Mark Bello — Treasurer,
Nancy Holodnak — Sec-
retary to Superintendent.
(Standing Left to Right)
Karl Brest — Bus Coor-
dinator, Holly Marchio —
Payroll Clerk, Richard
Pachuk — Superinten-
dent.

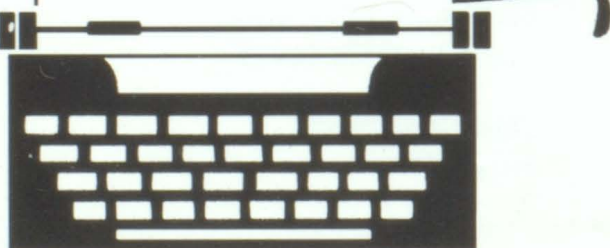

JOSEPH BADGER
LOCAL SCHOOL
DISTRICT
ADMINISTRATIVE
OFFICE

7000 Chagrin Falls —
Greenville Road
Kinsman, Ohio 44428

Phone: (216) 772-2020

The administrative office is ultimately responsible for operating the Joseph Badger Local School District. Our district, consisting of four buildings, 124 employees, and 1266 students, covers 100 square miles. Final decision making in all aspects of school operations, including curriculum, instruction, personnel, payroll, transportation, food service, etc., rests with the administrative staff.

While we don't interact directly with students, we take great pride in their accomplishments. We wish our students well, and hope their years with the Joseph Badger Local Schools have provided them the foundation on which to build a successful future.

BOARD OF EDUCATION

**(Sitting) Joseph P. Logan; Dr. Warren Young; Mark Bello, Treasurer. (Standing) John Stanhope, Vice President; T. Scott Hollenbaugh; Timothy K. Woofter, President; Richard Pachuk, Superintendent.*

Some of The People Who Make A Difference!

We'd like to take this opportunity to thank everyone for their work and dedication in making the 1991-1992 school year a success. The time and effort is appreciated, so we want to dedicate this page toward the success in the years to come.

— The Yearbook Staff

This 1992 Shadows Edition
is dedicated in loving memory
to
Tonya Marie McDevitt

Class of 1992
March 26, 1974-August 10, 1991
"You have left our lives, but you
will never leave our hearts."

KRISTA KURPE;
president

As the great days of our high school careers come to a close, many memories and emotions about the past are brought to the surface. Thoughts of friends old and new, forgotten dreams and fulfilled ones, threaten to burst the seams of our overgrowing files of life.

When these files are opened, past incidents leap from the pages of our minds and once again come alive in our words. Many classmates recall our coming together as classmates and eventually friends in 8th grade. Many incidents come to mind and recalled was our 8th grade trip to Washington, D.C., first day of 9th grade and all the memorable happenings of that day, and the first day of our Senior year, for it was then that happiness and sadness appeared on the faces and minds of many. Happiness of succeeding and sadness because in 9 months all of us would be going in different directions. Perhaps one of the most influential groups of persons go unmentioned in our recollections and many seniors will never forget the impact that teachers had on their life; for it was the special ones that broadened our horizons and helped us see all the aspects of the world and in life. Even though our fond memories of the past can never dim, we still can and do, have bright expectations for the future. Many of us see the graduation as the beginning of a new, more mature life where we will have to make our own decisions and fend for ourselves.

As we see choices for the future unfold before our eyes, we feel reality moving closer as we look toward the first days of the rest of our lives.

— Krista Kurpe

A Special Experience

During the week of August 4th through August 10th this summer, I was privileged to attend the Martin W. Essex School for the Gifted and Talented along with sixty other students from all over Ohio. We stayed on the Ohio State campus and got to experience a lot of what Columbus has to offer.

Every day had a different theme. One day was spent exploring COSI. Another day, we got to tour the Capitol building. In the evenings, we had dances and picnics, explored downtown and watched movies. Friday was our last night, and we celebrated with an international banquet. Finally, the week concluded Saturday morning with a talent show for our parents, our own rendition of Saturday Night Live.

The whole week was a unique experience, one that I will never forget.

— Sheri Kalas

My roommates during the talent show.

A member of the Ohio Department of Education led a lively discussion on women's rights.

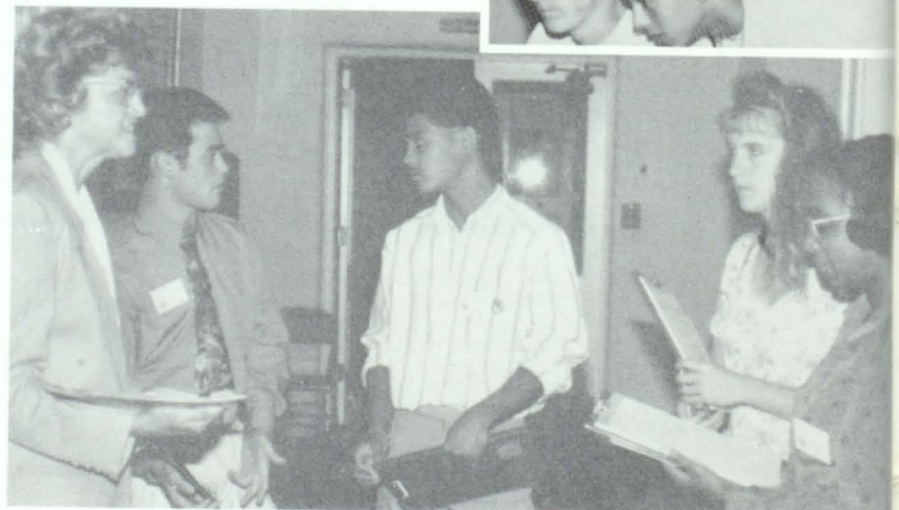

Canoeing during my free time.

