For the Hawk Owl listed for Iowa on January 30, 1982 I am happy to state that I saw this bird within the City limits of Waterloo, Iowa shortly after 11 am. on this date. There were five of us in this one group. There were Leo Gallaway, Mike McKenzie and myself from St. Joseph, David Easterla from Maryville, Mo and Ross Silcock from near Shenandoah, Iowa. We rode from St Joseph to Corning with Leo Gallaway. There we met Ross Silcock and as he had a larger auto we went the rest of the way with him. We left St. Joseph at 4 AM. and arrived back in St. Joseph at 7 P.M. We drove somewhere near 630 miles for the day.
