 game of chess.

Who will win ?
 Jeff Garlock or Chip Carter.

Future Homemakers Of America

The Future Homemaker of America have been very busy this year. We carved pumpkins for the Gustavus Haunted walk. We adopted Meadowbrook Manor Nursing Home for our service project. We provided Thanksgiving ceramics, Christmas stockings and had games for the residents. We are planning on having an Easter Egg Hunt.

BETA CLUB

Beta Club is an organization for sophomore, junior, and senior high school students. This year we have 41 active members who were all selected upon their grade point averages. Decorating the schools christmas tree and presenting each faculty and staff member with a gift for teacher appreciation week are a few of the many activities Beta Club does throughout the year. President, Nevada Cole

NATIONAL HONOR SOCIETY

Selection for the National Honor Society is based upon the students leadership abilities, community involvement, grade point average, and extracurricular activities. We are active in many community projects such as the Kinsman Libraries Summer Fun Program and the Kinsman Rotary Food Drive. N.H.S. also sponsors coronation, donkey basketball and holds many other fundraisers throughout the year. It is a great honor to be a member of this club because it shows your dedication to school and community. Also, a special thank you to Miss Woodward for all of her help and support.

Last summer at Boys State Kurt, Matt, Jeremy, and I all learned how to participate in government and also learned the importance of it. Whether running for city council, engineer, or being a police chief, we all had a fun, yet challenging nine days.

While at Boys State we heard speeches from various people, including Betty Montgomery and Gov. Voinovich. We passed the free hours playing cards, catch, and getting stuck in an elevator.

Finally, thank you to the American Legion for making it possible. Buckeye Boys State was a wonderful experience that I'm sure none of us will forget.

Dale Onstott

Buckeye Girls' State is a one week program designed to educate the delegates in the duties, privileges, rights, and responsibilities of American citizenship. We had the opportunity to learn about our city, country, and state governments through experiencing it first hand. My week at Girls State was not only educational but also memorable. We had the pleasure of listening to Governor George Voinovich and many other motivational speakers. With one thousand girls attending the variety of backgrounds and personalities was endless. I am sure there were many friendships that will never be forgotten.

I would like to thank the Kinsman American Legion Auxiliary for their sponsorship.

Districts: 1st Place

Regionals: 1st Place

State: 10th Place and All State 1st Team

This year the Badger C.C. Team had a number of firsts. We hosted the TAC-8 Championships, the boys team placed 8th at the District Championships, almost qualifying for Regionals. We also had every runner run personal bests. All runners showed a lot of determination and will power throughout the year, battling through both injuries and slumps. We could not have accomplished half of what we did without the knowledge, patience, and understanding of our coach, John P. Davis. When we were all nervous before a big race, his support helped us to get through the race. Congratulations to all those who ran this year and good luck in the future. It's been fun!!

The New 1997 Record Holders

Mike Harnett has been "hurdling" towards his goal of breaking the school record since his freshman year. This year all his hard work paid off and Mike broke the 110m hurdle record with a time of 16.4 seconds.

Individual
Record
Holders

Mark Mariani broke the discus record with an amazing throw of 146'7". Mark came unbelievably close all year long and finally shattered the school record. Mark also qualified for Regionals in discus.

The guy's 4x100m relay team once again broke the school record this year with a time of 45.7 seconds. This year's team consisted of 1997 Seniors Tim Paroz, Mark Mariani, and Mike Harnett, along with then sophomore Brian Emrick. (L-R Tim, Brian, Mark, Mike)

*Congratulation to All the
new record holders.
A special thanks to our
coaches Denny Harnett
and Mr. Paroz.
We appreciate it!*

The coaches thought that the girl's 1600m relay was the least likely to break any records. Needless to say the girls pulled together as a team and shattered the school record with a time of 4min. 48sec! (L-R) Aimee Kalas, Racheal Bennett, Aimee Hardman, and Kate Miller.

An aerial photograph of a large industrial facility, identified as the Kraft Foods Meals Division. The facility consists of several large, interconnected buildings with flat roofs. Numerous white storage tanks are visible throughout the site, particularly in the upper right and lower right areas. Several semi-trailers are parked in the parking lots. The surrounding area appears to be a mix of industrial and undeveloped land.
