Best and most surprising birds today were Red-bellied duck (male), possibly a cripple seen swimming about 50 feet from bank in back water near Lake Contoosy. Chuck will, widow heard about 8:30 PM. near my sister-in-law's home near Jauceth. Noted Blue Grosbeak on Highway 71 about a mile before reaching my sister-in-law's home.

Partly cloudy & warm. Temp about 65° to 83°. But very humid about mid day. Spent about an hour at KP. Bob Brown and I then drove to Trimble about 2 P. M. & got back home about 7:30 P. M. At Trimble they were having a Canada Goose roundup for banding so we met several of the Commission men there.
