Aug 24

Aug 25 –

Aug 26 New patient on PT – Maggie Barker. Nannen resistive while trying to straighten legs. All patients exercised + walked.

Aug 27 Paul here. Orders given on Maggie Barker. Grace Minton walked well c stationary walker. Francis Reader complaining of numbness in hands. Rita Berg exercised fairly well, a very

demanding patient. X rays on Rose Acks and E Thel Nauman returned today. Rose - unhealed while E. Nauman shows healing. Pearl Mathews left leg seemed redder + tight & swelling this a.m. Placed in whirlpool. It looked much better last P.M., also Mon.

Aug 28 - Charts pulled from ~~the~~ folders on P-5, P-6, P-1, P-3, P-4 Evaluation made. James Willard B/plow. He is in bed too unsteady to walk. All pts walked and exercised.

Aug 29 - Grace Miller continues to yell whenever we touch her. Not just her fx. leg but both. Maggie Barker walked - limps. Complained of leg being stiff. Carol Sue Larabee refused to come down. Started 7 Readers in whirlpool. Margaret Leicht didn't come over this morning for whirlpool. Mr. Willard still kept in bed. Marlene here in P.M. All patients seen.

Aug 30 - Maggie Barker seems to be improving. Carol Sue Larabee in bed. Edna Nannen sat up in chair. Legs still continue to draw up.

Aug 31 Sat.
Sept 1 Sun.
Sept 2 Holiday

Sept 3 Nannen going to surgery tomorrow morning for tooth extraction. Maggie Barker knee stiff at first, did better after walking aways. Mr. Willard

up, but weak. All pts. walked + exercised - Paul here 11 AM.

Sept 4 Mary Williams walked well. Frances Reader improving. Alice Nae complaining of knee hurting. Anne Austin upset, talking about having buried her brother yesterday. Unable to walk Marcheta. Drowsy most of time.

Sept 5 - See Withers - G-6 Pauline Shaw G-3 (stiff rt leg) considered for a nursing home. Ask Darlene about Maggie on P-7. James Willard up + walking again Bp better. Annie Austin weeping, loss in past but believes it has been recent happenings. See 2 pts on M + S I. They are Clio Hannah and Margaret Smith. Darlene Mayer P.T. here. Requested that Maggie sit in rocker and use a sta. walker instead of wheel chair. Mrs. Shockwilder P.R. wanted it taken away as soon as possible because she was becoming so dependent upon it. All new pt. evaluated by Darlene. Orders written as to procedure + care. Mon from Social Service on P-2 in P.M. interviewing Rita Berg for a nursing home. Sta walker given to Mamie Nauman. Tried to use sta. walker with Ethel Nauman but she can't seem to understand how to use it. She walked about ten feet scooting it, then turned and tried to sit in it. Will try later when she is stronger + does not feel the need to rest often.

Sept 6. – Had Mamie Nauman use stationary walker, will return it to her Mon. when I am back to help her, she has some trouble getting up yet. Six evaluation sheets put in charts on P-2 – Roe, Miller, Moore, Minton and Westerhouse. Sheets for pts. received yesterday, filled out and placed in charts. Dr. Pe ordered 7 P-2 and asked to see some of the pt. walk. He was given a list of pt. we believe are ready for nursing home or transfer to an up ward.
Received Beryl Buckly on Emg. unable to try to stand her as she is confined to bed on a liquid diet, usually tube fed, overall weakness. I was told by Dr. Pe that Rose Ackes is going to have an operation so he is going to keep her on ward for the time being. Maggie on P-7 is doing well ē stationary walker She has accepted it better than she did yesterday at first.

Sept 7 - Sat
Sept 8 - Sun

Sept 9 - Bertha Boone upset but walked. Francis Reader walks ē walker quite a lot. Alice Roe stood but complains of pain in hips and spine. Rita Emg to M & S II for teeth extraction. Nauman has very high blood pressure. Withers exercised actively but would not let us exercise him. All pts. exercised and walked.

Sept 10 Paul here. We are to continue ē Carol Sue for another week. Pearl Matthews trans from P1 to Park 8., but we are

to continue whirlpool treatment 1 x daily. Unable to walk Bertha Boone as she was put in side room. Discontinue Wm Chapman, Orville Wakeman, Walter Minki P. 5. also James Willard, Mr. Mrdjenioure P. 6. We are to check on them 1 x week.

Sept 11 Mrs O'Connors R.N. referred Barbara Davis to us. Darlene to see her Thurs. Sylvia Mullins Xray back. Dr. Pe said we can start walking her. Maggie Barker doing well with stationary walker. Wanner resisting, we did manage to get the legs fairly straight. Pearl Matthews legs swollen. Margaret Leicht left leg swollen this A.M. Grace Miller has decubitus on left leg. Dr. Pe. wants Ed Clausen re-evaluated.

Sept 12. Attendant on P. 6 told us this A.M. that Mr. Withers had walked 5 assistance from his chair to the table to eat his breakfast. New patient Bessie Drury, P. 3. Darlene here in P.M.

Sept 13 Started Bessie Drury P3 in whirlpool. Sylvia Mullins stands, but cannot straighten either knee. Ed Clausen has a very negative attitude toward passive exercise. Barbara Davis walked fairly good. Attendant said she had her knee lanced. She was very cooperative. Pauline Shaw gets up in A.M. before we get here. She evidently gets out of bed herself, also dresses self.

Sept 14

Sept 15-

Sept. 16 - Grace Miller Transfered to P1 9-13-68. Pearl Matthews legs + feet swollen. Mrs. Schorchweiler R.N. notified. Edna Nannen up in chair. Rita Berg still in bed. Walked Maggie Barker 5 walker. She still favors her bad leg. Bessie Drury's leg looks about the same. Mamie Naumann trans. from P. 1 to P 4. Mrs Willard locked in side room. Very disturbed. Barbara Davis has such a poor walking pattern. One foot over steps the other one. Knee better. Excessive drooling at mouth.

Sept 17

Paul here in A.M. We are to start whirlpool on Maggie Barker. Nannen transferred from M+S II to P. 2. Bertha Boone seems some better.

Sept 18 - Francis Reader walking well 5 walker. Pearl Mathews legs + fet still swollen. E. Nannen has a very stiff left wrist. Also a very negative attitude, does not wish to get out of bed at all. Maggie Barker seems to be able to walk but does not wish to give up her walker. Grover Via has a stiff ankle and knee but will not cooperate when asked to exercise. Robert Withers very hostile toward exercising. Bessie Drury does not look any better, open sore on ankle bone seems to sup more. Bertha Boone asks to go to toilet now and is

eating some but still weak and unmotivated toward walking or doing anything but sit.

Sept 19 Start Grace Minton in whirlpool V.O. Dr Pe. Decubitus on Grace Miller Rt. hip about 4 cm. in diameter, also sm. place on left hip. Daisy Deaton seems weaker. Rita Berg up in chair. cooperated well.

Sept 20 Dr. Ames on ward to see Edna Nannen. She mentioned it was a hopeless case, but to continue to exercise her another month. She wants hand splints put on her at night. Dr. Ames mentioned that, "Edna had Rheumatic fever in the past (when she was young). This condition had been coming on for the past 12 years. This last stroke was a bad one." more

Bessie Drury's ankle doesn't look any better. Pearl Matthews left leg looked purpley red & glassy & also swollen. Barbara Davis did a very poor job of walking. Grace Minton very upset while we were giving her a whirlpool treatment.

Sept 21

Sept 22

Sept 23 Bessie Drury's ankle looks much better this A.M. not supy as it has been. New patient Cot. P. 3 — Ed Clausen does not like to be exercised.

Maggie Barker does not want her walker taken away from her. She can walk without, if she wants to.
Rita Berg stood without putting any wt. bearing on rt. leg. She was in a good mood, very cooperative.
Barbara Davis continues to have poor walking pattern. Pearl Matthews legs looked better. Neither were swollen this A.M.

Sept 24 New pt. Jones to be trans. from P.1 to P2. Cecile Turton trans. to M+S II Fx. R. hip. Anne Austin & her got into it over a fly swatter.

Groups through on P2 @ 10:30. from smith under right Did passive ex. to upper & lower extremities on Margaret Smith. She is still in bed. Barbara Moore asked to be taken to the bathroom today. Mr. Sortter unable to stand or walk as he had been sick at his tummy. Dane Carnell exercised better today. Said his arm wasn't so stiff. He could put the back of his head before he couldn't.

Oct 24 Leon Riley expired. We are to start Pauline Shaw in whirlpool tomorrow V.O. Dr. Pe. Darlene to evaluate Mrs. Wright M & S II. (shoulder) Barbara Moore seems much more alert. Darlene here. Mrs Wright is to get gentle passive exercise only to left arm, from the elbow down.

Oct 25 All patients exercised. Manners up in chair. Was able

to keep head up fairly good. Dr. Pe V.O. that Mrs. Wright was walking before she broke her arm, so we were to continue walking her.

