Class of 1991 Seniors

Motto: The daydreams of today are the realities of tomorrow.

Class Colors: Red and Black

Class Flower: Red Rose

*Another year goes passing by
And graduation is near
To some that brings a joyous smile
To others brings a tear
For four years we have tread a path
From dawn to setting sun
But now the path gets steeper
And the climb has just begun
We're very glad to know you
We'll miss you when you're gone
To you we dedicate this poem
The class of '91.*

Maureen Cordier

Our French Foreign Exchange Student

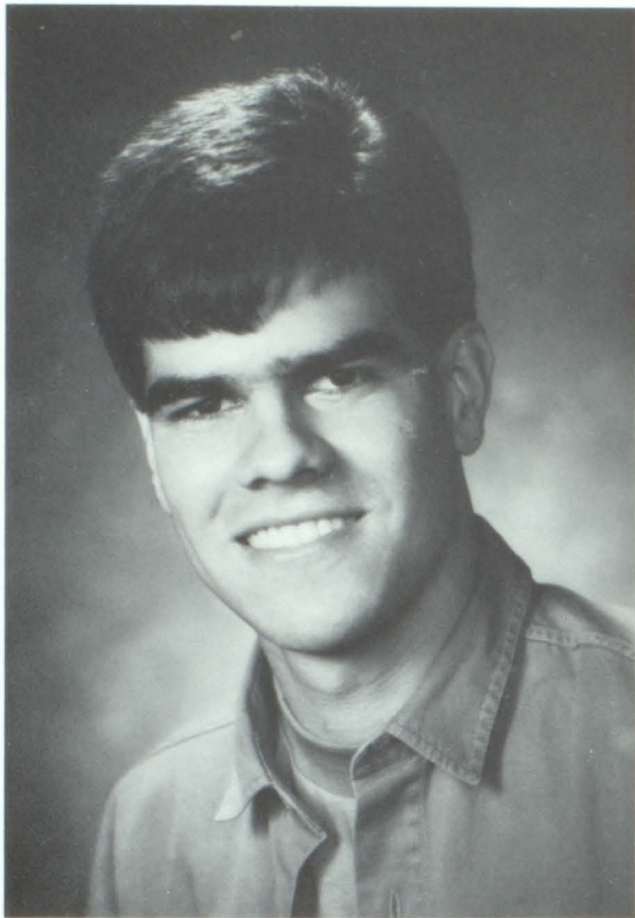

Coming to America has been my dream for a long time. Now I'm here and I don't have any regrets about coming to the United States. Being in a new country where everything is different, like the language and the culture, is not always easy, but I do enjoy my family and my new friends who helped me to overcome my problems and made me feel at home. I want to thank the girls from the volleyball team because I spent a lot of time with them. They were very nice and fun to be around. I also want to thank my coach, Linda, who is a very special person. I've found American families' customs are very different from the French families. Here the families spend more time together and parents are more protective of their children. I also think that people here drive like "Sunday drivers." The food and fashions are different also, but it's part of my new experience. I would like to thank my teachers, my family, my friends, and everyone who shares my thoughts and feelings about my new life.

Our Brazilian Foreign Exchange Student

I would like to take this opportunity to let everyone know just what they have done to make my stay here a memorable experience.

When I first arrived, I was nervous; but everybody was very friendly and helpful in making me feel at home. I have made many new friends which I will always remember.

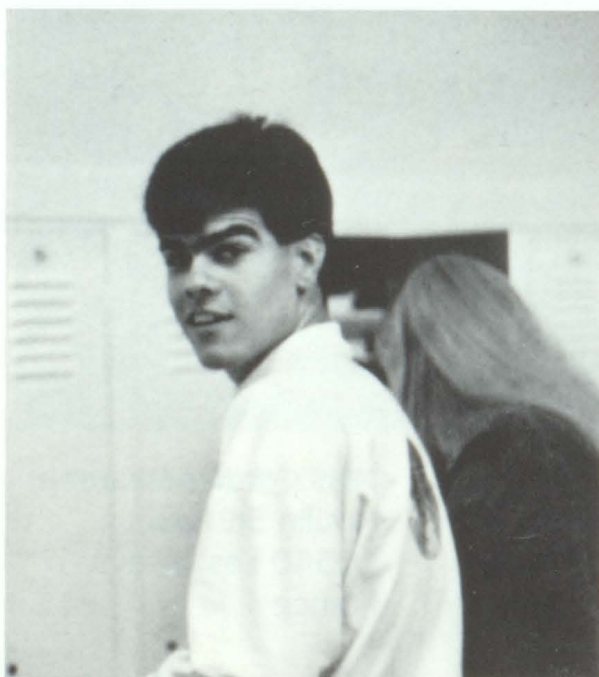

The teachers were a great help in teaching me the American ways. They were also very patient and understanding.

My family and friends have helped me grow and mature as a person.

I would like to thank everyone who was a part of my life for making my stay such a wonderful experience.

Magda Ortegón

Our Ecuadorian
Foreign Exchange Student

My name is Magda Ortegón. I'm from Guayaquil, Ecuador (South America), and I want to tell you that being in the U.S. for one year is an experience. Living in a different culture, with different ideas, thoughts, language, etc. is really hard, but I feel "lucky" because my year without all the people that I have met wouldn't be the same.

