

DEPARTMENT OF THE INTERIOR,

UNITED STATES INDIAN SERVICE,

Wittenberg Indian School,

Wittenberg, Wis., Sept. 8, 1908.

Mr. Harry L. George,

315 Francis St.,

St. Joseph, Mo.

Dear Sir:

Replying to your letter of the 4th. instant, it will be all right for you to change your order and to cancel your order for a waste paper basket, as it has been impossible for me to find any of the Indians at home around here. They have gone to the southern part of the state to pick cranberries and so I will not be able to have your baskets made until later in the Fall. These Indians all go away in the latter part of the summer and Fall to work in the cranberry marshes and the potato fields and will do no other work. I have had only one basket made so far.

Very respectfully,

*E. J. Root*

Superintendent.