Oct 26 Sat.
Oct 27 Sun.

Oct 28 Cleo Hannah walked very well. Havanah Cox walked better than usual, so did Daisy Deaton. All pts. exercised and walked Two groups through this A.M. Dane Carrell complaining "that hurts" while we were exercising his left arm.

Oct 29 Paul here. He advised that Nannen was not to have restraints on legs. Dr Pe signed order on Dr. notes. Pauline Shaw refused to have whirlpool. Myrtle Wright very unsteady and shaky while standing here. Unable to walk. We are to start exercising and walking Mrs. McFadden P3 by order of Dr Mundy. Margaret Smith still in bed, very weak.

Oct 30 - We are to do passive exercise to upper extremities on Etta Hambuck P.I. V.O. Dr Pe. Pearl Matthews legs & feet swollen. Pauline Shaw walked c walker c maximal assistance about 7 ft. Patient very difficult to walk. Did passive exercise to Margaret Smith. She screamed the whole time we were exercising her.

Oct 31 Etta Hambeck exercises better actively than passive. Myrtle Wrights arm seems better. Will not take steps, just shuffles feet while trying to walk. Alice Noe stands much straighter, she also asks to be stood. Dave Carrell very negative about exercising.

Nov. 1

Edna Nannen wrist and fingers seemed stiff. Turton keeps her legs in good alignment. Barbara Moore to tray after falling out of chair. New patient Frances Williams on M+S I. She has multiple sclerosis. Paul + Marlene to evaluate her tomorrow. Edna Nannen up in chair. Shoes for Ethel Loty taken in on the ward + given to her this P.M. Picked them up from Mr. Forbes this noon.

Nov 2 Sat Marlene + Paul here

Nov 3 Sun.

Nov 4 Rose Ache transferred to Sexton nursing home. Before setting up a home program for Frances Williams, Dr. Kratz wants to try to talk her husband into letting him transfer her to GH 2, so she can have therapy everyday. If the husband isn't willing to do this, we will set up a ~~outpatient~~ home program. Mr. (New) here to inspect our walkers. He is going to send us two new seats + new types of hinges, which he claims are more sturdy. Mr New had already consulted with Mr Farrar

Mr. Williams hasn't decided as yet what he will do about treatment for his wife. Francis Williams trans. to O.U. 3 this P.M.

Nov. 5. Paul here. Exercised F. Williams & she sat upon side of her bed for a few minutes. Sat very erect. E. Lotz will have to practice with the walker. Pearl Mathews right ankle very badly swollen & she has been scratching both legs. Barbara Moore complains of bottom of her feet hurting when she walks.

Nov 6- All pt's. exercised. E. Lotz does a good job sitting down but very unsteady getting up. New pt. on M+S. F named Mr. Davis. He must be helped to walk. He walked about 20 ft. with a walker. All pts. seem about as usual. Francis Williams was up in chair for one hour. She seemed to tolerate it well but complained of being stiff. Myrtle Wright too shaky and unsteady to take any steps. She did stand. Her arm seems better.

Nov. 7 Frances Jones fell out of bed, hitting head. Required several sutures to close wound. Frances Williams home. Will be in 3 X week for therapy. Mon. Wed. Fri about 10 ~~00~~ AM. Ethel Lotz is very jerky and unsteady when she uses a stationary walker. Trover Via's X ray back shows that good healing as yet some 5 months after injury (10-25-67) Cecile Turlon very upset. Pearl Matthews in bed today. Bessie Drury had a fever.

Nov. 8 Myrtle Wright transferred from M+S to G+2. Start Barbara Moore in whirlpool. New Pt Nov. 7, Mr. Harold Mooneyhan. Pearl Matthews still in bed. Margaret Smith continues to be a bed patient. We do passive exercis & both upper + lower extremities. She screams all the time we are exercising her.

Nov 9 Sat.
Nov. 10 Sun.

Nov. 11. Walked Ethel Lotz several times. She just doesn't retain any of the right way to walk in the walker. She will for a few steps and that's all. Next time you still have to repeat over + over. She does a good job of sitting down, but not in getting up. Bertha Boone really upset. F. Williams come in at 11 Clock for treatment. She cooperated better than I thought she would. Put her in the Elgin chair, also bicycle, also active + passive exercise. Havanna Cox to nursing home Sunday.

Nov. 12 Bertha Boone left in bed, as she had fallen last nite. We could not walk Mr. Davis as his blood pressure was real low. Ordered 75 lbs. of wts. for Elgin chair @ $33.75.

Nov - 13 Francis Williams come in. Has a very negative attitude. Complaining a lot about being tired. Requisition turned in to Mr. Ferra for the wts. Bertha Boone taken to Xray. Mr. Davis

still in bed and ill. Barbara Moore very difficult to put in whirlpool, she keeps trying to slump out of chair by pushing her feet against the bottom of the tub.
All pts. walked and exercised.
New patient on 9W2 Eleanor Alexander. Transferred from P.T. She is to have P.T. V.O. Dr. Pe. Encourage walking - very unsteady - falls a lot. V.O. Mrs. Barnes PAH

Nov 14 - Mr. Davis at M+S is better, we are to continue c walking him. (V.O. Dr. Pe.) New pt Mr. Shanks c cast on arm, we are to encourage walking him. Bessie Drury on P-1 is doing fine. Her ankle looks nearly healed and she is walking better. Margaret Smith is not able to be up. Eleanor Alexander walked c walker, also c walker. Virginia Bias did a very poor job of walking.

Nov. 15 Walked Mr. Davis but he was very weak. exercised all pt. and walked them. Received four new pts. by order of Dr. Pe. Francis Williams came in. Her husband can not get her to do any active exercise but she will now try to turn over.

Nov. 16 Sat.

Nov. 17 Sun.

Nov. 18 - Dr. Pe wants Mr. Crumpley to have whirlpool daily. Frances Williams in for treatment. Complains of being tired. No progress. Stationary walker returned from P.T. Dr. Deconinic told Mrs. Barnes

attendant to take it away from Maggie Barker. Maggie is walking w/ any assistance. Addie Polston very negative attitude. Elanor Alexander walked about six steps and sat down on floor, she eased herself down. She got into chair and appeared to be sleepy. All pts exercised and/or walked.

Nov. 19 Paul here Group thru ward - from Excelsior Springs. Unable to work with Mr. Hines. We had to have a chat as he was terribly combative. Started Mr. Crumpley in whirlpool. Started Pearl Matthews in whirlpool again. Her legs look some better, but she complained of them hurting.

Nov. 20 Shanks exercised, Mr. Davis walked better but didnt straighten up as he should. Daisy Keaton seemed weaker. Addie Polston really hostile, exercises fairly well. Mr. Hines on P-6 sent to M+S a pneumonia. Bertha Boone unable to walk. Francis Williams did not come in today. Her husband said she is not feeling very well. Ethel Lotz is not improving her walking very much.

Nov 21 - Darlene here. Pearl Mathews is not to have whirlpool for a few days by order of Dr. Vaccanini. Bessie Crumpley ankle healing well. Bertha Boone

is sitting up and tolerates passive exercise but will not exercise actively. Her feet are very sore from her rubbing them on her sheet. Mr. Allen restrained in bed with light to his decubitus ulcer. All pts exercised and walked. Tour of students from Mo. Western through the ward, CH 2.

Nov 22. Francis Williams came in. She stood on tilt table for 5 min. She was not wearing her eye patch and did much more active exercising on Elgin chair. Dr. Pe referred a pt on P. 6 for the whirlpool, Oliver Anderson. Virginia Bias does a very poor job of walking. She seems very limp, unable to do much active exercising.

Nov. 23

Nov 24.

Nov. 25 - Frances Williams in for treatment today. Has a very negative attitude. Complained of being tired. Would not try to help herself. Started Oliver Anderson in whirlpool. New patient on P 5 Winters. We are to help him walk VO Dr. Pe. Margaret Smith to be discontinued VO Dr. Pe. Ck. orders on Stella Livingston's attendant reported that Dr. Pe wants us to try to walk her ē the walker. Bertha Boone very bad, striking head ē hands, groaning, moaning continually. Mr. Davis didn't walk as well as usual today. Two new pt at M+S II Mrs Littlefield + Mrs Henderson M+S I.

Hines expired (not for sure on this date?)

Nov-26 - Tues. Gaul here. Belts ordered for tilt table. W.C. ordered for Elgin chair. Mr. Mooneyhan on M+S I trans. to CM 10. Mrs Shanks M+S II critical.

Nov 27. Mr. Schanks is better today. Mr. Harris seemed weak. Has a very poor walking pattern. He will not straighten his back. Alice Noe is supposed to go to a nursing home Friday. Frances Williams in for treatment. Stella Livingston does a good job walking in stationary walker by self. She really has the desire to want to walk also. Stationary walker given to Stella Livingston by Dr.

