether your efforts are direct or indirect, strive and work diligently so that your efforts will help toward a world of peace and a world of freedom.
