STEPS IN TIME

A MESSAGE FROM THE 2004 SHADOWS STAFF

The 2003-2004 Shadows staff decided to organize this year's yearbook in chronological order. The change enables the staff to be more efficient and productive in creating the book and in meeting the publisher's deadlines. When you look through your book, you'll notice that each season is divided by a spread dedicated to introducing that season's events.

This organizational method is simple and very natural. After all, we all experience the events in our lives according to the cycle of seasons. We all take life one step at a time. When you look back at your 2004 yearbook ten years from now, the Shadows staff hopes you'll appreciate the care we took in recording your steps in time!

Goodbye Summer!

Students have mixed feelings about the first day of school. Most are sad to see the summer go, but are happy to see the friends they haven't seen all summer. Some are even excited to take the classes they scheduled the previous year! Freshmen are particularly anxious about starting high school. You can see the stress on their faces as they search for their assigned homerooms and try to find their way through the halls. The Seniors, however, can barely contain their excitement over starting the last year of their high school careers. The 2004 Seniors plan to "rule the school" until they realize how hard they must work to pass their required Senior classes!

Hayley and company enthusiastically discuss forming a study group as they EXIT the building!

Freshmen enjoying lunch!

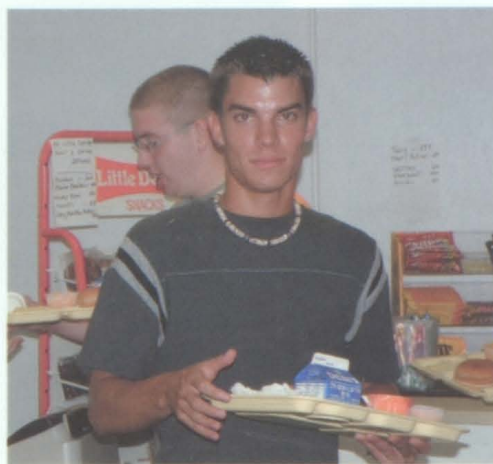

Tonya searches through the names on the homeroom lists for her homeroom assignment.

Abby and Tessa happily wave to the camera as they prepare to go home after the first day of school. Tessa already has a stack of homework!

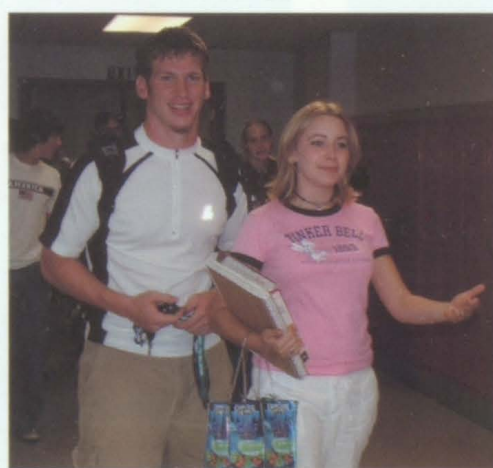

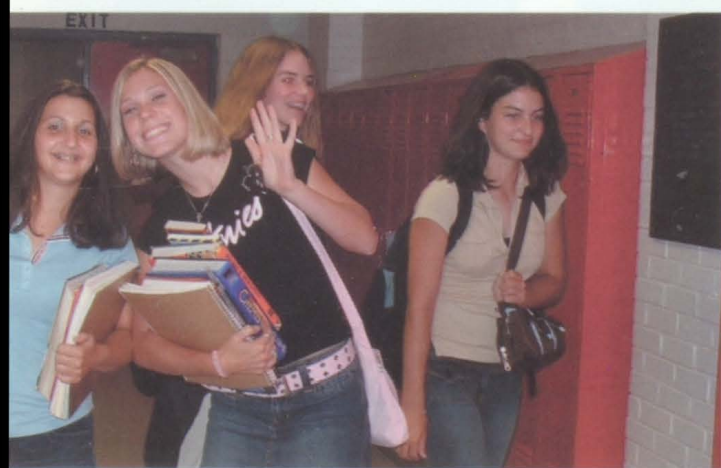

Anthony is caught off guard as he prepares to sit down, enjoy lunch, and relax after a stressful first half of the first day of his Junior year!