Nov 28 Thanksgiving Holiday

Nov 29 - Margaret Smith expired. Alice Noe and Etta Harnbeck trans. to nursing home in Gower. Jane Carroll still has a negative attitude. He is always sitting in his chair asleep whenever we see him. We ask him why he doesn't go to O.T. He says "I don't want to". Left elbow seems a little stiff.

Nov 30 Sat
Dec 1 Sunday.

Dec 2 - Tittlefield cooperates well. Everyone exercised. Anne Austin in bed today. Cleo Hannah is

walking by herself. Mamie Rhodd very upset. Dr Pe seemed to think Mr. Crumpley's heel was better. Williams did not come in for treatment.

Dec 4. F. Williams didn't come in for treatment. Mary Williams walked better today. Marcheta Sparks more alert and walking better. Mr. Willard back on P. 6. We are not to exercise him until his Xrays come back. Havannah Cox returned to P3. We are to exercise and walk her V.S. Dr. K. Mr Winters walks well by himself. Everyone exercised.

Dec 5 Oliver Anderson transferred from P6. to P.13. Made out a new P.T. record and put in C. Sanders ward chart and there wasn't one in there. Grace Miller on critical list. They have been giving her blood transfusion. Marlene here.

Dec 6 We are to give M. Littlefield whirlpool treatments starting Mon. Dec. 9. F. Williams did not come in for treatment.

Dec. 7 Paul here. We are to start Butler + Isnell M+S 2 on Mon. Dec. 9.

Dec 8 - Sunday.

Dec 9. Ruth Schmeal walks c a stationary walker. Mr. Shanks ~~expires~~ Sunday. Mr. Davis was put back to bed so will walk him tomorrow. All pts. walked and exercised.

Dec 10. Paul here. Mary Littlefield recieved from Mrs. Erickson recd. from P-12. Ulcer on leg. Whirlpool & bedrest VO. Dr. Pe. All pts. walked and exercised. Mr. Davis still in bed so we could not walk him. We are to discontinue Grace Miller - P.T. We are to start walking R. Berg VO Dr. Pe.

Dec. 11 Rita Berg walked c walker about 10 ft. Very good walking pattern. Started Cora Erickson in whirlpool. Walked Mr. Davis approx 30 ft. Did well. Ethel Lotz did a terrible job. Would not put rut on walker which made her very unsteady.

Dec. 12 Ruth Browne on ward to visit. She returned to DW building. Marlene here. Rita Berg walked well. Dave on D-5 is ill.

Dec 13. Grover Crumply's bed nearly healed. Ethel Lotz walked much better today. She did a good job of getting up and sitting down. Cora Erickson's leg looks better. She is so short we put her walker by side of whirlpool instead of at the end. This way the water gets on the front of her leg better. She is rather

hard to communicate with as she is mute. We tried writing her a note but could not tell by her expression whether she understood. Bessie Bruce's rt. ankle nearly healed.

Dec 14 Sat

Dec 15 Sun

Dec 16. Rita complained of her rt. leg hurting. Didn't walk as well as usual. Grover Crumpley's head is nearly well. Mr Davis walked better today. Still uses the walker however.

Dec 17. Paul here. Erickson's leg looks better. She was upset today but allowed herself to be given the whirlpool. Nothing unusual to report.

Dec 18. Mr Mc here to fix the walkers but they had not sent the hangers to fasten the seats on with. I have put the 2 seats here in the office. He will be back as soon as he can get the hangers.

Dec. 19 Harlene here. All patients exercised and walked. Mr Davis seemed weak.

Dec. 20. Turton fell, apparently not injuring herself. (On ~~weight~~ apt. to slip).

Dec 21 Ericksons leg didnt look as good as it did Fri. She has been on her feet quite a lot and her leg is red. Grover Crumply's heal is well Andersons foot looked much better. Oxe place completely healed and the other place is much smaller & healing. Grace Miller expired.

Dec 24. Paul here. All pt. exercised and walked. Nothing unusual to report. New pt on M&S.I. She has had pneumonia but is not getting up yet. She is Verlinda Bowlind Put Grover Crumply in whirlpool 3x weekly. V.O. Paul. Bowlinds legs both contractured.

Dec 25 Christmas

Dec 26. Andersons foot is healing. May discontinue George Dallas. Cora Ericksons leg very red.

Dec 27. All pt exercised and walked. Nothing unusual.

Dec 28 Sat.

Dec 29 Sun.

Dec 30. Mr. Davis seemed stronger. Cora Ericksons leg doesn't look any better. Dr. Munday wrote an order to exercise Myrtle Willis legs. Velinda Bowlinds legs very stiff and she pulls back when you try to exercise her.

Dec 31 - Mr. Davis was kept in bed so we were unable to walk him. Elizabeth Butler can't understand about no wt. on injured leg so we aren't walking her yet. Bertha Boone very upset, tearing off her clothes as fast as the girls put them on. Bessie's ankle are much improved. Erickson's shin looks much better, not as red today. Henderson on P-4 does a good job of walking. She is a very cooperative & pleasant person. Daisy Dalton (P-3) leans back more, she almost has to be pushed.

Jan 1st. Holiday - 1969

Jan 2. Verlinder Bowland has an elevation instead of 98 Mrs Watson R.N. requested for us not to work w her for a while. Anna Smith in bed w congestion, she sounds terrible. Annie Austin could hardly sit up in her chair. B. Boone still disturbed. Mr. Davis walked well but does not stand up as he should.

May 23- Ellen Higgins went to E.K. 6 but they were unable to get their machine to work. She had to have a shot to calm her so she has been sleeping most of the day. Her left hand and wrist were swollen & she has been removing her splint. Attendants removed 2 rings from left hand.

May 24 Sat
May 25. Sun

May 26 Mon. Dollie Magee P-14 has been trans. to P-11. She is 84 yrs. Jag and confused (medication?) They have her restrained to a chair and she

keeps untying herself. She stumbled & walker attendant said. Although there on P-14 she seemed to be doing a fairly good job by herself. Myda Kelly demanding to go home to Maitland and has been up trying to get out of doors. We are to put Killian, P-5, a diabetic & a sore heel, in whirlpool a.c. Dr. Pe. Barbara Moore has been put to bed & lower back pain and rectal problem.

May 27, Received our 2 pair of crutches. The adult pair are at M+S II to be used by Janet Rogers. She walked well + seemed to have a more alert mood today. Cecile Turton got out of her restraints and walked 50 ft. into the bathroom & no assistance. V. Bias called & Turton was tottering + just about to fall.

May 28 - M. Killian enjoys his whirlpool treatment. New pt on C.U.2 to be evaluated Tomorrow. Bertha Boone trans. to C.U.I.

May 29 - Manuel Salcedo walks & his walker and can take care of his own needs. Austa Payne likes to walk outside. She can walk & using her cane.

May 30 - Fri

May 31 - Sat

June - 1 Sun

June 2- Janet Rogers is using the stationary walker by order of Dr. Pe. We brought the crutches back to our office - She has full wt bearing. Ellen Higgens has a swollen left wrist and hand. Her brace was so uncomfortable the L.P.N. had taken it off.

June 3 Ellen Higgins brace put back on her, although she will not keep it in place. Hand less swollen. Austa Payne will not straighten knee as she should. Mr. Kings leg looks much better. Barbara Moore has kidney infection. (x-rays shows kidney stone the size of an ~~egg~~ walnut)

June 4. Temperance Hayes knees are getting stiff. She is very uncooperative. Mae Reed fell in stool room. No apparent injury vo Mrs Ashworth. Ellen Higgins sent up for a pelvic.

June 5. Austa Payne has a new cane. It is made of aluminum and is adjustable. Mae Reed very upset, wants to go to her sisters. Ellen Higgins extra friendly this morning while exercising her. Her left hand is swollen. She really favors it. Cleo Hannah is scheduled to go to the nursing home in Homer. Eleanor Alexander and Virginia Bias pending. Alexander has been hiding behind the door. Manuel Salcedo in bed c lead poisoning. Janet Rogers is walking 3 any assistance I asked Mrs Thornton R.N. if Dr. Pe said it was alright. She said yes, but it

isn't written on the Mrs. sheet.
Marlene here.

June 6 - Mr. King has a new broken area above the one he had. Mamie Nauman, an old patient, expired. David Hathaway in bed. M. Maune P6 very ill.

June 7
June 8

June 9 - Margaret Maune on critical list. Ellen Higgins was trying to hit and kick while exercising her. Duston exercises well. M. Maune expired. New patient on M+S I, Tom Williams - CVA. Dr. Ames orders on B. Tomas, is the splint to be put on at nites only. Dr. Ames wants Manuel Salcedo to come down to our department for strengthing of quads + back exercises by phone from Watson R. N.

