Dear Sir,-

Answering your letter of some time ago, in regard to what else I have to offer. I have no more copper stuff as I have sold it all, but expect some later on as my partner is up North, now, collecting Curios of all description. I have most all kinds of Curios of the Esquimaux, and if there is any thing you are interested in, I would be glad to furnish it, at reasonable price, and would be glad to hear from you any time. I will send the Arrows if you want them at the price I made you. I have three large Musk-Ox horn spoons at \$10.00 each, from Coronation Gulf, brought down with the Steffinson out-fit, also.

Thanking you for your letter, I remain,
Respectfully,

Capt J C Smith
