Mr. George -
My dear Mr. George

This morning I received a letter from you about the baskets - It is the first one I have received. The hydant hat & the skokomish basket I sent this morning by express - The hat is 5⁰⁰ - The other 12⁰⁰ - Your first letter must have gone astray, but perceiving your fondness for baskets I held them for you - Just received some new good luck baskets from Alaska - Do you want any
hoping to hear from you soon

I am sincerely