June 10 - Paul here. Elgin chair exercises was started on Manuel Salcedo. He tolerated it well and was very cooperative. Cleo Hannah to Gomer nursing home. D. Pe doing physicals on GH-2. Austa Payne walked the length of the sidewalk outside the ward. She also stepped on + off the curb.

June 11 Nyda Kelley drowsy, unable to stay awake for treatment. O.T. on weed @ 9 45. Physicals being given also. Attended the meeting in Dr. Pe's office. Paul is to evaluate Walter Kemp - GH 5

Frank Dawsson 4W.6 - John Castro 4W.5 for medicare record. Meetings are to be every 2 (or wk) weeks from 10 + m to 11 15. Salcedo brought down for treatment by Mpro Pittsfield.

June 12 - Anderson unable to come down for treatment as he was to have a physical exam. Lucynda M. Fadden kept in bed. Ellen Higgins R hand is swollen. She did a very poor job of walking. Air conditioner being installed on 4W2. A.T. on ward. See about walker for Richard Schmitz P.13. Attendant who brought Salcedo down seemed to think his treatments were really helping him walk better. Group to come through between 1 30 + 2 30. There are to be reporters in this group. Mae Reed is to leave for a nursing home in Hamilton, Mo., June 30th. Tom Williams expired. We are to walk Schultz c walker We are to start Theda Stevens M+S I. active + passive exercise, stand ??.

June 13 - Cecil Burton fell again on yesterday afternoon shift. No apparent injury to attendant. Mr. King's leg looked much better. Janet Rogers to rehab. Dr. De wants hand splints for Nadine Simpson. He wants to send her to a nursing home.

June 14 Sat Dearborn here (last time)
June 15-

June 16- Zula Hoak expired. Foot board taken up to M+S for Stevens. Paul here. The sore on the lower part of Mr. Kings leg looks better, but the one on the upper part of leg looks worse. He evidently picks it, as it was bleeding. Mr. Perkins did not come down for treatment as he has been running a fever. Mr. Andersons foot looks worse.

June 17- Mamie Rhodd fell out of the potty chair on last nights shift. Stevens does not use foot board as she should. Ham strings and heel cords appear to be tight. You have to work to get them flat to the bed. Dr. Ames wants her up but so far she has always been in bed. Ellen Higgens does a poor job of walking. She either cannot or will not put wt. on left foot. Very hard for one person to walk her. Minnie Jackson expired.

June 18 Ellen Higgens walked better today. A new extern stopped by to see our dept. Elizabeth Butler in bed. Schultz walked well the entire length of the day hall and back.

June 19. Paul here. Evaluations made on Sanford Steinman, George Marshall, Riley Crisp, Rascius Branaham P. C. for Medicaide. Salcedo came down for treatment. Dr Ames wants Barbara Tomes trans from M+S to Sh. 2 for Therapy. Mitten put on Ellen Higgins right hand so she cannot take off her left hand splint.

June 20- 2 new patients on P.T.- Melia Connely & Anna Bibicoff, encourage walking VO Mrs Kranz R.N. The team meeting that was to be held June 25- has been rescheduled for July 9. Theda Stevens walked a few steps c walker. Very unsteady on feet. Sabedo brought down for treatment. Virginia Bias home until Sunday. Ruth Ismeal trans to upward. Our hand splints we use for Nadine Simpson are not to be found. I asked the attendants & R.N. to please help us locate them. Hand splints were put c bed pans on cart. in G.U.-2.

June 21 Sat Paul here.

June 22 Sun.

June 23 Barbara Jones trans. from M+S I to G.U.2. She is not satisfied with the ward, would like to be trans. back to P.T. Theda Stevens seems to have her knees drawn up everytime we see her. She never uses her foot board. Lyda, in O.T., borrowed our P.C. to use in making out her requisitions. She promised to return it to us.

June 24 Aneta Payne to nursing home today. Our adult size crutches were taken to Buchannan Bldg. for John Egan. on BU 3 He is to be trans. to this Bldg according to Mrs Kimsey R.N. Mrs Barns returned the stationary walker used by Grace Minton It is on G.U.-2. Grace is in M+S with ulcers on ankles.

June 25. Dr. Pe discontinued whirlpool for Mr. King on 6th 6. His leg is healed in both places. Manuel can tolerate more wt. and seems much stronger. Barbara Thomas is doing small jobs on the ward. She would like to go back to P. T. Ellen Higgins is getting much more difficult to walk. She won't use the cane but wants to carry it along. She keeps asking to go home and stated, "I have never been away from home like this." Mrs. Stockdale L. N. has given us the names of two patients to be evaluated Martha Barman on P. 12 has been having trouble i walking and Tom Burns on P. 15 has a fractured humerus which has been pinned. He is not using his arm.

June 26 - Paul here. The new patients evaluated. Inspection tour did not arrive on 6th 2. ~~P. T. Dept~~

June 27 - Mr. Killians heel looks much better. Salcedo came for treatment by himself. He does a good job of walking. Opal Scobee is as stiff as ever. Mrs. Stevens - 7th & I cooperates well.

June 28. Sat
June 29 Sun

June 30. Ellen Higgins leg is getting difficult to straighten. She

is very resistive.

July 1- Dr. Rosenthal came through the ward & Dr. Pe. the vol. group came on ward & a carnival party. Several pts enjoyed it very much. Nadines fingers remain stiff.

July 2 X ray has been ordered for Mary Littlefield and Elizabeth Butler. It will be 3 months, on July 10th, since their last one. Cecile Turton's shows well healed on 6-13-69. Martha Bhormann received on G.U. 2 & orders to push ambulation.

July 3 Nothing unusual or new.

July 4
July 5
July 6

July 7- Paul here. Pt. from center did not come for treatment but he was observed in employees dinning room at lunch time. Ellen Higgens is weaker, will not put any wt. on left leg. It takes both of us to walk her. Ellen Waltmath in whirl-pool for sore toe. Martha Bhormann is acting out her displeasure at being trans. to G.U. -2.

July 8 Ellen Higgins left elbow is getting difficult to straighten. Complains of pain when exercising it. Her left

leg will straighten but she is very resistive. Was able to straighten Temperance Hayes left leg but not the right one, she is so confused and out of contact. New patient on GU6 John Egan, for Paul to evaluate. Stevens in bed c legs drawn up. Exercised well.

July 9- We attended the team meeting this AM. on Bronahan, Steinman, Marshall, & Crisp all from GU6. Rehab, notified us that Gene Hiatt, our pt from there, fell and brake his leg again.

July 10- Pt. on P-15, Mr. Burns, has an infection in his left arm. They suspect it may be staff. Xray ordered for Tom Egan. Mrs Stevens from M+SI has been trans. to G.U. 2. Paul here.

July 11 Manuel Salcedo trans. from M+SI to center. Stevens seemed to accept GU2 without any complaints. She said she thought she would like it. She exercised well. Foot board put on her bed. M+SI returned our walker. Waltemath's toe looks much better. Cecil Turton complains so much her right leg when walking, also when exercising it. Social worker brought down the copy of medicaid patients.

July 12 Sat
July 13 Sun.

July 14. Paul here. Stevens is supposed

to be put back to bed after lunch. We are not to worry about Egan. V.D. Paul. Cecil Turton has a lump on hip, (possibly the pin). - Dr Rosenthal examined Turton and found nothing wrong.

July 15 Theda Stevens to have spinal at 9AM. We received a Jow for our dept. Their is a dent in the wire gard on the rt side. Tom Burns, P-15, still has infection in his arm. the attendent told us they think the pin has moved and when infection has cleared up the pin is to be removed.

July 16. New patient of P.5 James Harris. Ellen Higgens walked between ers. She did a fair job. Eualia Higgins to M+S. Bodrman walked bitter than usual.

July 17- The following patients will be discussed at our next team meeting - Mollie Landon DU1 - Mary Littlefield DU2. - Ethel Nauman DU2 - Nyda Kelley DU2. Theda Stevens walked better. Richard Schnitz does well with a walker.

July 18 Grace Minton transferred from M+S to DU2. Dr. Ames called and told us that Mr. Stevens wants to bring some of Theda's clothes for her to wear and he would like to see Paul. He was advised that Thurs. morning would be a good time, unless some other time would be better for Paul.

July 19 Sat.
July 20 Sun.

July 21 - Gladys Akers may have 50% ant. bearing on bad leg V.O Dr. Rosenthal. Ellen Higgins hand splint is not doing her one bit of good as she will not leave it in place. Stevens is really miped up. She told her husband she was not receiving any Physical therapy. V.O. Mrs. Ashworth. Forrestine Edwards kept in bed also Marnie Rhodd. James Davis 2nd 5 expired.

