315 Francis St.,

St. Louis, Mo.

Dear Sir:

Your letter of July 31, enclosing check for \$5.00, is received. I note what you say in regard to the kind of baskets desired and will do the best for you I can. It may be some time before I can get the baskets, as they are usually sold about as fast as they are made, and I may have to have them made, which, of course, will take some time.

Very respectfully,

E. J. East

Superintendent.