Dr. Martin W. Essex founded this program sixteen years ago while he was the State Superintendent.

We all worked together.

I was in the press corps that talked to state reps.

Anna Cassel

Our Swedish Foreign Exchange Student

To go away from home, from my family and my friends, to live with a new family and learn to adjust to things I'm not used to is very difficult. This year is probably one of the toughest years of my life. To be an exchange student involves living in a new family, making new friends, learning a new culture as well as a new language.

This year is a year that will never come back again, but the memories will always remain in me. I want to say thank you to all the people that believed in me, my host family, my new friends, the teachers, and all the other people that have been taking part of my life. To be a part of sports has meant a lot to me. I hope that our friendships will last forever.

To all the seniors of '92, Good Luck in college or whatever you decide to do. Keep going and don't give up your dreams. To all of you, I want to say Good Luck in the future and take good care.

Love,

Anna Cassel ♀

David Decharte

Our French Foreign Exchange Student

What an experience! Never in my life will I be able to forget each moment spent with you at Badger.

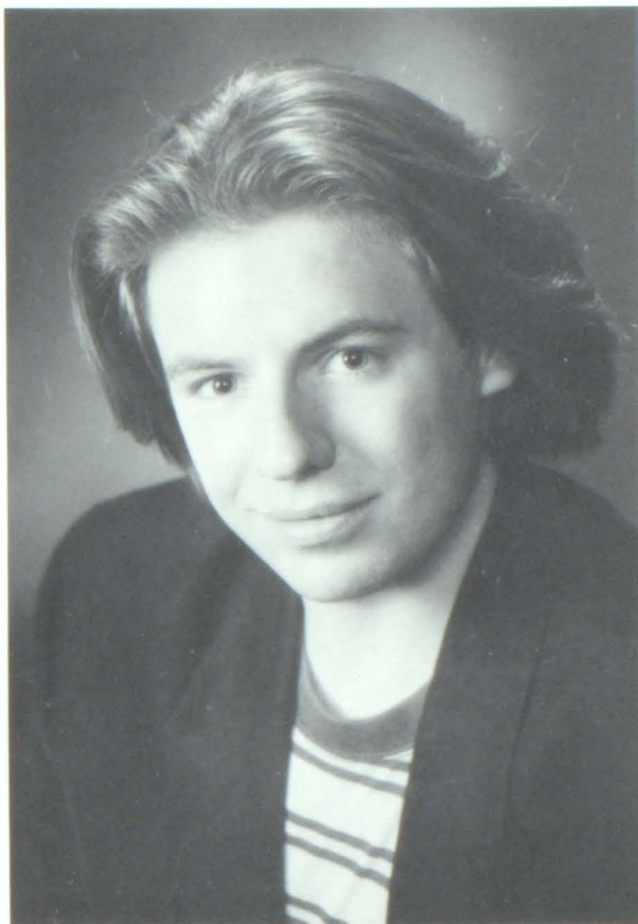

First of all, this year wouldn't have been possible without the Rotary INT., therefore I'd like to thank the Rotary Club of La Roche Posay (France) and the Rotary Club of the Kinsman area. Thanks to them, I met 57 students from Châtellerault which is located in Western France, in an agricultural area where nothing really happens. But when I say nothing, I mean violence, crime. I had a bit of a shock when I realized all the things that were happening in Trumbull County.