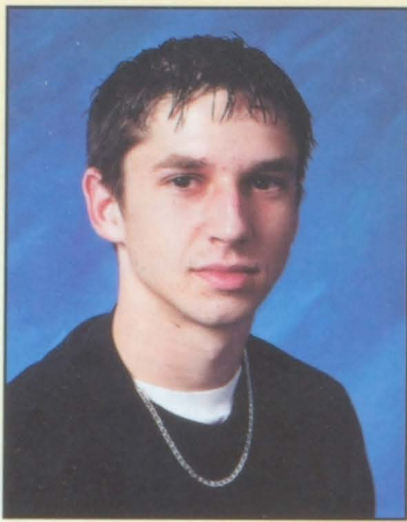

Seniors Leeanna and Alicia show off their beautiful smiles as they await the first bell of their Senior year!

These Freshmen have made it half way through their first day of high school. Are they happy it is finally lunch?

Andrew and Katie have homework on the first day!

Fall Fashions

Here are just a few different varieties of styles. For example, you have Amanda in the turtleneck sweater with her hair up in a pony tail. Then you have Sarah with the regular T-shirt and her hair up in a messy bun. Next, Steve and David are wearing Polo shirts while the other boys are wearing T-shirts.

Notice that Nicole is wearing a blue T-shirt with blue jeans, while Jeremy is wearing a grey hooded American Eagle shirt with jeans. It's all very casual and the color blue is just wonderful all year round.

Some people just have their own style.

Music, Movies, and Dates

I conducted a survey to see what type movies you, the students, enjoy.

My survey showed that the top three movies that were out in theater this fall are:

1. *Finding Nemo*
2. *Texas Chainsaw Masacre*
3. *2 Fast 2 Furious*

My survey showed that the top three DVD's out this fall are:

1. *Finding Nemo*
2. *The Matrix-Revolution*
3. *Old School*

The best place to take your date, according to my survey, is:

1. Movie and a dinner
2. Parties
3. Haunted Houses

The best hang-out place around here, according to my survey, is:

1. The Eastwood Mall
2. Parties
3. The Movies

Shannon and Noah are into the punk style. Notice they are wearing the spikes around their wrists and necks. Also, notice their Vans tennis shoes and jeans.

Cosmetics

Mascara is the best type of make-up to wear. It brings out your eyes and highlights your face. In my survey, mascara was voted the best cosmetic to wear.

NHS Fall Blood Drive

With smiles like those, you would never know they just lost a pint of blood.

Seriously though, we would like to give a huge thanks to everyone who donated blood.

The nurses were great! We couldn't have done it without them!

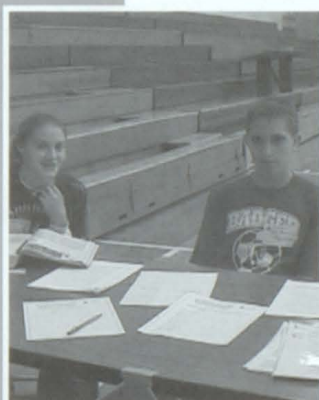

NHS put a lot of effort into this blood drive, and they worked just as hard during it.

Giving comfort to the hurting.

And making sure everything was in order.

FALL PEPS

Dr. Bair states, "I love pep rallies-what a reward for our kids and just maybe we can 'up' the student and staff attendance at our Girls and Boys games."

"I think pep rallies are the greatest! It gives athletes recognition."

-Annah Trunick

"The fall pep rally was a well needed boost for our fall sports!"

-Shannon Battison

"When you get the students together for school spirit energy really raises the roof."

-Brittany Mintern

Thoughts Opinions

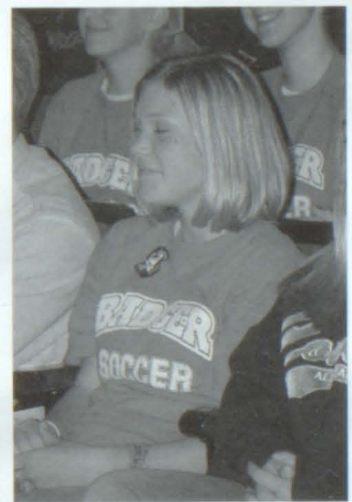

Mr. Baldwin says, "What a great way to spend a late Friday afternoon! I'm thrilled to brag about the accomplishments of our athletes - your classmates - your friends."

Mr. Baldwin has the crowd mesmerized.

“Go
Braves!”

