

Vol. II pg. 9 H

Las Cruces N M Jan 9th 1918
Mr Harry L George

Dear Sir

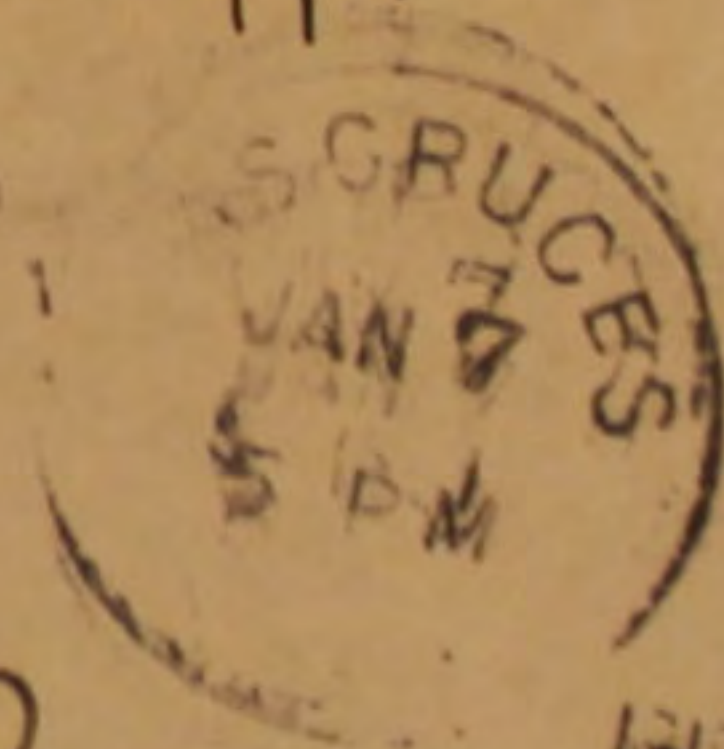

Your letter received Will send goodly
But i want to mention one other thing i can get
for you. Well it is a Mastaden Jaw Bone with
one large tooth in it. The tooth is $6\frac{1}{2}$ inches long on
Top of ~~the~~ tooth $3\frac{1}{2}$ inches wide & 3 inches from Top of tooth
Down to the Jaw Bone. The length of the Jaw
is 13 inches long 12 inches from Top of tooth to the
Bottom of the Jaw Bone is 12 inches the whole
thing weight $19\frac{1}{2}$ pounds. it is a gray lime
color. it was found in the Rio Grande
River close to Las Cruces N M. The man that
owns it wants \$65.00 for it. if you are
interest in it at that Price i will get it and
send it to you. So let me know as soon
as possible. Now as to the Petrified Indian
i told you about i dont know if i can ever
get track of it or not. it was sold to El Paso party
Before i came here. But i will see some parties
and try to find out who got it may be the
School of Mines of El Paso Texas got it

Yours Truly
