CONGRATULATIONS
SENIORS

FOREIGN EXCHANGE STUDENT

Hi! My name is Mariana or Nana, like most people call me. My sister, Dani, was here two years ago and I think it's nice that I've been meeting the same people she met.

I have been having a lot of fun in Badger. It's very different than my school in Brazil.

Thank you so very much Baumgardners, my American family, The Kinsman Rotary Club, and my friends at Badger for an awesome year.

Me with my family from Brazil

Me and my American family.

Some days you are VERY noisy
and have a lot of fun,
But you always seem to
get the work done.
You run messages and answer the phone,
from the ring of the 1st bell,
until it's time to go home.
Thanks,

Badger Academic Team Highlights

Badger's Academic Team has gained respect in Eastern Ohio as a perennially strong contender, and the '95-'96 team has carried on the tradition. Always competitive, the team participated in five tournaments this year.

Captain only senior, Shawn Kephart led the team to a second place finish at the nineteen—school Trumbull County Prep Bowl, as well as a third place at South Range and fourth at Canfield, with twelve schools each. Still to come are tournaments at United, Copley and Poland High Schools. Juniors, Seth Krester and Justin Hodges and Freshmen, Mollie Bresnahan, Dan Dubelko, Jenna Jones, and Jennifer Hoffman completed the team.

This year I've been proud to have been part of such a meaningful group of people. As the President of Badger Teens Care, I would like to thank our members, Teachers, Staff and students for their participation during our Red Ribbon Week and our week of None Under 21 Announcements. Along with our up coming events we are proud to mention the IDEA of our Costume Dance on Halloween many of our members put hours into this, although the dance did not take place. Hopefully the 96-97, BTC will have a more prosperous turnout. If you are interested in joining BTC next year talk to the Guidance Counsler or to one of the previous member, it is a learning experience! Congratulations '96

BOYS' STATE

"THE LADDER OF SUCCESS"

Buckeye Girls' and Boys' State is a program which lasts a week. During this week, you learn about politics by experiencing it. While there, a State Government is established and ran by the delegates. It is a wonderful experience that the participants will never forget.

At Boys' State this year the four of us Jonathan, Bo, Mitchell and I all learned the functions of our State Government on a hands on basis. We held campaign for various offices or ended up as a road worker. We heard speakers varying from our Governor to Astronauts. In the end we learned that our Government is one composed of many ins and outs and that we need to take part in order for it to succeed, We would also like to personally thank the American Legion for sponsoring us.

SPANISH CLUB

Officers: Mike Harnett, Karissa Hunkus, Joe Border, Paula Sielschott, Marcie Helberg.

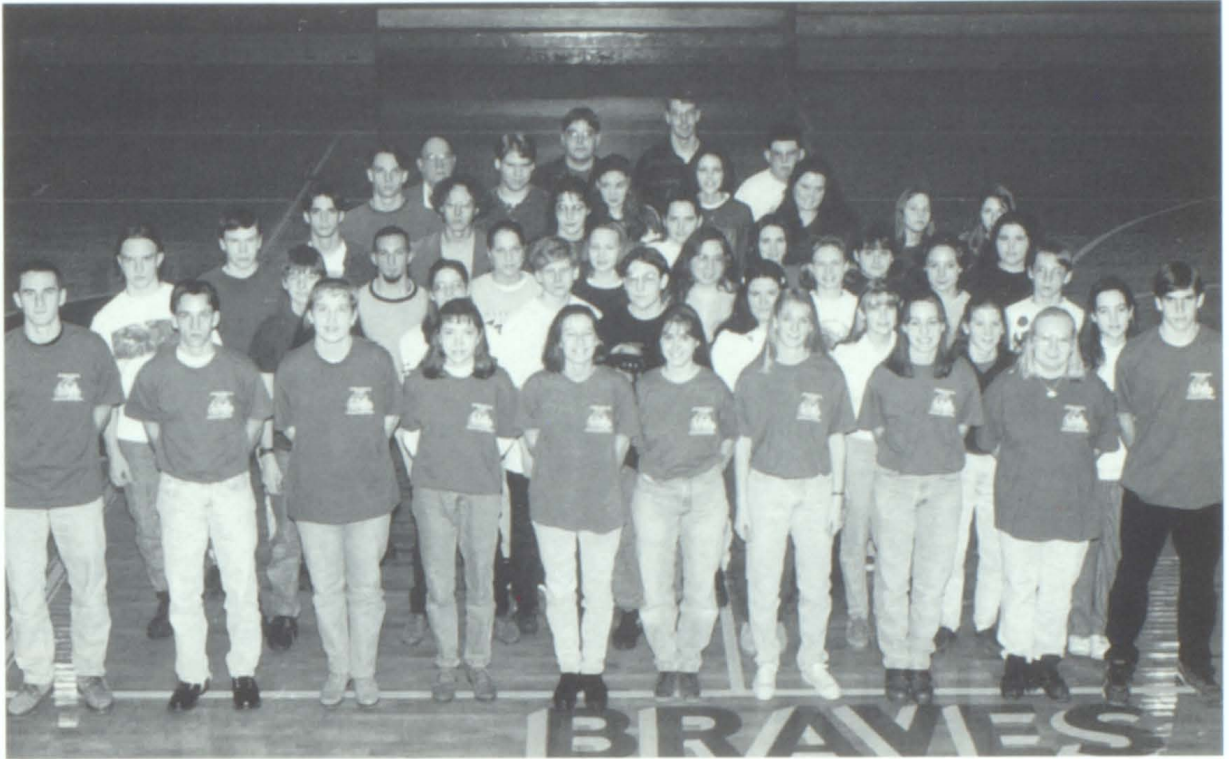

The 1995-1996 Spanish Club currently has 80 members who participate in various activities. In December we had a Christmas Fiesta where we broke a Pinata and ate many kinds of Mexican foods. In the future we plan on going bowling, eating at Chi Chi's, and taking a charter bus to Cedar Point. I would like to extend a special thanks to all of the other officers, members, and Mrs. Brown for making this organization a success.

Thank You,

Karissa Hunkus-President

LATIN CLUB

Over the past school year, Latin Club has been involved in a number of projects. In the Fall, we painted the weight room and we have also been selling candy and Badger Mug's. Although we have a number of projects we do take time out for some fun. In October, we celebrated our Festival of the Grapes where our members enjoyed games like grape stuffing and grape spitting. We also then enjoyed a Feast of chili and cheese prepared by Seth and Jonathan. Now we are looking forward to our scared holiday, the Ides of March (Ceasar is dead) and our Latin Club has been a wonderful experience for myself and it is due mostly to Mr. Patterson. If it were not for him, Latin Club wouldn't be so much fun. That is why Tim, Steve, David and I would like say that we think Mr. Patterson is the GREATEST and that when we look back at Latin we will have fond memories.

Badger fields a Cross Country Team for the first time since 1990. The inexperienced team was coached by Mr. John Davis. Coach Davis helped us learn and was an inspiration to all of us. Success is measured by what we learned and how we grew not by the number of wins.

When I started playing soccer I never realized the complexity of the game, it was just kick the ball into the net. As I have grown there has never been a practice or a game that I did not learn something new. Over the past four years I have seen many things on the Badger High School Soccer Team; a rock solid defense, a steady midfield, and an outstanding scoring offense; but this year by playing together as a team we learned to always do our best and never quit. One thing I realized in all my years of playing the game that old habits are hard to break—like our bad luck with Kirtland in the past season—but I'm sure that this team is growing in skill and unity and there is no doubt in my mind that these guys have many winning seasons ahead of them.