July 22 Temperance Hays didnt want to be exercised, was kicking + hitting, can straighten left leg, but right one is rather stiff. Forrestine Edwards color is very yellow. She is still in bed. Steinkuhlers exercsis well, but complains of shoulder. We are to start Theda Stevens in whirlpool, V.O. Dr. Rosenthal. Stevens did a good job of walking for the dr. Waltemath is really high. Frank Davidson D/C to nursing home at Oregon. Eliz. Butler is elgible for Medicaid as of July 15.

July 23 Sinsentaffar P.5 critical, Trans. to M+S. Started I. Stevens in whirlpool. Attended team meeting on medicaid pts. Ms. Sinsentaffar expired. New patient on M+S II, Mr. Edmun Wiley.

July 24 Mollie Langdon GH 1 transpurred to P11. Paul here. evaluated 2 new pts. Mr Wiley M+S II + Mrs. Rear SR 5. Eualia Higgins expired.

July 25 - Theda Stevens walked better. New pt. Riley, M+S II, walked today. His steps are too short but he walked about 30 ft. Alexander trans from GU 2 to P. T. C. Erickson trans from GU 2 to P. T.

July 26
July 27

July 28 Nyda Kelley fell yesterday evening and fx her leg. (left) Trans. from GU 2 to M+S II. Grouse Crumpley to nursing home. T. Stevens feet swollen, Her walking has improved. Recommended Barbara Jones to ward E Dr Rosenthal. Jeanette Edwards still in bed. Mr. Riley's walking pattern same. Can't get thru to him to take longer steps.

July 29 New patient on GU 2, Runa Mae Nis Wander. Trans. from M+S. Has fx of hip. Theda Stevens feet are not so swollen. Grace Mintons leg looks better if she'll just keep her nails away from it. Mr. Branahan expired.

July 30. All patients exercised. Barbara Moore fell in stool room. X ray ordered. Theda Stevens is doing much better.

June 31 - Paul here. Runa Mae Nis Wander evaluated. We are to walk her c a walker with no wt. bearing to rt leg. We also looked at M. Littlefields' Xray - Paul said there is still no change. It is ununited. We are to

walk Mr. Rear P.W. 5 5 his prosthesis for about a week & a sta. walker. Took down parallel bars today. Put them in our P.T. room on G W 2. The clamps to the bars are in our desk drawer (lower rt) in office. Took our monthly medicaid report to Mrs. La Fallette office to be typed etc.

Aug 1st Ethel Bauman to nursing home in Clinton, County (Plattsburg) Nadine Simpsons feet swollen, also Ibida Stevens. Mr. Rear was a little shaky, but did manage to take a few steps. Probably had just taken his medication as he was drowsy. Rena Mae Viswinder a little hesitant, complains of her rt leg.

Aug 2 Sat
Aug 3 Sun.

Aug 4 Paul here. Stevens feet still badly swollen. She does have a better walking pattern. Ellen Higgins seems to be getting worse. Everyone exercised and walked.

Aug 5 Barbara Thomas trans. to P. 7 from G.W. 2. Team meeting scheduled for August 13. Medicaid pts. are: Anna Pilnakoff, Josie Roberts, Maude Thomas, Viola Wallis.

Aug. 6 Bertha Seals Trans from 6U to 6U2. There are no orders as yet for P.T. Edwin Riley trans. from M+S II to 6U6. Started E. Waltemath in whirlpool for circulatory problem. V.O Dr. Rosenthal.

Aug 7 Ethel Nauman returned from nursing home, very disturbed and combative. (Out 6 days) Barbara Moore, Forrestine Edwards to X ray. Ruth Clark is getting rigid, she also has such a bad color. Paul here. Evaluated medicaid patients. We are to walk Eliz. Butler with full weight bearing V.O Dr. Rosenthal.

Aug 8. New pt. Alta Broom on P.T. ft of left wrist. see for evaluation

Aug 9. Sat
Aug 10. Sun

Aug 11. Mr. Perkins bed looks much better. New pt. on 6U2- Phoebe Washington from 6U-1. Dr. Rosenthal wants us to walk her. We have had her before to exercise her hand.

Aug 12- Dr. Rosenthal gave us an order from Dr. Kulawski for an ant. brace for Runa Nieuwander. She is to have full wt. bearing, in this brace, in one month.

Aug 13- The team meeting regarding medicaid

pt. was held in the M & S. conference room. Dr. Mundy conducted the meeting and it was decided that Josie Roberts might be placed in a nursing. Dr. Mundy wanted Viola Wallis placed if the right nursing home could be found.

Aug-14 Paul here. Opal Scobee transferred to G.U.-3. Theda Stevens does a good job of walking but her ankles are very swollen.

Aug 15. Alta Grooms is using her wrist more and the swelling is much less. Dr. Rosenthal wants us to use the new lamp on the sacrum area of Ruth Clark. Can you leave us instructions, Paul, or perhaps I can get here early Monday & observe you using it.

Aug 16. Sat
Aug 17. Sun

Aug 18. Monday. Paul here. Ruth Clark treated & ultra violet lamp. If we use the extension cord there is no need to move the bed.

Aug 19. New Pt. on P-6. Fred Belcher. Dr. Pe wants him to walk using the walker. Received slip & 4 medicaid pts. The meeting will be Aug. 27.

Aug 20- New pt's on G46- Perks, ~~Robinson~~ Belcher. On G4-5 Robinson the colored boy c no clothes. new pt on P12. Olen, has had no injury but will not walk. Her name is Enda Ewing.

Aug 21- Paul here. The four pt's for Medicaid were evaluated. Their sheets are here clipped to the list. Three new pts evaluated. We did not get to see the pt. on P-12. (I think they want to get her off the ward.)

Aug 22- Dr. Rosenthall said he is going to weed out the dead wood on G4-2. He trans. Martha Shoman and Marie Reedy to G4-1. He asked about several others. Mamie Rhod for one, but did not say what he would do. He also stated that P-7 did not want Grace Minton and asked if it was the Dr. or the attendant who did not want her. I couldnt say. as I dont know the Dr. but I am sure Mrs Barns does not want her.

Aug 23
Aug 24

Aug 25 Walter Minke expired Aug 11. Mamie Rhodd + Farrestine Edwards trans. to G4 1. Grace Minton trans to P 7 from G4 2. Dr. Rosenthal asked about the information that Dr Kulowski sent out on Runa Riseronder. They said

They were in an envelope

on P2 - that we had it. I can't seem to locate it, also the yellow sheets & the patients names aren't here either. Hope I don't miss too many new ones. Started our monthly medicaid reports.

Aug 26 Mrs. Shockwelder RN wants us to get Anderson for whirlpool the first thing in the morning as she thinks the air is what's making his foot itch V.O. Mary Montgomery. Nothing unusual happened. 2nd Dr Pe wants Mr. Egan #46 to have a cane instead of a walker. Mrs. Stockbauer RN called and wants R. Schmitz upper extremities evaluated as he's getting to where he doesn't want to use his arms or hands.

Aug 27 Theda Stevens feet less swollen today. Team meeting attended. Discussed Larry Steinbuhler, Eddie Lane, Walter Messmyale, Byron Halyer. It was decided that Mr. Steinbuhler & Mr. Halyer would be good candidates for nursing homes if their funds will allow it. Alta Groom [illegible] a little confused and upset, [illegible] she expresses well. Unable to keep Waltemath's legs in whirlpool. Charles Rear P5 transferred 8 center.

Aug 28 Our service rating reports came today. The attendant #46

said she didnt think Mr. Belcher needed the Elgin chair anymore as he could use his arms better than me. Mr. Halyhee walks slow but can manage the stw. walker real well. Phoebe Washington seems so much more alert since they trans. her to GH 2.

Aug 29th Paul here

Aug 30 Sat
Aug 31 Sun.
Sept. 1 Mon holiday—

Sept 2 - Discontinue whirlpool for Mr. Perkins on P.6. Dr. Pe wants an aluminum cane for Eagan. Mary Higgins is being considered for a nursing home. Dr Pe discontinues whirlpool for Perkins. GH-6.

Sept 3. Paul here. Heat pack machine picked up at the store. Robert Schultz is to do active exercising to his arms. Neswander is very anxious to walk.

Sept 4 - Dr. Rosenthal said Mrs Wander can walk & full wt bearing. Phoebe Washington walked several feet. Seemed to be walking much better. Irene Irishy new patient on GH 2.

Sept 5 Veda Stevens real unhappy about exercising this morning. This is the first time she has been this way. Gladys Akers to Xray. She walked well with full wt. bearing

but was rather anxious. Butler tried to walk but had a bad walking pattern. We will try to get her walking more. Dr. Rosenthal wants us to use the hand light on Bertha Boone's hip. She has a sore place.

Sept 6 Sat Paul here
Sept 7 Sun

Sept 8. Paul here. Dr. Pe said we could discontinue Mr. Killian from G-H-5. We did progress notes & Dr. Rosenthal for Pt's on G-H-2.

