A Friend Still With You *by: Aisling*

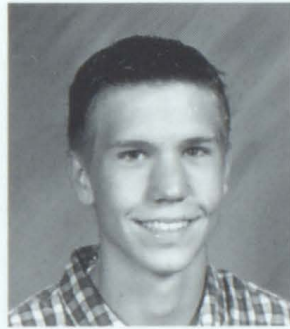

*Friends may come and friends may go,
but friends will always be with you.
A friend is someone that you can talk to even
if you have nothing to say.
But a friend will never forget you.
Even when a friend passes on, your friend is still there.
Your friend will always be there for you, even
if you cannot see or hear or do anything with your friend.
A friend will never say good-bye because you
will always see your friend again.
If your friend has died, just remember you
will see your friend on a sweet day in heaven.
There you and your friend can talk about
everything, and you will see your friend, hear your
friend and do everything with your friend.
And just remember two things....you will see
your friend on a sweet day in heaven and your
friend is still with you and will be there forever.*

BOYS' STATE / GIRLS' STATE

The experiences that Jimmy, Travis, Robert, Jared, Nick, and I had are ones that won't soon be forgotten. Boys State was much more to us than just learning about the function of the government. It was about meeting new people and learning to accept the differences in them. It was about learning how to take care of yourself in a college type atmosphere. It was about learning to be a good citizen in a democratic society. It was also about coming together for the common good of all the delegates at Buckeye Boys State. Most importantly, Boys State was about learning what you could do if you put your mind to it and truly worked hard.

Gary Dagres

Last summer at Girls' State, Cheryl and I learned how to participate in government and also learned the importance of it. Buckeye Girls' State is a one week program designed to educate the delegates in the duties, privileges, rights, and responsibilities of American citizenship. Our week was not only educational but also memorable. We had the pleasure of listening to Governor Bob Taft and many other motivational speakers including Pat Vivo. We made many friendships that will not be easily forgotten. We would like to thank the Kinsman American legion Auxiliary and The Business and Professional Women for making it possible.

Our Memories of Aisling

Our Memories of Mike

"Friends"
 When you think of me,
 Know I'll always be with you.
 The times we have shared was a
 Lifetime for me,
 Yet cut so short
 I've lived more,
 Than some who have died
 From old age.
 Just Remember,
 I'll be everywhere now,
 Just Whisper and I'll come.
 Just cry and I'll come running.
 For I now live Within You,
 Instead of in front of You.
 Don't look back and say "What If?"
 Just know YOU can't change Life,
 For Life is but a Moment,
 And FRIENDS are FOREVER!!
