This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There is no handwriting or other markings on the paper.

[illegible]

Wilson's Warbler

COMMENTS:

The entry 10/14/62 marvel Ali, was at Pearl's sisters home in the south eastern part of St. Joe near the south end of the belt hwy in a group of trees in a pasture by a pond.

[illegible]

Bobolink

Bobolink

[illegible]

COMMENTS:

The early record of 4/29/56 at Squaw Creek was first seen and called by Ben King as I recall now 2/18/86 if it was a Bobolink it was either a ♀ or a ♂ in winter plumage. I should not have listed it as I would not have identified it as a Bobolink.

Baltimore Oriole

[illegible]

COMMENTS:

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no vertical margin lines or other markings present. The paper appears to be a standard piece of stationery used for writing.

COMMENTS:

The 8/30/61 record here makes me wonder. Right now 2/18/86 I would not bet that it wasn't a young male Redwing.