Sept 9 Started ultra violet lamp treatments on Bertha Boone. Shoes for Rena Mae Niswander (state shoes). Dr. Rosenthal wants the ultra violet light used on Ruth Frost on G-H-1. Dorothy Patterson asked Social Service to see about ordering a stationary walker for Rena Niswander to take to a Nursing home with her. She also is going to try to fit Theda Stevens with a pair of State shoes.

Sept 10- Dr. Kratz wants Paul to see him in his office Thursday when he's out here. New patient on M & S T. Alice Holland F/U Dr. Ames. We attended the seminar on "total treatment and Rehabilitation of the Geriatric patient" from 9:30 to 11:30. Dr. Pe thought we should attend. Cecil Turton still in bed. Dr Ames on ward to see Theda Stevens. Started ultra violet Lamps

treatments on Ruth Frost 2 U/I. Decubitus on both heels + buttocks.

Sept 11 Dr Ames wanted us to tell Theda Stevens our names to see if she could remember this from day to day, this morning she was a complete blank, wouldn't even guess. All she'd say was "Honey + don't know". Paul here. All pts evaluated on 6 U-2. We saw the new pt on M + S I, Alice Holland. Dave Ferrar O.K.'d the order for shoes for Nis Wander. The P.O. is 522.

Sept 12 - Alice Holland is really way out. She thinks she fell yesterday coming home from a wedding. Also thought it was nite and she was to get dressed to go out on the town. (6:30 AM) — She had a lot of pain while exercising heel cords. Mrs. Rosenthal told Patterson L.P.N. to get social service to have Theda Stevens husband to buy her some good shoes. Mae Reed walked real good. Cecil Turton sitting up in chair.

Sept 13

Sept 14

Sept 15 — Theda Stevens husband bought her a pr of black suede shoes Friday. Tried them on her and they are too small, because of her feet being swollen. Virginia Bias fell Friday, cutting a gash in her forehead. Bertha Beals also fell. Eliz Butler in bed, has a

fever. The sore on Frosta's buttock looks improved, but her heels looks terrible. Alon (works in surgery) will be enable to make our plaster splints as he is in the Meth. Hospital. Paul here.

Sept. 16 - Nyda Kelley trans from M+S II to GU. 2. Passive exercise ordered. order no. for Nuswanders shoes @ Werners - 539 = Mrs. Watson R.N. on M+SI said Dr. Ames would prefer for Paul to make the splints for Alice Holland. New patient on P.6 Mr. Fower. Dr Pe wants us to work with his rt arm and hand. He is crippled but Dr Pe thought maybe we could get him to feed hiself - VO. Mrs. Patterson L.P.N.

Sept 17 - New patient on GU6 Edwin Riley. Dr. Pe wants both upper and lower extremities exercised. New patient on GU 2 from GU1 Katie Buchanan. Virginia took Nuswander (in state car) to purchase shoes. Two new patients on GU1 for treatments of decubitus & ultra violet lamp - Genevieve Lewis & Leata Barton.

Sept 18 - Paul here. Several pts evaluated. Splints made to use on pt Alice Holland. Cane, which we ordered to be used by Mr. Eagan on GU-6, arrived at the store and was signed for. It is here in the office. Hand splint is to be put on Mr. Fower's ~~GU6~~ rt hand in the evening and left on all nite. Invoice turned in to Mrs. Farrar for the shoes for Nuswander. Shoes left at Mr. Forbes for lift to be put on.

Friday Sept 19 - Mr. Towers hand splint was already off. He said "I moved my shoulder and the splint came off." Started ultra lamps treatments on Lewis and Barton GU I. Mrs Spurs attendent on 6U-6 thinks Mr. Egan is not ready for a cane yet. Mr. Buccanini said to stop whirlpool on Alta Grooms wrist whenever we decided she should be. Man from property control here and all our equipment was ck'd. for numbers. He left us a list of what was turned in.

Sept 20 - Sat.
Sept 21 - Sun.

Sept 22 - Paul here. Phoebe Washington walks much better w the use of a walker w wheels, so does Katie. although Katie is weak and cannot walk very far. Anne Austin more alert today. Delia Connely on 6U-4 is really weak and walks w much balance. The offic (Mr. Hubbard?) called about service reports and wants us to initial the erasures before they are sent to Jefferson City.

Sept 23 - Runa Niswander fell yesterday on the afternoon shift. She is complaining of her rt heel hurting. Mr. Towner did not have his splint on. He was so medicated it didn't phase him one bit when exercising his arm and hand. He usually complains so of his hand & arm hurting badly. Alice Holland was sent for spinal.

Niswander to xray for heel. Two new patients - Frank Fairbanks GH5 and Mabel Chadwick GH4.

Sept 24 - Niswanders xray shows no bones broke. Team meeting at 10:00 We discussed Sarah Liles, Bessie Drury, Clara Eckert and Rose Renz. Renz isnat a medicaid patient. Our service rating reports were initialed and sent back to center office.
Edwin Riley hurts when exercising him. You can tell by the expression on his face. He has several decubitus on buttocks area and on his feet. Cannot straighten his legs. Mrs Towers said he thought his shoulder was better.
Attendents of GH1 thought the U.V. Lamp was helping the patients decubitus.
They especially commented on Bertha Boone. There was a new area on Frost's buttocks, although her heels looks better.
Dr. Rosenthal wants whirlpool started for Niswander.

Sept 25 - Paul here, new pt evaluated. We are not to give Eagan on GH-6 the cane at the present time. Gladys Akers does a good job of walking and has more confidence in her self. Mr Power on GH-6 became very loud and hostile. He refused to allow us to put his hand splint on. "It is to hurt me. You will get me all upset!" The splint was not put on him.

Sept 26 - Ruth Clark has another broken area on tail bone. It looks as if she's turned and the sheet has peeled off the skin. We are

to start whirlpool on Grace Minton. Start whirlpool 2x week instead of every day, on Alta Groomes. Nyda Kelley was standing by her chair this A.M. Was trying to walk. Dr. Ames called and wanted us to continue working with Ellen Higgins.

Sept 27

Sept 28

Sept 29. Unable to bring down Grace Minton as she wasn't feeling well. Virginia Bias is supposed to go to a nursing home Oct. 1. ~~Barton~~ decubitus area looks much better. We took the tilt table to M-4 S.I. Alice Holland was trans. to the table from her bed. She did a lot of ~~squawking~~ but she stood approx. 5 min. The tilt table is in the side room that is to be used for isolation. It is next door to the ward where Dr. Ames has her pts. There is an x-ray report on Mable Chadwick dated 7-22-69. It states there is a fracture without displacement.

Sept 30 - Frost 341 critical. Three new patients on 6U-2. Mrs. Miller is to be evaluated for walking. Alice Holland stood on the tilt table for 10 min. She did not scream as much today. Complains of her feet and hands being asleep, also of pain in her right leg.

Oct 1 Grant expired on yesterday afternoon shift.
Nyda Kelley fell on " " " .
Waltemath has bruise on leg. Gene
Hiatt is supposed to come over in the
morning (Thurs) 8:30 for evaluation.

Oct 2 There was no car available to take
Virginia Reis yesterday to nursing home, so
she is to go at 8 o'clock this morning. Ellen
Higgins to M.S for broken hip. Fell out of
bed yesterday afternoon. New patient Mr Marler
fell in stool room. Paul here. We
are to start Gene Hiatt with hot packs
to knee area - also Elgin chair. We are
to walk new pt Mrs Miller on 6ll-2. If
Mr. Power on 6ll-6 does not cooperate, we will
try one more week, and then discontinue him.
Frank Finbanks on 6ll-5 is to be exercised only. We
are to discontinue trying to stand him as
he does not help himself at all and he is a
very heavy person. the hot packs have been
put to soak.

Oct 3 - Bertha Seals fell this AM trying to
get out of the potty chair. Dr Ames
wants us to wait until Monday
for Holland to stand. We are to check
on them Mon. before treatment is given.
Started Gene Hiatt on Elgin chair &
heat packs.

Oct 4 Sat
Oct 5 Sun

Oct 6 Edwin Riley's rt. shoulder swollen
Spears (attendent) on 5ll said they had

intended to Xray it. Mr. Power was pleasant while exercising him. Addie Palston upset and kicking. Barton, Boone and Lewis decubitus looks much better. The log book on GH 2 says Gladys Ackers is to be transferred to PCH.

Oct 7- Paul here. Four patients for medicaid evaluated - Stella Crawford GH3 Nellie Crabill GH3 Daisy Heaton GH3 Gladys Fischer GH2. Dr. Pe wants Paul to start consultation notes on all new pts.

Oct 8- Dr. Rosenthal wants whirlpool treatments started for Marie Turley GH1. Zeata Barton had 2 broken areas on buttocks. Attended Medicaid meeting. John Dombroski expired.

Oct 9. Dr Rosenthal ordered whirlpool treatments for Nyda Kelley. Gene Hiatt did not come over for treatment. Paul here. Halland really screamed and carried on again today.