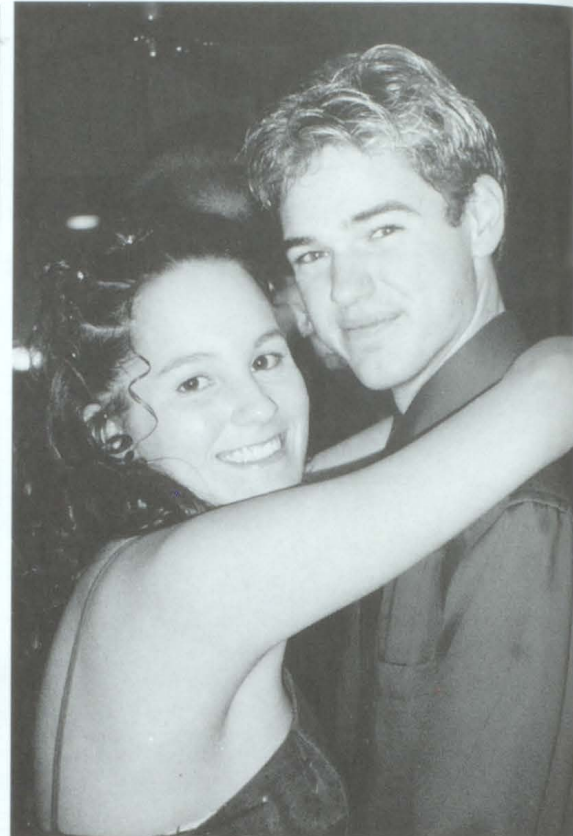

The students are extremely supportive of their fellow classmates.

Dr. Bair, Superintendent:

"Accompanying our new school will be a new positive mental attitude as well. The parents and community have provided a state of the art facility for the students and staff. It is now our responsibility as educators to provide the very best educational experiences possible for our young people."

Bill Johnson, Treasurer:

"This building is being designed to improve and enhance the entire educational, social, and recreational experience here at Badger. Our voters added a new auditorium, outdoor sports venues, board offices, and a community exercise room to increase community participation and pride. All of this planning should ensure residents and businesses that quality education will yield quality citizens enjoying a high quality of life."

Jeff Mathews, Board Member:

"For me this has always been about opportunity. My hope is that this opportunity will help everyone in our school community realize that we control our own destiny, and that change while unstoppable is a force to be harnessed and used to our advantage."

STEPS IN TIME

WINTER EVENTS OF 2003 - 2004

Winter eased its way into the lives of the students here at Badger High. For weeks the students agonized over whether or not they would ever get a single snow day in this year. They were not to be disappointed. The weather took a turn for the worse and the students ended up with three glorious snow days before March!

The weather may have been frightful but our classrooms and halls were abustle with activity. Students, staff, and the Board Office participated in the annual Christmas Door Decorating Contest sponsored by French Club. Mrs. Abramovich gracefully passed the First Place prize over to Miss Cole and her fifth period class.

Biology students dissected cats, and the musically talented students prepared for their Winter Concert. Basketball was in full swing and Mr. Baldwin arranged to have a pep rally honoring the players' efforts. Students came back from winter break to face their midterm exams and a few extra days off. Career Day was held in January and over twenty speakers took time away from work to visit students and tell them a little about each of their careers. Beta Club students were busy baking goodies for parent teacher conference night. A record number of conferences were held. Students with all A's and B's were honored at the Honor Roll Breakfast. What a busy season!

In Biology 2, many students got the privilege of dissecting cats. Geoff Roscoe works on taking out organs while Shane Hale aids him.

Bridget Saddler practices her CPR training.

During basketball season of 2003-2004, the basketball team was motivated by the pep band. Corey's lightening quick fills and complex rhythms on the drum set helped pump the players up.

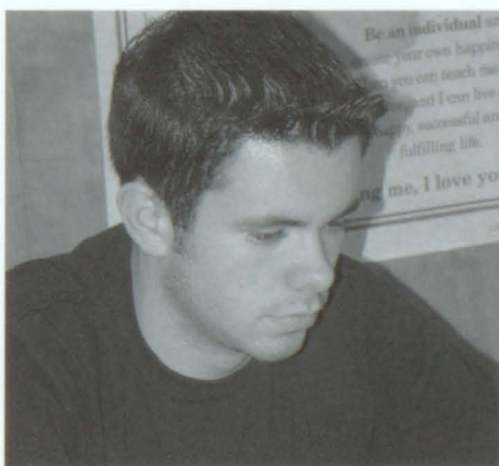

Dr. Bair and some of the school administrators were often seen in the halls and rooms of the school. Here they are seen judging the Christmas Door Decorating Contest!

