Dear Sir

i thought i would drop you a letter
to let you know that i have the following
old curios things
1 a pochy of flat Shape good size with
some kind of skin button in it very old
and curios + 1 ather one Round without
handle very old & fine specimen a pochy
maker also have 10 neckties made
from soap weel By the a pochy indian
years ago when they were on the war path they
were found in an old cave close to this place
also 1 flint spear on a stick very old
& curios. Now where these goods was found
they also found an indian Decade or dried
up. But it was sold to some El Paso parties
i also have an old ~~iron~~ grinder stone that was
found in the same place now the above are all
fine old specimens i also have 2 old Buffalo
hide Jarugo or indian Dance Rattles But they are
not as old as the above things nor was not found either
i just picket them up here they are in this shape
With stones small ones in them.
Would you like for me to send them for
your inspection Yours Bt H D Letton
