NOTES: Distances below 10 kilometres are given to the nearest half kilometre; others to the nearest kilometre.

Each distance is listed for one direction only: usually from the place of greater importance.

Capitals are used throughout for places from which additional distances are listed.

In the absence of special indications (see Abbreviations) distances are measured from or to the Post Office, or, where such does not exist, the centre of the place.

Part i of the schedule to the ordinance shall be amended by the substitution of the following paragraph (c) of item 769 thereof:-

"(c) (1) Building materials, equipment, furniture, drugs, dressings, surgical instruments, medical and surgical appliances consigned to hospitals, asylums of dispensaries which are maintained entirely or principally by charitable societies and are certified by the Director of Medical Services to be bona fide hospital, asylums, or dispensaries so maintained.

(11) Blankets, sheets, pillows cases, towels, and patients clothing for use within a hospital or asylum and not for free distributions, consigned to hospitals or asylum maintained and certified as above.

(111) "Ambulances" or "Onasses" intended for ambulances by the provision of local made body work, consigned to hospitals, asylum and first aid societies maintained and certified as above. Any hospital, asylum or society receiving this benefit will be required to give a banker's guarantee against the contingency of ultimate payment of import duty.

(1v) Drugs, dressings, surgical instruments, medical and surgical appliances consigned to first aid societies maintained and certified as above, provided such goods are solely for the use in giving first aid".