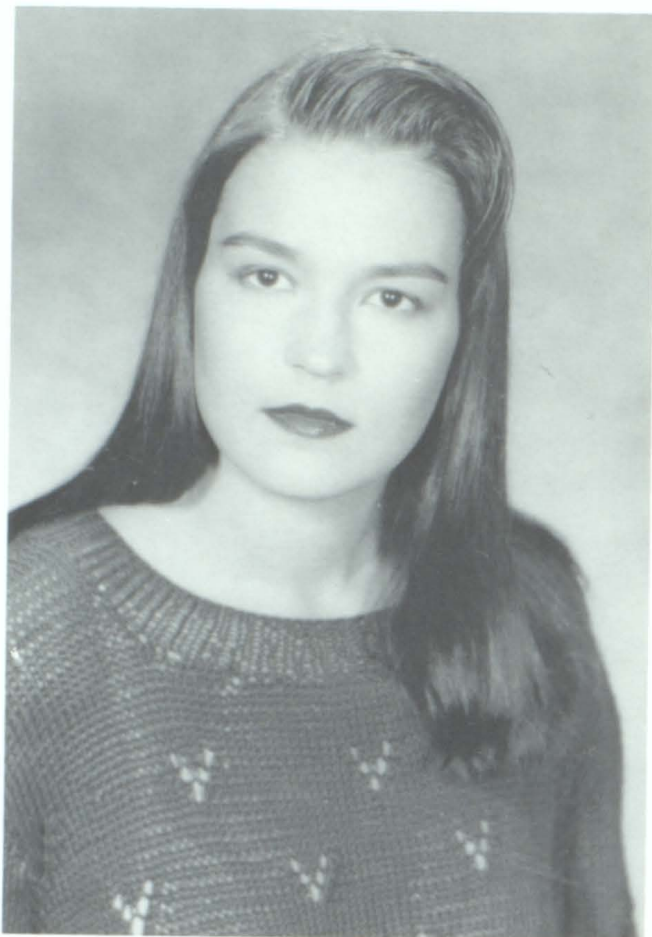

But it is your duty as an exchange student to adjust and share a new way of life, in a new environment, and new customs that maybe, you didn't feel like sharing. And now that I've discovered that there is not only the French and the European way, I must make the Americans discover that there is not only the American one!

As I said, I won't forget each moment. Everything is engraved in my memory and everything took place in a magic period called Adolescence. Thanks to my family in France, my host families here, my teachers, and all my friends . . .

Love,

David Decharte

Miia Toivio

Our Finnish Foreign Exchange Student

"Remember to walk on the wild side." That is mainly the reason why I decided to be an exchange student. Even when coming here meant leaving my family and friends, and even when I knew this year would probably be the most difficult year in my life. Still, I decided to come. Yet I don't know how this year in the U.S.A. will affect the rest of my life, but I hope I will have more positive memories than negative. There will be a lot of people I will miss, and I thank them for making my year what it was. I hope I was able to give you good memories. Let's not let this be the end of our friendship.

Badger wins annual High School Prep Bowl championship

By JENNIFER HOUTMAN
Tribune Chronicle

CHAMPION — And then there were two.

Mineral Ridge and Badger high schools faced off in the annual High School Prep Bowl Tournament Monday with Badger out-buzzing Mineral Ridge to claim the championship in the final match, 185 to 165.

It was a race to the buzzer with each question immediately followed by sighs of

relief — or disappointment — when the answer was given. During the moments between questions, fingers tapped nervously next to the buzzers, pausing only long enough to hover just above the buzzers while the next question was read.

All 20 of Trumbull County's public high schools participated in the double elimination tournament this year. That's the first time it has happened since the tournament began seven years ago, said Pat Agresta, general education supervisor for the Trumbull County Board of

Education.

Held at the Trumbull County Joint Vocational School, the program was sponsored by the county school board, the Trumbull Interscholastic Conference and the Warren Area Chamber of Commerce.

The high school competition, which began last week, finished Monday night with the championship match and the junior high tournament, is to begin tonight.

Throughout the tournament, teams

were asked questions taken from all subject areas. Time limits were set and scoring was based on the number of questions each team answered correctly.

Badger senior Scott Giltner, captain of the winning team, said his group was coming off a few sluggish years where the Badger teams didn't fare so well in the competition. He said this year's win was a nice change.

Prep

From page 1B

Alternate Kevin Bresnahan, a ninth grader at Badger, was even more enthusiastic.

"We're going to Disney World," he said through a large grin.

Badger adviser Dane Mitchell, an English teacher at the high school, said his team began preparing for the event in October. He said the group met

weekly, going over practice questions and working to improve their response times.

"The credit for this win goes to all the parents and faculty at Badger," Mitchell said. "That's where the kids learned what they know."

The remaining members of the Badger team, include seniors Sheri Kalas, Brad Davis and Aaron Woofter, and freshman Travis Hoffman, an alternate.

The members of the Mineral Ridge team include seniors Sam

Crish, George Walchak, and Scott Clark and junior Megan Garris. Alternates were John Schecklehoff, a senior, and Carl Tracey, a junior. Pamela Plesea is the team's adviser.

The two teams and their advisers were presented with plaques commemorating their achievement, presented by Elizabeth Graban, assistant superintendent of the Trumbull County Board of Education.

TCI Cablevision of Ohio Inc. will broadcast the competition on

See Prep page 6B

Channel 16 at a time and date to be announced. Those school districts who are not serviced by TCI can receive a tape of the program. The cable company also will furnish the finalists with sweatshirts commemorating this year's tournament.

"All the teams that get to this point are winners," said moderator Tom Romack, supervisor at the Trumbull County Board of Education. "We are extremely proud of both teams. They are all champions."

Buckeye Girls' State

Pictured Above: Jennifer Kahl (alternate), Sheri Kalas (delegate), Nikki Brest (alternate), Dana Novak (delegate).

