# Anri Yamura Our Foreign Exchange Student

Hi! My name is Anri Yamuri. I'm from Japan. I've been having a wonderful year with my host families and my friends at Badger. Badger is a very small school, but I think Badger is the best high school in the U.S.A. I learned a lot this year.

Thank you very much Place family, Bresnahan family, Baumgardeners, and my friends at Badger High for everything. I'll never forget you guys!

Delegates (ROW 1):

Jeffery Garlock, Chip Carter, Gabe Cole, Dan Dubelko, Molly Bresnahan, Kate Bell, Kate Miller Alternates (ROW 2):

Ron Brannon, Jeff Martin, Jen Hoffman, Marie Place, Monica Lott

As one of the four delegates to the Buckeye Boys' State this past summer, I would say that we learned the founding principals of Honor, Duty, and Country( some would also say that we learned how to miss girls as well). HONOR, we learned through the disiplined environment and the interdepency we all had among our respective cities. DUTY, we learned as we explored the complex interworkings of our government; duty that we held the key to ensuring its future. COUN-TRY, was plain enough to see in the eyes of the legionaires, for without them and many others like them, the country would not be as it is today. It was an enlightening nine days;

"Nine Days to Shape a Lifetime". Our thanks to the great men that made this all possible.

Jeff Garlock

I'm sure that the week Molly, Kate and I spent at Buckeye Girls' State will be one we won't soon forget. Girls' State is an opportunity where delegates from all over Ohio meet at a college or university and set up a mock government. We spent our week at Ashland University (far from our male counterparts at Bowling Green University). At Girls' State we learned principles of GOD and COUNTRY similar to those learned at Boys' State and how each individual plays an important roll in government through our strict schedules and discipline instilled upon us by the Legion Ladies. We would like to thank the American Legion Aux. and The Business and Professional Women for making it all possible.

The Beta Club is a group of sophomore, junior, and senior students who have worked hard to achieve exceptional academic standings in their high school courses. Each year, members participate in a varied group of activities. This year, for example, we worked with the Toys for Tots program, and held a Food Drive. Also, the students decided to hold a fund raiser selling "Braves" liscense plate frames. In addition to volunteering in these activities, certain members gain the privilege of applying for a scholarship that is unique to the organization. An induction ceremony is held by the Beta Club to honor new students for their dedication to excellence.

Carrie Collier and Heather Rondini help the Beta Club with the Toys for Tots toy drive.

# FOR THE RECORD BOOKS

As a senior, Kurt Ward had his eyes set on a 27 year-old 3200m record held by Bill Miller. Early in the season he broke the record and ended up breaking it many more times on his way to the State Track Meet where he would be one of the last high school athletes to run at the Horseshoe where Jesse Owens ran. (The Horseshoe was torn down in the summer of 1998 to provide more seating in the stadium.) Kurt is presently running for Kent State.

The girls' 1600m relay also set a new school record this year with a time of 4:46. Returning from last year's team were Rachael Bennett and Kate Miller who along with first year runners Corinne Baker and Amber Mariani were able to take down a record set the year before by Aimee Kalas, Aimee Hardman, Rachael Bennett, and Kate Miller. All four members of the 1998 record team will be returning for the 1999 season.

# **Seniors**

1995 was the first time in about 5 years that Badger had fielded a Cross Country Team and of the 20-30 people that signed up six of us started the season (1 guy and 5 girls), needless to say we weren't exactly respected at school (where we were called 'crazy') or at the meets (where we could barely be considered competitive). Over the next three years, our numbers grew and our confidence increased, we became stronger both as people and athletes, and we made friends that I'm sure we will never forget. Cross Country is something that we all put a lot into over the last 4 years. Much thanks to Coach Davis who started us out and saw us through; Coach Sarah who was a great inspiration (especially to all the girls); all the parents; and the junior high team who supported us to the end (red hair and all).

During the 1998-99 Season, The Badger Lady Braves Varsity Soccer Team was motivated by the leadership of eleven seniors. Some who have been playing together since they were six years-old. We seniors were lucky enough to see the girls soccer program develope from a small club sport into an organized school sponsored team. We worked hard to become a respected contender in the T.A.C.-8. Soccer has been an important part of our highschool career.

Next year, we wish the new Varsity and J.V. teams the best of luck, and ask them to keep the tradition of excellence alive.

Exciting, Surprising, and Winning. These are just a few words used to describe our '98 season. Not only were we District III runner's up and Sectional champs, but we were also T.A.C-8 champions, for the first time since 1989. Our team also tied the school record with the most wins in a season at 19, and the nine shut-outs we had weren't bad either. But this year (1999), we're taking it all the way to state! See you around the ball field. (Contributed by: Jenn Hartman, Co-Capt. 1998)
