Mr. Harry L. George,

201 Saxton Bank Bldg.,

St Joseph, Mo.,

Dear Sir:-

I am just home from my extended trip among the Indians, and am more than busy unpacking, cleaning, classifying and photographing Baskets and other material secured. I cannot possibly finish this work before the 1st of November.

As my buyer-Mr. C. S. Hartman- is obliged to make an Eastern trip, leaving here next week, I want him to stop and see your Collection on his way East. Upon receipt of this letter kindly wire me, at my expense, if you will be in St Joseph from the 6th to the 10th of October.

Very truly yours,

Grace Nicholson.