Buckeye Girls' State and Boys' State are week long sessions designed to teach about citizenship and government. Sponsored by the American Legion and Ladies Auxiliary, students participate in the workings of a mythical state which they create, and learn about government in the City, County, and State levels. These programs not only help students to appreciate their rights as citizens, but they are also a great deal of fun. Juniors from all over the state come together to form lasting friendships. All in all, it truly is a memorable experience.

It has been a great privilege to be members of the Robert K. Mellinger Chapter of the 1991-92 National Honor Society. We feel through hard work and dedication that our goals have been accomplished and will continue to be. We would like to thank the staff at Badger High School for all of their help and encouragement. Also, thanks to Mrs. Karr and Dusty, Interact, Mr. and Mrs. Jeurgens, Mrs. Goodrich, the cooks, and everyone who helped us. Words cannot express our appreciation for our supervisor, Mrs. Shirley Miller. Her motivation generated teamwork, friendship, and unforgettable memories.

Throughout our senior year, we put a lot of time and effort into activities such as painting the Kinsman Cemetery fence, putting on the 1991 Coronation, operating the concession stand at basketball games, holding a spaghetti dinner, and sponsoring a donkey basketball game.

We have had an exceptional year! Good luck to those who succeed us. Carpe Diem!

The Hugh O'Brian Youth Leadership Conference was a wonderful and worthwhile experience for me. The speakers provided insight on many different fields and gave helpful advice. There were also games and dances to provide fun for the weekend. The best part of all though, had to have been the great friends I made. It was truly amazing how close you could get to someone in such a short amount of time. We (our group) laughed together and we even cried together. It was one of the most memorable weekends of my life.

DRIVER'S ED

This year's Driver's Ed class was instructed by Ken Lasko. The classes were three days a week and three hours each. Mr. Lasko kept the classes interesting by telling many stories to his class, and by taking the class on two "Field Trips" to the parking lot to see cars.

The actual driving time was instructed by Mr. Williams. Amy Kahl recalled having doubts about being on the right side of the road, and the experience she had the first time she used the brakes. Another student remembered almost driving through a red light.

The students who participated in this class are sure to be filled with many memories for years to come.

Jessica Mistak listens while Governor Voinovich answers a question.

The Y.S.U. Governor's Institute Participants:
(Front) James Willaman, Mr. Pachuk, Tom Goodhart, Melissa Moore. (Back) Jessica Mistak, Miina Siekinen, Jessica Bartolin, Heather Woolensack.

Governor's Institute

On July 22-26, 1991 Jessica Mistak, Melissa Moore, and Tom Goodhart participated in the Youngstown State University Governor's Institute for the Gifted and Talented.

The session provided a variety of fun but challenging classes such as: Nature and Photography, Study of the Brain, Theatre, Mythology, Art, Archaeology, Physics, Dance, Journalism, Creative Writing, Great Decisions, and Computer and Robotics.

On the 23rd we were visited by Governor Voinovich on his way to a public meeting. He met with some of the students, shook hands with us, and answered questions.

Taking a break from their competitions, the Eco. team members romp on the playground at the Shenango Recreation Area.

Chris Davis shows her true self after a long day's work.

Badger High School Ecology Team Sponsored by W. I. Miller and Sons

The High School Ecology Team captured first place in regional competition held at Shenango Recreation Area in Sharpsville, PA. They then advanced to the Pittsburgh District Meet to compete against the other regional winners. They finished an overall fifth place. The members of this team include Captain Jessica Mistak, Steve Kochemba, Jen Cole, Chris Davis, Melissa Moore, and Tom Goodhart.

The team also traveled to Medina County to compete in the Area 2 Envirothon, sponsored by the Soil and Water Conservation Districts. This national program includes competition in wildlife, aquatics, environmental issues, and soils. Over fifty teams participated in this year's Area 2 Envirothon and Badger placed third. The members of this team were Jessica Mistak, Jen Cole, Steve Kochemba, Tom Goodhart, Sam McGill, and Chris Davis. The team also won the Mahoning-Trumbull-Columbiana County Envirothon held at the Mahoning County Experimental Farm.

THE LIFE OF THE SOPHOMORE . . .

THE FRESHMAN BLUES

The Freshman Blues. Everybody knows what they are because everyone's been through them. It's the sticky palms and the nervous twitch you feel in your stomach upon entering the halls of Badger for the first time. Everyone you see is bigger than you, and they look at you with a gleam of detest in their eyes. Will they shove you in a locker? Yes! Will they dump your books? Yes! Will they throw you in the showers? Of course, that's what you get for being a freshman! You desperately try to find your classes, getting lost because of someone's misguiding finger. This is how it is all day long. Finally, you make it home to your chair looking back on the day. You think to yourself, "Now that wasn't so bad." Beware, there are 179 more days.

BOYS' GOLF

(Back Row) Jared Hipkins, Jason Nott, David McKnight, Travis Romine, Kevin Bresnahan, Coach Sid McPaul.
(Front Row) Jason Earnhart, Aaron Woofter, Brad Davis.

