Today was mostly cloudy & windy all day. The temperatures were low about 58° high about 78°. It seemed to threaten rain all day but somehow ~~we~~ we seemed to miss it. I didn't work today. I did go out at 7 AM to open up then came home and ate breakfast. Pearl & I left home at 8:30 AM. We made a round of the lakes south west of town & then took a short drive east of town. This afternoon I went to Honey Creek by myself where I took a nice long walk. I got home at 5 PM & stay home then.

Today was cloudy all day which threatened to rain all day but except for about 15 minutes near Horseshoe Lake we missed it. Pearl & I left home at 7:30 a.m. & headed west for Brown County State Lake near Highland Kansas and from there to Atchison County State Lake near Atchison, Kans. From there we came back to Sugar Lake, then to Horseshoe Lake, Muskrat Lake, Mud Lake, Lake Contrary & then on home for a bite of lunch. After lunch we headed for Squaw Creek & got back home at 6 P.M. Birding at Squaw Creek was poor.

Today was clear & cool but real nice. The temperatures were low about 48° high about 63°. Lee Galloway called me about 1:30 P.M. He said that there was a nesting Woodcock in a wooded area at Missouri Western State College campus. So after work at 3:30 P.M. Pearl & I picked up Mr. Galloway & his wife and went to see the bird. It was Pearl's first sighting of a Woodcock on the ground. This bird must be about ready to hatch.

Today was clear and nice. The temperatures were low about 56° high about 72°. I worked until noon and then as soon as I ate lunch I went to Squaw Creek by myself. Tomorrow is Pearl's birthday so M. Arretta was having a birthday supper for her at 5 P.M. this evening. That is why Pearl did not go with me. I did get home at 5 P.M. just in time for supper.

Today was clear, windy and warm. The temperatures were low about 46° high about 83°. Pearl & I left home at 8 am & headed west in Kansas to Brown County State Lake near Highland Kansas. From there we went down to Atchison County State Lake near Atchison Kans. From there we went to Jackson Park in Atchison Kansas where we ate our lunch. After leaving there we drove into Missouri where we drove by Sugar Lake, Horseshoe Lake, Muskrat Lake, Mud Lake and Lake Contrary. From there we came home at about 3 P.M. I stayed home the rest of the day. Today was Pearl's 57th birthday

Today was mostly clear and warm after an early morning fog. This was another one of those ~~very~~ real busy days at work. I did take enough time from work to drive out to the One Hundred & Two River to eat my lunch. Then this was my evening to drive to Helena, Mo. So all in all I had a very decent day except for being real tired. Temperatures today were low about 49° high about 77°

Today was partly cloudy with just a few showers, nothing to really bother our birding. The temperatures were low about 53° high about 71°. I got up at 5:30 a.m. & ate breakfast. Si Rositzky was to pick me up at 7 a.m. and as I had extra time on my hands I prepared breakfast for Pearl because it was Mother's Day. Si & I banded 7 a.m. until 10 a.m. while he went to his office at 10 I banded with Pearl until about 12:30 P.M. Si, Morya and Mr. Phillip Auff picked me up at 1:30 P.M. We banded then at Honey Creek and Squaw Creek. We banded on our way home down the River Road to pick up the Chucks and Whips. We got home at 9:30 P.M.

Today was clear and warm. The temperatures were low about 47° high about 76°. I took my birding gear to work with me today and at quitting time I drove directly to Squaw Creek. My plans were to meet Mark & Dave there. I stayed until 7:30 P.M. and never did see them. I don't know if they ever come over to the refuge or not.

(over)

Today was Clear & Warm. The temperatures were low
 about high about . Pearl & I left home at 6:30 A.M.
 & stopped by the Wholesale to open up for David Freeman
 who was to work for me today. We then after a short
 run east of town headed for Squaw Creek where we
 arrived at 8 A.M. A spring meeting of the Missouri Audubon
 Society (really a field trip) was being held there. We had
 a disappointingly small crowd. During the day there was a
 total of 18 Birders there. Dave Easterla and Mark Robbins
 were to be the tour leaders but Pearl & I turned out to
 be leader most of the time. Except for the Robert
 Hoerns from Rolla, Mo. Pearl and I were there the longest.
 From 8 A.M. until 8:30 P.M. The eighteen birders were Pearl
 & I from St. Joe, Dave Easterla, his two boys Todd & Dave Jr
 and Mark Robbins from Maryville. Robert Hoerns, his
 wife Vivian, their two girls Teresa & Peggy, Helen & Bill
 Calhoun from Springfield, Mo, another couple from Versailles, Mo
 Dick & Mitzie Ambleson from St. Louis, Mo, Bertha Massie
 from St. Louis, Mo and (? Linn or Len) Robinson from
 Australia. We were very happy to be able to show Mr
 Robinson a few life birds. Mostly in the shorebirds.
 We plan on going back tomorrow afternoon. Maybe some of
 the Kansas City birders will be there then.
 The Calhouns of Springfield live at 1902 East Hetra.
 Their Phone number is 881-5502