Oct 10- Gene Hiatt did not come over again today. His attendant said the patient did not feel like coming over here. Apparently he is not sick.
Therabath delivered to office.

Oct 11 Sat
Oct 12 Sun
Oct 13 Holiday Columbus day

Oct 14 Nyda Kelley's knees are getting stiff. Leala Barton's decubitus are much better. Paul here. We are to discontinue ultra violet lamps on Bertha Boone and G. Lewis. Decubitus healed on both patients. Mr Hubbard did not call back.

Oct 15- Started Theda Stevens on sta. bicycle and in Elgin chair. Jessie Miller is to go to a nursing home sometime this month.

Oct 16 - Fairbanks in bed with a cold. New patient on M+S I. Ruby Soper C.V.A. evaluated by Paul. New Patient on M+S- Edwin Walker evaluated by Paul. We are to call M+S I every morning to remind them of the shot to be given to A. Holland at 9 30 AM. New lock installed on our office door.

Oct 17 - Gene Hiett will not come over for treatment Monday as he has to go to K.C. for check up. Robinette (attend. on P.13 said as soon as the papers are signed that Anderson is going to M+S. We have a pt. on M+S II for evaluation. Her name is Irma Randall and Dr. Fratz's orders are for pronation and supination. Pt. on G.H. 6 for evaluation, James Terrell. No xray report, as yet, on Edwin Walker or ~~Margaret Chapman~~ Mabel Chadwick. Ruby Soper was up in a high chair this a.m.

Oct 18 Saturday - Paul here - New patient on M+S I Fanny Harner, evaluated by Paul. Also evaluated was Irma Randal M+S II.

Oct 19 Sun.

Oct 20. Mon. Ultra Violet light started on Fannie Harmer M+S I. She also has decubitus on the buttocks area (+ heel). Mrs La Follette called and wants our extra key to the office. (This is the reason they made 5 keys). Watson, M+S I called & Dr. Rosenthal wants whirlpool daily on Fanny Harmer besides the ultra violet lamp. Terrell is supposed to see Paul in the morning at 8:15 on GU 2. Stella Crawford expired.

Oct 21 - Lucynda M°Fadden to M+S II, on critical list. Edwin Riley to M+S II. Marler transferred to GU 1 from GU 2. We have a new pt. on GU 2 - Fitzpatrick, also Sarah Liles. Both were trans. from GU 1. Started G. Lewis on U.V.L. Terrell evaluated by Paul — Requisition for knee brace taken to Mr. Farrar's office. Theda Stevens is to walk a stationary walker.

Oct 22 Nyda Kelley trans to GU 1 from GU 2 - Lena Rutter trans from GU 1 to GU 2 Jessie Miller to nursing home 10/21/69. Start Nyda Kelly and Lucy Marlar on U. V. L. James Terrell taken down to Spector and knee brace fitted. He wore it back to Hospt. Invoice turned in to Mrs Varines he had money in his account.

Oct 23 - Another broken area on R. Clark's tail bone. Mrs. Aswarth said it happened when the girls were taking Ruth to the stool room. Mrs Bacon PHT on M+S said Dr. Rosenthall left an order for UV light to be used on Riley. Requisition for glasses, (dark), turned in to Mr. Ferrari's office. Spot light put in side room on the ward.

Oct 24. Dr. Ames wants Alice Holland put on the tilt table for one more week and she will cut down on medication.
Paul, you are to see Joseph Isaacson on A. U. I. which is in the Woodson Bldg. next time. UL used on A. Holland's heel

Oct 25
Oct 26

Oct 27 Edwin Riley Expired. Ruth Clark's decubitus looks much better. Lucynda McFadden expired. Extension cord taken to be fixed.

Oct 28 Started U.V.L. to A. Hollands heel. Xrays on Mabel Chadwick G4 shows healing. Anderson to M+S.

Oct 29. Alice Holland did well on the tilt table. Dr. Kratz called and wanted Irma Randal trans to G.U.2. Team meeting held at 10 o'clock. We discussed Katie Buchanan G4 2 - Eliz Butler G4 2
Lillie Rhinehart + Lyda Douglas G4 1.

Oct 30 - Nyda Kelly's decubitus on buttock + heel looks much better. Irma Randal trans from M+S II to 2W.2.

~~Oct 31~~ - Stan here. All pts on 6W-2 observed. He saw Joseph Isaacson on Woodson 1. Mr. McLaury came to inspect our outlets.

Oct 31 Dr. Ames told us we had a standing order for U.V.L. treatments whenever the nurse says to. (on her patients). That we do not have to have her written order. Dr. Pe. wants to know how much longer we are to keep Irma Randal? (ask Paul). Alice Halland has been doing very well. She does very little screaming after we have her feet placed in position on tilt table. Irma Randalls elbow seems much better.

Nov. 1

Nov. 2

Nov. 3 Started Ruby Soyer on U.V.L. Treatment. She has a decubitus on left hip.

Nov. 4 Paul here. Irma Randal may be trans. any time. U.V.L. on two new pts.

Medicaid report turned in. They have a new procedure. We are to write on the ward sheets and Mrs. La Follit will write on the duplicate sheets in Dr. office

Dr. Pe asked me to give her blank sheet for this purpose.

Nov. 5 Dr. Rosenthal wants whirlpool treatments started on Fern Davis M+SI V.O. Mrs. Watson R.N. Started ultra Violet Light on Gladys Fischer DU3. She has numerous decubitis on body. Ruby Soper has 102° temp. We received from the store today - 1 stapler - staples - scotch tape + holder, 4 yellow tablets ~~4 pencils~~ - 1 clip board - 1 one hole puncher. There were no dictionaries.

Nov. 6 Paul here. We are to start U.V.L. treatments on A. Phipps and Rena V.O. Dr. Pe. Dr. Pe. also left a standing order for any of his patients who has a decubitus, to get U.V.L. treatments. We are to discontinue bed exercises on Theda Stevens. New patient on DU2 Ruth Grambling trans. from M+SI. No P.T. ordered as yet for her. Anna Randall trans to D.U.

Nov 7 We were given this list of pt's. to be used at the next Medicaid meeting. Rena VisWander went to the Frumme nursing home today. Grace Minton pt on P-U-8 has been put to bed for one week because of an open spot on her ankle. Dr. Pe wants to know if Theda Stevens would benefit by wearing leg braces. He said Mr. Stevens wants to take her home. He

sumed to think she could wear the ones that were made for Ruth Browne.

Nov. 8
Nov. 9.

Nov 10 - Started David Hathaway on U.V.L. Ruth Clark's decubitus almost healed - Discontinued Leola Barlons U.V.L. Dr. P. wants shoes + a walker ordered for Eliz. Butler. V.O. Mrs. Hrang R.N. We are to start U.V.L. on Stanley P. 6 + Ed Bevan P. 6. On D 4 5 we are to start Kemp + Castro on U.V.L. Gene Hiat did not come for treatment

Nov 11 Holiday

Nov. 12 - Medicaid meeting was held in the M+S. Conference room. There will be no more meetings this month. Gene Hiat came for treatment.

Nov 13. Dr. Pe was on 6A-2 @ 3:30 P.M. He wants us to work with Jordon, Newton, Begulia and Pawelson. Paul here. Gene Hiat came over @ 4:00 P.M. He said he applied for a job at Methodist + Sisters and when they asked why he was in the hospital and what medicine he was taking he told them it was none of their business. Discontinued Ruth Clark U.V.L treatments as the area is healed.

Nov. 14 - Started whirlpool treatments on Alfreda Pomeloon. Alice Halland really threw a screaming fit while exercising her. Alice stood for 20 min without much complaint. Ruth Clark trans to C.U.-4. He received Barbara Davis on C.U.-2

Nov 15 Sat
Nov 16 Sun cora Jackson expired.

Nov 17. Started U.V. on E. Butler. She is really scratching. Gene Hiatt did not come over for treatment. I saw him on the grounds. Theda Stevens is talking about buying a house in K.C. I gave most of the U.V. Some of the pts. were up. Ruby Soper seemed more in contact today. I met Dr. Ames in M & S. She is pleased w what we are doing for both pts. She got shoes and tablets for Ruby Soper to wear while sitting up. Her temp is down today. Our sign was pushed about half way under the door. Dr. Ames said to discontinue the U.V. on Alice unless it becomes worse. Santuf Pb expired.

Nov 18. Paul Lee Picked up splint at the store. Mary Castle trans to C.U. 4. Could not give R. Soper U.V. this P.M. Alice Holland resistance to exercise in rt leg.

Nov 19 - Elizabeth Butler looks worse but she has a lot of scratching. Bowlsores heal is better and she says the whirlpool feels good. Alice Holland exercised

but complained a lot. Ruby Soper is better, the spot on her lip is healing.

Nov 20- Thurs. Paul here. There is nothing we can do for Lilli Pinehart. The splint was given to pt. on A.U. 1, Joseph Isaacson.