The Badger Boys' Golf team won more matches than the previous season. The 1991 season resulted in a 7-14 record. The coach was a bit disappointed because we lost 6 different matches by 5 strokes or less. The coach was encouraged by the brilliant play of Jason Earnhart, (4 rounds of 36) team Low Medalist, by the improvement of Brad Davis 7.5 strokes per match and by the addition of freshman, Kevin Bresnahan.

GIRLS

SOCCER

(Back Row) Aimee Paroz, Miina Siekkinen, Heather George, Carrie Thompson, Andrea Beers, Cara Stoard, Chrystal Price, Krista Kurpe. (Front Row) Shelly Jadloski, Crissy Smith, Jennifer Carney, Kim Smith, Amy Kahl. Missing from photo is Jennifer Curry.

As our second year began, we all came together ready to play and had some new additions to our new team. The turnout of players this year surprised not only me but many people, and I hope they have many years of determination and victory in the future.

Our team coaches, David Hardman and Marsha Stanhope, are two very special people that I am glad I can say I played for. The time and effort they put in for us to make our team what it is, I know will continue to progress in the future.

As for myself, this year was full of determination, victories, and some great times (tornadoes!!). I will always remember this season, for every one of my teammates made my last year really special. I would like to thank all the girls who I thought of not only as my teammates but also my friends, and also thank all the people who supported us with their attendance and donations.

Hopefully, sometime in the future, I would like to see our Girls' Soccer teams supported by the school, for they surely deserve it!

— Krista Kurpe

Go Andrea!

Senior, Krista Kurpe

Here's double trouble.

VARSITY

With the loss of our head coach and eight seniors, the 1991 season looked as if it would only be for rebuilding. Many of the varsity players had their doubts about the players moving up. It was obvious, however, after a couple of practices that the team had a lot of talent and many dedicated players.

The new varsity coach, former J.V. coach Mike Jones, led the team while emphasizing that teamwork was necessary in order to have a successful season. He also stressed that soccer (or any sport) wasn't the most important thing in our lives.

After winning a couple of scrimmages, the team started gaining confidence. The team was maturing well but was plagued by injuries. Darren

Stanhope went down with torn ligaments in his knee, Scott Edgar stretched ligaments in his ankle, Mike Evans stretched a tendon in his hip but kept on playing, and Mike Stanhope twisted his ankle and also tore tendons in his knee. Mike Jones also missed a couple of games due to bad health.

Even though the team was struck by much adversity, a good season was still achieved. The team held together through the leadership of M.V.P. Tom Draa. The midfield was a strong force aided by best offensive player Brian Jones. The defense was also strong due to the many saves of goalkeeper Brad Powell. Ending with a 7-9 record, the team did remarkably well considering all of the obstacles that had to be overcome.

— Darren Stanhope

The volleyball teams continue to improve. Completing the second competitive season both the Varsity and the Junior Varsity won the first volleyball match for Badger High School. Last year the teams won one game but not a match. This is progress.

The skill level of the athletes improved with each match. It takes time to develop the proper execution of skills. Be Patient! — Coach Linda Walton

The V-ball team has improved a lot this season. It's not just competition, it's fun! We encourage everyone to support the team next year and join the fun. They have a lot of potential. One of these days, they'll make it to the top. Good luck next year! We'll miss you! — *The Seniors*

Varsity

Varsity Cheerleaders

This year the cheerleaders had a new coach, Sheri Kochemba. Under her direction, we cheered in the Gustavus Fourth of July parade, as well as the Hartford Apple Festival parade. Over the summer, we attended a camp at Harding High School. We later attended a one day clinic in Berea, where we learned a new technique. For this technique, we even had to lift weights! Because the junior varsity squad was so small, we moved two freshmen up. This year has been a lot of work, but it has also been a lot of fun!

Many people at Badger don't even know we have a track team, but the track team is still alive and running . . . and throwing . . . and jumping. Last year we competed in over 10 meets. Track is a great sport in that you may compete individually or as a part of a relay team; yet, your placement still matters to the final outcome of the meet. Each meet proposes a new challenge whether it be to break your old record or to just keep going in the chilling cold or pouring rain or in the blistering heat. Believe me when I say we had to compete in all of these weather conditions. Even though we didn't win too many meets, we did accomplish some personal goals; and it is safe to say that we all had a ton of fun and look forward to the 1992 season! — Dana Novak

