GENERAL COMMISSION MERCHANT

Mr. O. H. Lipps,
Nez Perces, Agency,
Lapwai, Idaho.

Dear Sirs:

Many thanks for yours of August 10th. I am enclosing New York draft for $500 and you may send me the very best possible specimen you can secure for that price. I have a Umatilla, I do not know whether the Nez Perces are any ways like them or not . In regard to the cook basket will state I have a Klamath cook basket in which they cook acorn meal the same as described by you though I would not object to a Nez Perces if same could be had. The Harvey collection at Albuquerque is one of the most noted in the United States . No expense appears to have been spared upon the same. A friend of mine engaged in this business in California told me that he recently sold them $2000.00 worth of baskets, which under any conditions would be considerable. Thanking you in advance for anything that you may do, I remain,

Yours very truly,