Now, all those people; my host family, my new friends, teachers; mean a lot to me and I can tell you that an exchange program teaches more than a foreign language, because I learned to smile when I didn't feel like it and to respect or accept customs that I didn't used to.

I won't forget this experience because all the people from Badger were really patient and nice. When I go back home, I will just remember this year like one of those things that you can't touch or live again, but probably keep it in your memory forever!

Thanks a lot for all the moments that helped make this year an unforgettable one, and especially thanks to the "GREAT SENIOR CLASS 90-91!"

Buena suerte y hasta pronto!

ECOLOGY TEAM

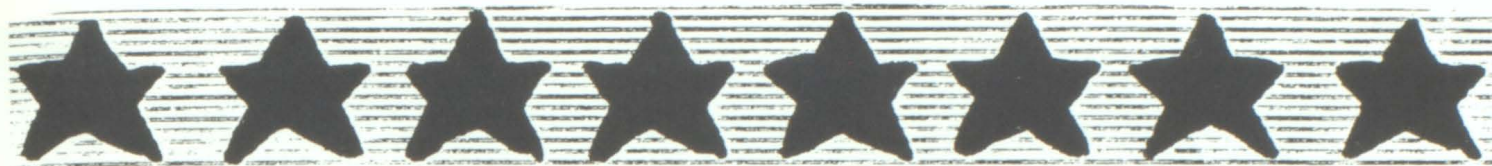

In 1990 the Badger Ecology Team captured first place in the regional Eco-Meet competition in Shenango, PA, thus advancing us to the district meet in Pittsburgh. The Ecology Team came in at thirteenth.

The Eco-Meet program is designed to promote and enhance environmental learning among students. The Meet, sponsored by the U.S. Army Corps of Engineers, focuses primarily on outdoor knowledge and ecological concept comprehension. It is a one day competition.

This year, along with the Eco-Meet, we are planning to compete in Environthon. We are also planning on going to forestry camp and on environmental field trips. Our coaches are Cheri Difford, Lorna Woodward, and Bob Moon.

GOLF

IRLS

The Badger Girls Golf team enjoyed a prosperous season. The 1990 season has been our best one yet, showing a 9-9 record, a record initiated mostly by Mrs. Hauger's time and patience. This record is a major accomplishment over last season's record of 4-14 and 2-14 the year before.

Heather, Melissa, Monica, Jennifer, Christina, Chris, and Gena are a wonderful group to represent Badger and we all look forward to an even better season next year, hopefully with a visit to the State Tournament. Our award winners are: Monica Forster with Coach's Award; Jennifer Gruver with Most Improved; and Gena Coursen with Low Medalist. Three awards well deserved!

Girls Soccer

Beginning Steps

The soccer program in our area took a huge leap forward in 1990 with the addition of a girls soccer team. Our young team has gained experience that will enhance play in the future. The team was coached by Marsha Stanhope and David Hardman who both devoted a lot of time and energy. Thanks coaches!! We would also like to thank all of those who supported our team with their donations and attendance at our games.

Our year started out really well with a win over JFK. During the season we had

many injuries and often played with less players than our opponents did. Every girl played with a desire to win, and were complimented by many coaches on their aggressiveness and determination.

Although we didn't win a large number of games, each girl had her own personal victory. Both of our team captains, Krista Kurpe and Jamie Reeher were named Inter-County Girls Soccer League Division II all-league players. Our team finished fourth in the league. To me, the season was full of fun times on and

off the field. This was what made us a team, and more importantly, it was what made us friends.

VARSITY

Putting Badger on the Map.

In 1988, Jose Pinheiro, the current head soccer coach, inherited a young soccer program that had not established many long range goals. He built a team around a nucleus of young talent that could play defense as well as score goals. Over the next two years, he watched his team grow. The defense, the offense, and finally in 1990, they reached a level where they could play competitively.

The much anticipated 1990 season was filled with high hopes for the Braves returned every starter from the 1989 team. The offense, led by Todd Cratsley, scored 34 goals while goalkeeper Brad Powell and the 4-Horsemen (Shane Betts, Tom Draa, Miguel Ramos, and Todd Stanhope) held the opposition to just 27. The middle of the field was solidified by Scott Johnson whose spirit was a big asset to the team. The arrival of Alex Gomez, an exchange student, added depth to

the team. The end result was a 5-6-6 (.471) record, the best in Badger history. Badger earned the respect of its soccer rivals.

Several players were recognized for their contributions to the team. Todd Cratsley and Todd Stanhope were the captains. The Trumbull AA League selected Todd Cratsley and Scott Johnson to its all-star team while Todd Stanhope was an alternate. Making the Tri-County Div. III team was Brad Powell and Miguel Ramos. Todd Cratsley was an alternate. Team awards went to Scott Edgar for Most Improved; T. Cratsley for offense; M. Ramos for defense; T. Stanhope the Coach's; and B. Powell the M.V.P.

SOFTBALL

Last year's softball season was one of enjoyment and excitement. The Varsity team was coached by Barb Barzak (known as Zak).