AFTER HOURS

CORONATION 1991

Queen: Jennifer Crawford

King: Chad Tricker

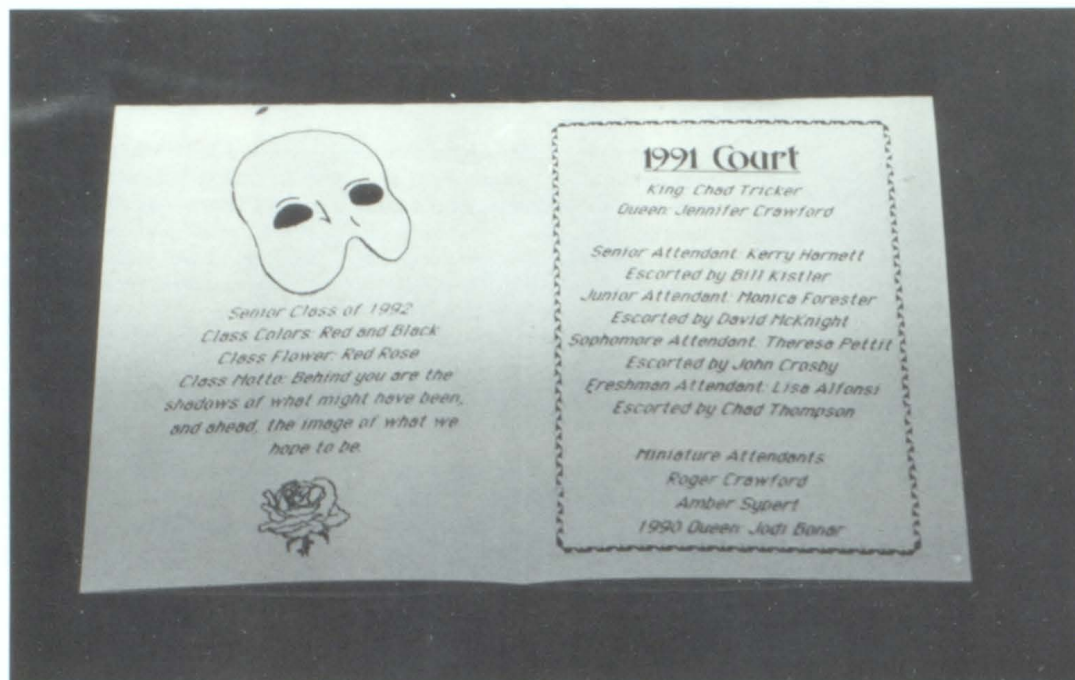

Phantom: Aaron Woofster

I was very excited about Coronation when I heard that the theme was going to be "Phantom of the Opera" because I thought it was a very original idea that would leave a lasting impression of the senior class of 1992. I was looking forward to the evening even more when I found out that I was going to be the "Phantom!" I was amazed at how great the decorations turned out — the NHS members received much help from the cheerleaders, Mrs. Miller, and Dusty and Mrs. Karr. We couldn't have made everything turnout so well without them. Another thing that I think is very original and should go on for a long time is the selection of a king for Coronation as well as a queen. This year's turned out to be very appropriate because Chad and Jenn go pretty well together. Because of all this, Coronation turned out to be a very elegant and "mysterious" evening!

— Aaron Woofster

ENCHANTED EVENING

Show Choir

Badger High School was proud to be represented at the first Honors Choir which performed at the OMEA winter conference on November 23, 1991 at Youngstown State University. The Honors Choir was made up of students who had been selected by their directors as outstanding vocalists. This first endeavor resulted in an excellent performance which students and teachers hope to continue in years to come.

CHORUS

Chorus is directed by Pamela Amy and band by Joseph Lazich.

Congratulations Mr. Patterson!

Last year Mr. Patterson was among twenty teachers out of over 500 nominees in Trumbull County chosen for an A+ Teacher's Award. Todd Stanhope wrote the winning essay to nominate him for this award. This is what Todd had to say: "Though many would think Latin was 'boring' and 'dead,' that is unheard of in room 3 (his room). In there, Latin is brought to life through the imagination and humor of the instructor. It is very evident that he understands the language, but more importantly, he is able to relate it to his students as well."

"I have grown to respect Mr. Patterson both as a teacher and a person. He is enthusiastic, interested, and trustworthy. He is a very well-rounded person which has made him a good influence upon me."

"Students find it easier to learn when they respect the teacher. Mr. Patterson possesses fine integrity, and feels every student is important."

The students and staff of Badger High School commend Mr. Patterson. He is most deserving!

SPANISH CLUB

Spanish Club Officers

(Seated, Top to Bottom) Nikki Brest, President; Lisa Best, Vice President; DeAnn Sinn, Program Director; Jennifer Kahl, Secretary. (Standing) Nicole Seaton, Treasurer.

Hit The Slopes!

Well, another great year of skiing is finished, and we are all still alive! We gained a whole bunch of memories that will surely last a lifetime — the joke telling on the long bus ride, the numerous spills on the slopes, and most of all, the many bumps and bruises. We definitely had a blast this year . . . if only there was more snow . . .

Amy, Nikki, Becky, Jenn, and Krista take a breather.

Becky seems pleased with her last run (and with that hunk she just met)!!

Ryan and Adam are bored on the bus ride.

Chad and Carrie raring to go!

Aw, Nikki and Kevin cuddle on the bus.

ISSUE

ISSUE was started in the fall of 1990 with 35 charter members. It was spearheaded by David Armstrong who strongly wanted to promote the conservation of our natural resources through a recycling program. The club members with the help of the cooks, custodians, faculty, and student body collected classroom paper, office paper, tin cans, newspaper, and cardboard for recycling. The members also collected and sorted recyclables brought to the school by the community on the last Saturday of each month.

In the fall of 1991, interest in the club remained high and we are once again running a recycling program.

"It's been a great experience working with everyone and getting this yearbook together." — The Editors.

