Image of St.Joseph.of Arimathaea, taken fr-- "Morado",or church of the Penitentes,near Taos,N.M.

According to some of the Disciples he was recognised as one of their number,while according to others he was a disciple "in secret,for fear of the Jews", but it is generally recognised that he assisted in burying the body of Christ.

It is logical to assume that the Penitentes look upon St.Joseph as their Patron Saint,as their own acts and ceremonies are conducted,as far as possible,in secret.