Traditions are still practiced here at Badger. Here Santa Clause reads in Mrs. Abromovich's Home Ec class.

The winners of the door decorating competition were the students of Miss Cole's 5th period biology class. They were awarded a pizza party.

Kelli Morris, Liz Burr, Kristin Sutton, Emily Miller, and Alex Taylor pose for a snapshot at the Honor Roll breakfast.

Beuford Watkins (Dale) studies intently for one of his many midterms.

Academic Challenge

The team participated at the WYTV-YSU Academic Challenge Tournament where they were victorious over Liberty, but lost to Hickory in a tie-breaker. They competed at the South Range Invitational and were champions of the gold bracket, guaranteeing them a place at the Ohio Academic Challenge Regionals. The team finished fourth place at Trumbull County Prep Bowl before taking three teams to Copley where the Junior Varsity team went undefeated in their bracket. The team also participated in the Garfield Heights Invitational and were champions of the tournament hosted at Badger.

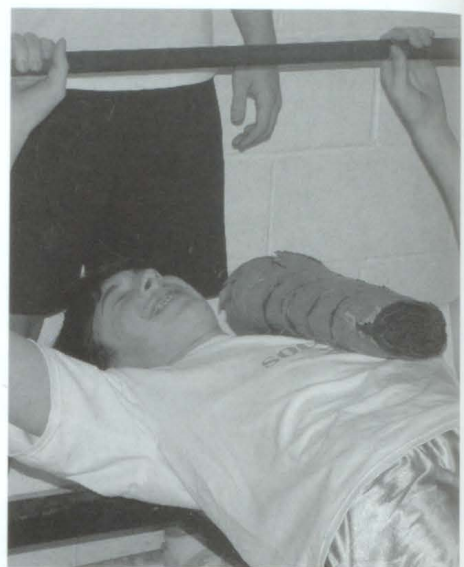

STEPS IN TIME

SPRING EVENTS OF 2003-2004

Spring has sprung! Although there are still occasional snow showers all the way into April, the students are still in the spring mood. Windows are thrown open, (weather permitting) spring outfits are donned, and love is in the air. Show choir performed "Guys and Dolls" for their annual musical, the stars of the show- Crysta Thomas, Andrew Riley, Ryland Matthews, and Katie Starling, made the show a hit and the auditorium was packed. Students also participated in the English Festival, the Health Fair, and the school's second blood drive of the year!

Mrs. Betts students participated in an egg drop experiment (few eggs were harmed in the process!) and psychology students were blindfolded and told to walk through the halls to test their senses. Annah Trunick, Jeremy Carr, and Jamie Polk participated in an art show for Trumbull County, and Annah won honorable mention. Samantha Bonar beat Christine Miller's record in the 3200 meter run and is hoping to beat it again. Teacher appreciation was shown when the Beta Club held a lunch for them and NHS helped an assigned teacher for a few periods by running errands or helping in the class room and by washing their cars.

As the end of the year approaches, students prepare for finals and the juniors are hard at work on research reports. At the closing of this year, Mr. Dane Mitchell will be retiring after thirty five years of teaching. The class of 2004 is also leaving Badger and we wish all of you the best of luck!!

What was the most important thing students learned?

"How it is important to make good choices and to be prepared for anything that comes your way."

"How much secondhand smoke can harm a non-smoker."

"Take care of yourself!"

"That there are many people who need help and it is a good thing to participate in helping others."