YEARBOOK STAFF

"This year's yearbook took a lot of hard work and dedication. Finishing layouts and meeting deadlines was not only stressful but also rewarding. We are proud of the work we have done, and we hope you enjoy it." — The Yearbook Staff.

(Left to Right, Standing) Jessica Mistak, Becky Siekkinen, Shannon Amick, Kristin Kerchofer, Donna Steh, Jennifer Kahl, Chrissy Burr, Dawn Carrier, Maria Messina. (Seated) Sheri Kalas, Matt Mistak, Miina Siekkinen, Darren Stanhope, Dana Novak, Jennifer Martin, Molly Flowers.

MAKING IT ALL POSSIBLE

Until this year, most of us were unaware of how difficult it was to put together a yearbook; for each page had to be designed on a layout sheet, and every single word typed on a copy fitting form.

We have edited and revised, measured and cropped, sketched rough drafts and drawn final layouts — only to make 1992 *Shadows* a memory book to our satisfaction. In addition to all the work, we had to endure the pressure of the four dreaded deadlines — with some of us working up to the last minute.

After all is said and done, we feel a sense of accomplishment and, not to mention, RELIEF! Best of wishes to next year's staff, I hope you have as much "fun" as we did!

— Donna Steh

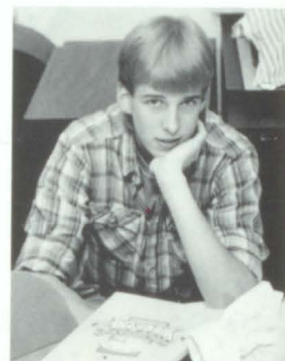

Mrs. Miller and Donna Steh discuss how the copy next to the Senior's photos should be arranged.

The whole gang posing for a picture for the Christmas cards that were sent to our advertisers.

An enthusiastic editor.

Shannon Amick "monkeys" around.

Seniors Shannon Amick, Kristin Kerchofer, and Miia Toivio await the five o'clock whistle.

Balloons, programs, and picture frames as favors grace the tables.

Before Prom was in full swing, seniors Dave Armstrong, Brian Rossi, and Liz Arbie settle in with their dates.

Seniors Barb Trautman, Tasha Lopez, and Jodi Bonar prove that they don't need men to make a smashing entrance.

MYSTICAL, MAGICAL EVE

Preparations for Prom '91 began early in the school year. Assisted by Mrs. Hanen, the Prom Committee worked hard to create a truly memorable evening.

Prom was held on May 11 at the Yankee Lake Ballroom. Prom Committee decorated all day, and when the first guests arrived at 7:00, the transformation was magical. The ticket price of \$15 included a delicious buffet dinner and music spun by our guest D.J., Brian Tomblin.

At 10:00 the prom court procession took place. It ended with Dan Miller being crowned king and Darcy Difford crowned

queen. The court then began the traditional dance, and soon everyone joined in as the strains of "Wonderful Tonight" by Eric Clapton wove their spell.

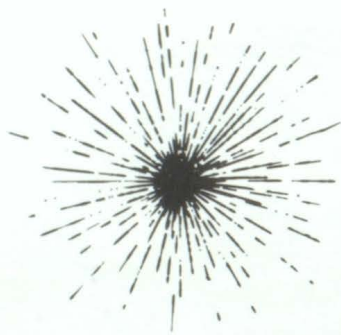

After the crowning, everyone let loose. A circle dance to "Friends in Low Places" by Garth Brooks and the tramping of balloons from the balloon drop were part of the fun.

As the clock struck midnight, everyone went their own ways, but all will remember Prom '91 as a truly "Wonderful Night."

The smiles of Jennie and Dave, her date, forever capture the aura of prom night.

Camaraderie, the true spirit of Badger, is exemplified as everyone joined together. Liz Arbie eternalized the memory of the circle dance on film.

Taking a time out, everyone relaxed and enjoyed their meal.

Dusty Karr and Christie Lillie pose elegantly for the camera.

King Dan and Queen Darcy follow the tradition as they sashay during the court's dance.

The court from top left — Cara Wolf, Bill Burns, Chad Gruver, Susan Hollenbaugh, Christie Lillie, Dusty Karr, Bridget Fenstermaker, Todd Cratsley, Renee Chalfant, Cody Betts. (Bottom Row) 1990 Queen Traci Alfonsi, 1991 Prom Queen Darcy Difford, 1991 Prom King Dan Miller and 1990 Prom King Joshua Betts.