All of the players demonstrated their coordination, skill, dedication, and responsibility throughout the season. The Seniors were Tracy Siekkinen, Kim Karr, and Jennifer Nott (which are not pictured since we play in the spring.)

As far as team awards:

Most Improved: Kim Karr

Best Offense: Gena Coursen

Most Valuable Player: Gena Coursen

Coach's Award: Tracy Siekkinen

Our final record was 14-7. We look forward to another good season next year.

AFTER HOURS

1990 Coronation

Queen: Jodi Bonar

"My deepest appreciation goes out to Mrs. Miller and the National Honor Society for a wonderful evening at Coronation. It was a real treat to reign over this year's court as well as Badger's first Coronation court of 1960."

Thank you for a "magical" evening!

"As National Honor Society president, I feel this group has achieved their greatest potential. We have done a few projects in the community as well as in school, including the Coronation event in the fall. These projects have developed us into well-rounded students and respected leaders among our peers. I would like to wish the new inductees luck on all their endeavors next year."

Badger Teens Care

The Badger Teens Care is a group of students trying to prevent the abuse of drugs and alcohol by young people today. The more we inform the young, the more the abuse of drugs and alcohol will decrease in our future. We have scheduled many different programs to better our school. We also helped to organize peer tutoring, in which many of us are involved. We hope our efforts to prevent and inform about the abuse of drugs and alcohol will help everyone at Badger in the future.

— Miina Siekkinen

Library Aides

Assisting both fellow students and faculty, student library aides promote library services. We at Badger applaud and appreciate their efforts.

OFFICE — A place in which the business of a school is carried out.

AID/AIDE — A person or the thing that affords assistance, a helper, assistant.

Office aides are an invaluable asset to the high school office. We have fourteen office aides this year working with Mrs. Hammond and Mrs. Karr. They have given up their study hall to answer the phone, deliver messages, hall passes, and help wherever and whenever needed; the list of things they do seems endless.

Many thanks for all your help — Darcy, Renee, Natascha, Barb, Cody, Trever, Gena, Jessica, Kevin, Bill, Sandy, Cara, Dusty, and Dan!! Carol Karr, Secretary

MEETING THE DEADLINES

T'was the day of the yearbook deadline, when the staff turned the home ec. room into a gym. Yearbook supplies were scattered from one end to the other. Questions such as, "Where are the croppers?" and, "Are there any more pictures?" echoed off the walls. Staff members ran in and out constantly as if to give each other a breather. The clock was ticking until Scott Weber's arrival. At that moment, the game would be over. Will 40 pages be ready?

The advisor and coach of this team, Mrs. Miller, arrived in her former room and saw the mess. With a slight sigh, she said, "At least they're working."

The yearbook staff is no different than any sports team. Fifteen people must do their part to accomplish a set of goals. The goals were to make this book a reference, record, history, and most importantly a memory book. Without any of our team members, this could not have been accomplished.

Later that day the gym grew quiet, only five people remained. These five had to determine whether it was victory or defeat. I had no doubt in my mind as I counted the pages, "36, 37, 38, 39, and 40. We made it!" This is when Jenny Linville handed me the 41st page to insure the victory.

The staff was able to conquer adversity a number of times, a characteristic of a winning team. We may have won in the final seconds, but it is still a win. I am confident that if you asked our staff for 75 pages tomorrow, they would do 78! However, I'm sure they don't want to be tested on that! Everyone did a great job.

— Todd J. Stanhope

Our editors Cara Wolf, Dusty Karr, and Todd Stanhope in a light but deep moment!

Working Together . . .

The deadline is near so Dave Armstrong and Carol Peterson are working on their layout.

Becky Siekkinen and Todd Stanhope exchange ideas about the design of pg. 83. The two represented Badger at the Taylor yearbook workshop on June 14-15, 1990, in Lakewood, OH.

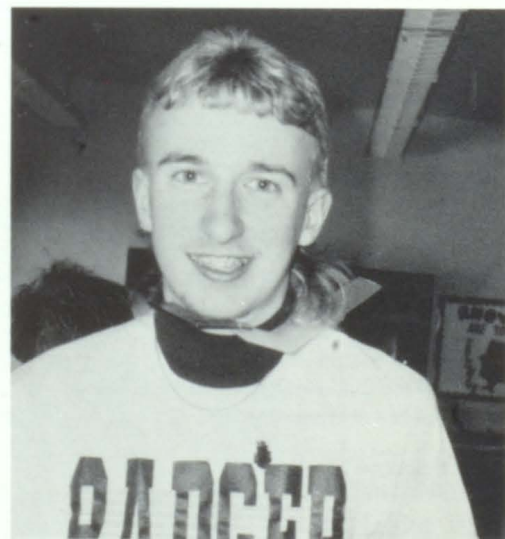

Diane Roscoe wonders what kind of pictures Cara and Todd are looking at!

Bridget Matti decides to call it a day.

The home ec. room is a gym to the staff. Members Dave, Martha, Thai, Darren, Becky, and Nancy exercise their minds.

Croppers come in handy when trying to silence the editor!