SESSIONS

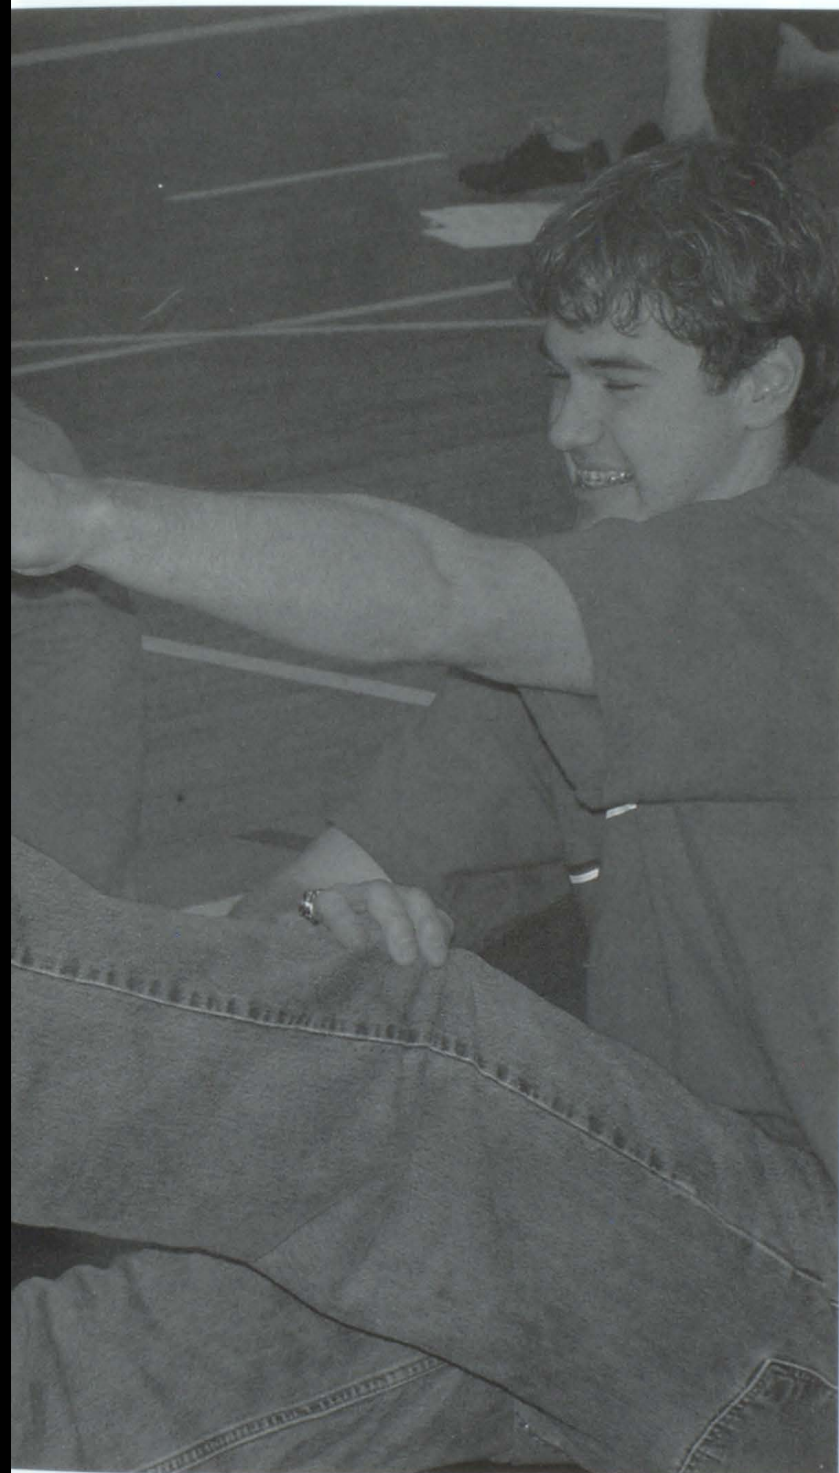

"It was an honor to put together a program for the students of BHS. Our goal was to offer our students the knowledge, skills, & resources they need to better deal with some of the issues and problems they encounter, to become more involved in community service, and to be more aware of their own physical and mental health. Hopefully, this program will lead the students into making more positive choices. Thank you to everyone for your cooperation and for making the program a success!"

"Let us lead by serving others"

The Beta Club participated in several service projects this year, such as making cookies for teachers at Christmas, making Christmas cards for the residents of Boyd's Home, making valentines for veterans, raising money for St. Jude's hospital, serving lunch to the staff on Teacher Appreciation day, and planting flowers at the high school. They also raised money for their club by putting on a half-time foul shot competition during basketball season and having a bake sale during parent-teacher conferences. In June, they enjoyed a year-end trip to Geauga Lake.

"I liked the Michael Jackson glove."

Kyle Arnold

"It was interesting, but we should have only stayed for a couple of hours."

Ashley Brothers

Seniors were asked what they thought of Badger's first SENIOR field trip.