Graduation 1991

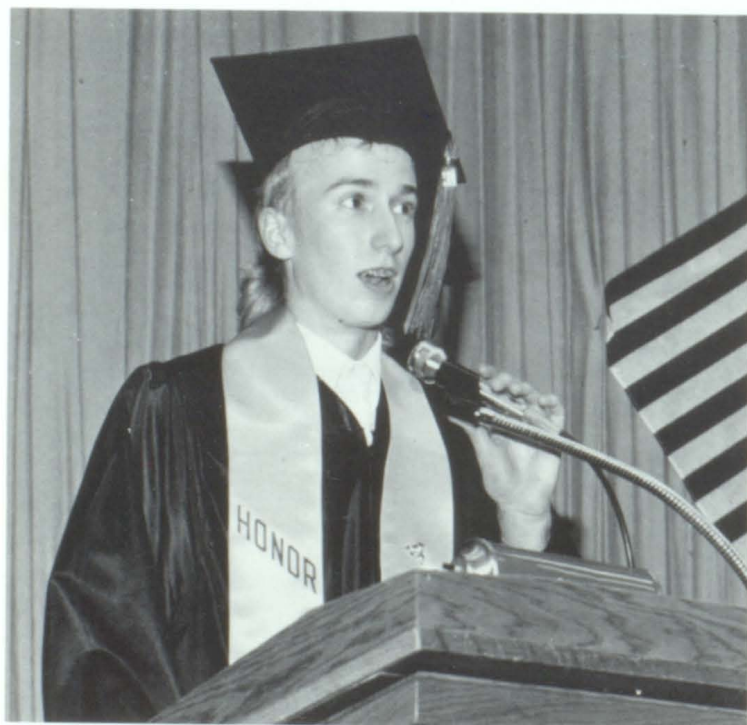

The Class of 1991's graduation ceremony was held on June 2, 1991 in the school gymnasium. The day the class of 1991 was waiting for finally arrived. Yes, it was really time to graduate. Reality sunk in for the grad-

uates on that sticky Sunday afternoon as they realized the immensity of the future and the memories of the past. The procession finalized those thirteen years that they spent together learning and absorbing new

information. After a successful ceremony, the graduates assembled on the baseball field for the traditional balloon launch.

The Class of 1991 released helium filled balloons in their class colors following their graduation ceremony.

Todd Stanhope — Valedictorian

Jessica Bailes — Salutatorian

Todd Stanhope and Shane Betts grin after making it through 13 years together.

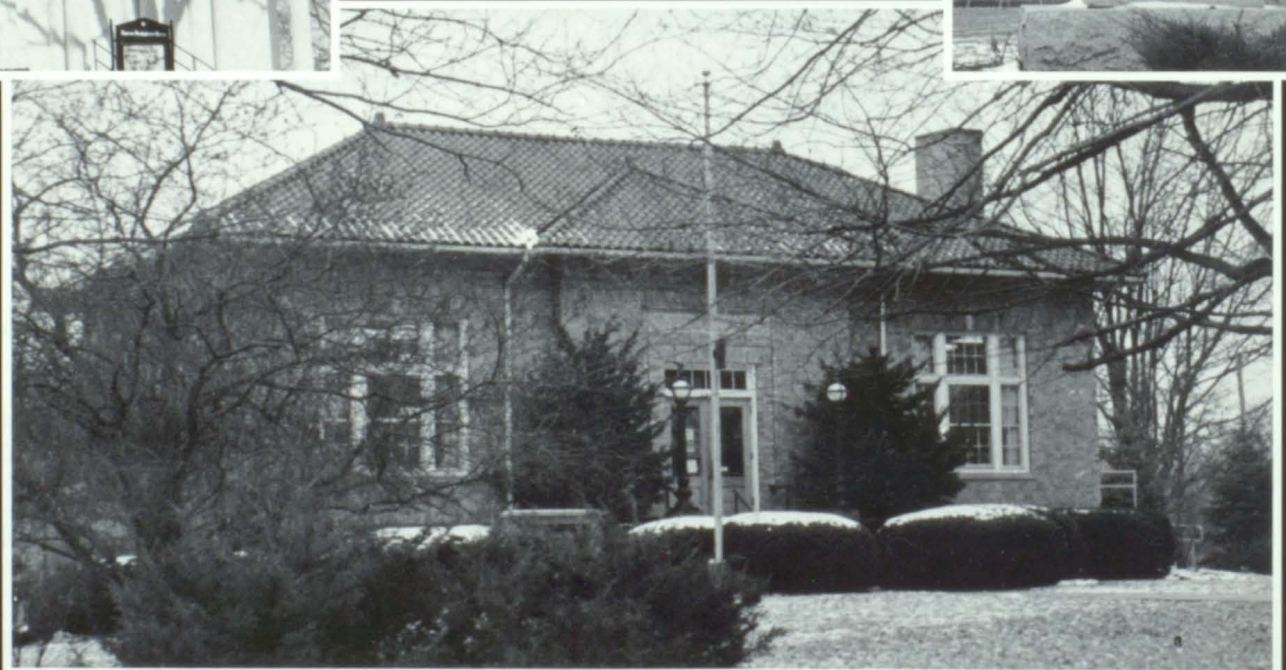

Our exchange students, Alex Gomez, Maureen Cordier, and Magda Ortegon, were proud to be graduates of BHS. They each received flags that were flown over the Capitol.

Jennifer Perry and Michelle Brooks show their emotions.

OUR COMMUNITY

The 1992 Yearbook Staff would like to thank the community for their support of our project. Without your backing the printing of this book would be impossible. Thanks.
