Class History

In the fall of 1950, twenty-one students enrolled in the first grade. Of these students Andy Gill, Rita Fandrich, Ruth Bazilius, Nancy Carlson, Nancy Angstrom, Linda Ring, and Billie Sue Rooks graduated together in 1962.

We were joined by Virginia Williams, and Richard and Doris Pearce in the first part of our fourth year.

When we entered the ninth grade, Mickey Plizga, Dale Morrison, and Arthur Biles joined us from Mesopotamia. We would like to devote this small portion of our annual in memory of Arthur Biles, whom we lost on the last day of school in our freshman year.

The final twelve of us have had thirty-eight class mates come and leave us in all our years of school.

Our class officers for the following years were:

	NINTH	TENTH	ELEVENTH	TWELFTH
President	Nancy Carlson	Mickey Plizga	Ruth Bazilius	Virginia Williams
V. President	Rita Fandrich	Richard Pearce	Richard Pearce	Billie Sue Rooks
Secretary	Betty Szaniszló	Rita Fandrich	Rita Fandrich	Doris Pearce
Treasurer	Doris Pearce	Janet Gozzard	Janet Gozzard	Ruth Bazilius

The extracurricular activities during the years have included the Junior-Senior Prom which we sponsored at the Hotel Ashtabula on April 29, 1961, the musical "Perfect Young Ladies" presented in our junior year, Homecoming on February 10th of our senior year, and also our class trip to Washington, D. C. in May.

With few brains, a great deal of work, and much fun, we succeeded in completing our high school education.

On graduation night, May 18, 1962, the girls wore white caps and gowns, and the boys wore blue caps and gowns. Each member received a pink rose bud, our class flower, and hoped that he could live up to our motto "Forward Ever, Backward Never."

The Senior Class of 1962 have spent many happy years together, and the friendships we have made at Bloomfield will never be forgotten.

Class Will

- I, Nancy Angstrom, will my initiative to do extra jobs for teachers to John Murry.
- I, Ruth Bazilius, will my job at the Brite Spot to Tim Quinn.
- I, Nancy Carlson, will my modeling ability to Millie Venn.
- I, Rita Fandrich, will my musical ability to Merle Johnson.
- I, Andy Gill, will my ability to graduate in 12 years to Stan Klosinski.
- I, Dale Morrison, will my ability to evade all school work and still pass to Lynn Parker.
- I, Doris Pearce, will my red hair and freckles to Barbara Donley.
- I, Rich Pearce, will my romeo ways to Ken Ringler.
- I, Mick Plizga, will all my gasoline bills for Howland trips to my brother, Jim.
- I, Linda Ring, will my quiet ways and polite manners to Ray French.
- I, Billie Sue Rooks, will my ability to remain in my seat and keep quiet in study hall to Gary Hrubik.
- I, Virginia Williams, will all my empty aspirin bottles to Mrs. Ballard.

Class Prophecy

One lovely summer evening in the year 1972, the Hawthorne's were quietly enjoying the evening paper when suddenly Mrs. Hawthorne exclaimed, "Oh, Kenny! Do you remember my Senior Class of 1962? Well, listen to this!

Linda Ring, that shy and polite little girl, is now known as "Lovable Linda with the Luscious Legs," and is making the biggest hit ever at the Roxy in Los Angeles.

Rita Fandrich is now happily married to Liberace, and they dine nightly by candlelight from his candelabra. They are also the proud parents of three lovely children--LIBby, BERNice, and ARChie.

Dale Morrison, the United States Army's most recent astronaut, just made our first successful flight to the moon. But as he is unable to arrange for his return flight, he is establishing residence there.

Now some more news! Ruth Bazilius is the chief warden in the Texas state penitentiary for men. And incidentally, she now has four lovely children--three little boys and her husband.

Doris Hyde (the former Doris Pearce), who always dreamed of becoming a famous dress designer, is now designing dresses for the "7 little Hydes." Well, you can't exactly say her dream didn't come true.

Did you know that there is a jet line between Mespo and Howland? Evidently there is, since Mick Plizga is a millionaire as the result of its existence.

Billie Sue Rooks is now using her bubbling personality, one of her outstanding features, in the shampoo bowl of her privately owned shop.

Nancy Angstrom, who is secretary to Andy Gill, our acting president of the U.S., tells us that Rich Pearce has just been appointed our Ambassador of Good Will. His assignment is to import lovely foreign girls in order to promote better "personal relations" between countries.

And feature this! Virginia Williams, President of that class, has recently broken the world's speed record in racing compact cars.

Fans observed Nancy Carlson coming home from her modeling assignment for Revlon on the George Gobel Show and noticed she was greeted at the door by her husband and their newest arrival, Dickey.