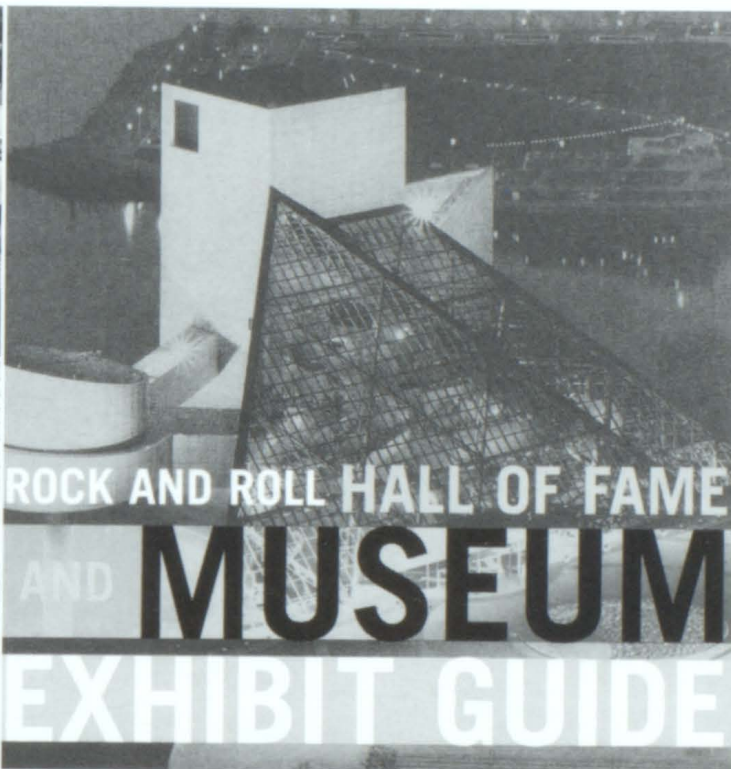

"The Rock and Roll Hall of Fame was, like, really cool and we, like, had a really cool time. Bob Evans and the duct tape on the bus were, like, the best."

Mr. Kretser

coolness

The Class of 2004 was the first group of Seniors to have a class field trip instead of the traditional Senior Skip Day!

COOL THOUGHT

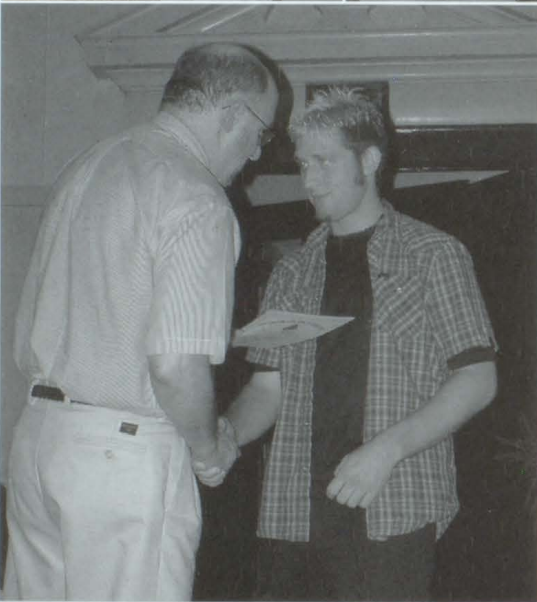

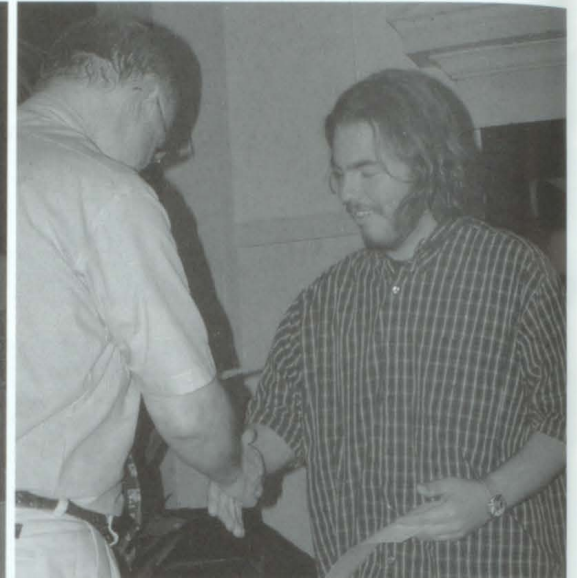

"I feel privileged and honored to have been asked to attend the First Annual Field Trip with the Class of 2004. Always remember, it is not just parents that raise a child but rather an entire community."

To a very special daughter and sister, who the Lord has greatly blessed us with. As you search to know life's true meaning, may you never take one single breath for granted. Whenever one door closes I hope one more opens, promise me that you'll give faith a fighting chance. And now, we pray you'll dedicate your life to Him, and find true joy and strength for the rest of your life in what you put your hands to do.

We're proud of you!