Nov. 21 - Start Blakely U.V.L. P.6. Ifeda Stevens went home for a week. Virginia Giacamo back. We received Nora Smith, a complete bed patient. Started serial new U V L on G U 4.

Nov 22

Nov 23

Nov. 24 - Discontinue Fisher on G U 3 - V.O. Dr. Mundy. Alice Holland and Ruby Soper are to come to O.U.-2 for treatment p.o. Pinging. Orders were given by Dr. Ames. Discontinue U.V. on Elizabeth Butler as Dr. Mundy said she has ring worm.

Nov 25. Marlar, O.U.-1 trans. to M & S. Paul here. Do active & passive exercise for Nora Smith & apparently the X ray report shows a crack but there is no sheet in the pts. ward chart. Alice Holland stood 20 min but she really perspired.

Nov. 26 - Alice Holland stood 15 min. Dr. Ames does not want Alice trans. down to G U 2 - They will try & arrange

whirlpool treatments for Alice + Soper sometime between 2nd + 4. They have career girls to help at that time.
Dr. Ames on 3 N 2 asking about Theda Stevens. She wants to know how things went while she was out for a week.

Dr. Rosenthal said that "Rezifilm" (spray dressing) could be applied on the red area around the decubitus, but not on the decubitus itself.

Nov. 27 Thanksgiving Day (Holiday)

Nov. 28. Alice Holland stood a good 20 min. She only complained until we had the straps + feet in position. She even managed to pull herself from the tilt table into bed by herself.

Nov 29 Sat
Nov 30 Sun

Dec 1 - Alice Holland and Ruby Soper both came down in P.M. for whirlpool.

Dec. 2 Started Lucy Marler on M+S I with U.V.L. treatment. Alice Holland did not come down for whirlpool. She really screamed this a.m. while using the tilt table.

Dec 3 - Started U.V.L on Blanche Crouse. Viola Jordon walked much better. Nora Smith expresses well. B. Crouse expired

Dec 4. Paul here. Viola Jordon can walk better but her balance is poor. Paul measured & Butler's foot. Also measured Alice Holland's foot and ordered a brace for her rt. leg. Mary Carter brought both R. Soper and Alice Holland down for treatment. Medicaid notes turned in to Mrs. La Follet. Paul evaluated new pt. on M+S I. She is to have bicycle exercise. She is to be trans to G-2. Blakely expired -

Dec 5. Alice Holland did not make any noise at all while exercising! Both legs were straight at same time. She even managed to hold them down for a short time. She got off the tilt table and into bed mostly by herself. She seems to be able to remember recent events a little better. She did not scream when we unfastened the belts on tilt table. She usually has a screaming fit. Alfreda Powelson has a broken area on left buttocks. U.V. given. Her heal looks better. Grace Minten's leg looks much better. the broken area next to the skin graft seems to be smaller. We recived Bonnie Markly from M+S I Lena Rutter was trans. to M+S to await surgery. All charts on G-2 brought up to date on the 3 mon. evaluation. We will get the others next week.

Dec. 6 Sat
Dec. 7 Sun.

Dec 8. Sonnie Markly walked & walker on wheels. Viola Jordon did better although still jerks when she walks. Clotea did a good job of walking but she said her foot hurt. Virginia Bias can hardly sit erect. Her feet are swollen.

Dec 9. Reid Eliz Butlers shoes from Werner shoe company. (appx 24.95)
Paul here. Team meeting for Stella Barlow 344, Mabel Chadwick 344, Minnie Mercer 244 & Mary Humphreys 347. Both pt. from M&S. Down for whirlpool Dr. Pe wants. Paul's opinion about Clotea. He would like to send her back to D.U. He (Dr. Pe) wanted to trans Viola Jordon but decided she couldnt walk very well. Theda showed him how she could walk without the walker. She told him she wanted to go home & he told her she is too fat. Took Eliz Butlers shoes to Allie Tarbet for build up.

Dec 10- Attended meeting. Ester Beydia trans to 244 Clotel Newton trans to 341. Reid Carrie Sanders & Sylvia Mullins from Sonner nursing home. Reid Pulley for Elgin chair.

Dec 11- Dr Ames wants to send Frances Reader down to 342 for therapy - Start Nyda Kelly in whirlpool. Paul Quinn fitted Alice Holland for leg brace & shoe. Both women came for whirlpool. Markley

is walking every where by herself. She use stationary exerciser often.

Dec 12
Started Nyda Kelley's whirlpool treatments. We are to start Mr. Landford M+SI for whirlpool treatments. We tried B. Markley on the Elgin Chair for arms & 5 lb. wt.

Dec 13 Theda Stevens home.
Dec 14

Dec 15 - We received Francis Reader from M+S.I. Bonnie Markley is doing a good job of walking. Does small jobs on the ward and feeds a pt. Alfreda Paulsons feet looks much better. Started Mr. Langford M+S I whirlpool.

Dec 16 Mrs. Pe wants Barbara Klavis to use a stationary walker at all times. Discontinued U.V.L. on G. Lewis G U I as the area is healed. We would like Paul to look at Grace Mintons broken area. B Markley said she had a good time exercising on the Elgin chair yesterday afternoon, and so did Markley the attendent. Alice Hollands brace put on by Paul G + Paul Dunn. At 10 AM stood Alice for 10 min on tilt table. Tolerated it fine except her legs became discolored (blue) We are to start Rabbit (Mitchell) on G U S U.V.L. treatments, also Mr Langford + Mrs Boxberger M+S I. Mr Boxberger

is to have whirlpool also VO Dr. Rosenthal.
We, Pinzino R.N, and Dr. Rosenthall looked the brace on Alice Holland's knee at 4:15. She remarked on how she hated the shoe. But she didn't raise much fuss except for 2 or three squawks. The store called about the dark glasses. We are to keep those with their compliments but they did not say why they could not fill the order correctly. This news from the Preston Co. Dietmar Jon P-6 for whirlpool daily

Dec 17- Alice Holland tolerated the brace with much complaint. We are to see Hoover on 6 ll 4 for therapy.

Dec 18 Paul here; Hoover evaluated. started Nittemore 6 ll 6 whirlpool treatments.

Dec 19 — Barbara Davis trans. to 6 ll 7 We are to receive Susie Eddo. If she will not benefit from therapy she is to go to a bed ward.

Dec 20 Sat
Dec 21 Sun

Dec. 22- We have a Mr. Davis on 6 ll 5 for U.V. and a new pt on 6 ll 6 for whirlpool. He has an old fracture and Dr. Pe is having an X ray taken but he is walking at this time. I am not sure of his name. I met the pt. this p.m. when Dr. Pe made rounds. Nyda Kellys foot doesn't seem to be any better.

Dec 23 - Alice Holland is very hostile + negative but her trace gets on much easier and she stands better. Her mouth is foul, she doesn't bother to be polite any more. We have many upset pts. The wards are really noisy. All pts. treated.

Dec 24 - Paul here. all treated, nothing unusual to report

Dec 25 - Ruth Brambling expired -

Dec. 26: Myda Kelley's foot is draining a lot. Viola Jordon is walking in the portable walker ō the help of one. Alfreda Powelson's bed is much better. Alice Holland is her usual self. Her trace was not put on yesterday so she is twice a nasty today.

Dec 27 Sat
Dec 28 Sun.

Dec 29 Whirlpool + U V L treatments given Paul is to evaluate a hand on Dec 30 (Mr. Rosenbaum). Alice Holland stood for 10 minutes screaming her lungs out the whole time. Sarah Liles to M + S ☤ pneumonia.

Dec 30 Paul evaluated Mr. Rosenbaum. We are to give whirlpool treatment to the hand, also passive exercise to

the arm & shoulder. Alice Holland stood for 10 min. She was real good. Judy complained toward the end of the ten minutes. The girls on M+S have been putting her brace on after they bathe her. Nyda Kelly's foot & toe looks terrible. Ashworth satisfied.

Dec 31 - Lucy Marlers decubitus looks some better. Mr. McAntosh on 6ll-6 trans. to another bldg. New pt - Mr. Ford on M+S I to have whirlpool to hand + arm. He will start Fri. Alice Holland made no complaint when exercising or when her brace was put on. She complained of being dizzy + frightened when on tilt table.

Jan 1 - 1970 holiday

Jan 2. Sarah Siler has been returned to 6ll-2. Viola Jordan can walk much better i her new tennis shoes. Alice Holland hardly complained today. Nyda Kelly saw the foot dr. today but he wrote no orders for her. Bonnie Markley came to 6ll-2 on D.S. She was to be on the ward for a month so she is ready to be trans. to her former ward in D. U. Alfreda Pownelson's heel is much better and the area on buttocks is nearly healed. Dr. Pe is going to trans Francis Reader the first of the week and he has some pt.'s he is going to trans. to 6ll-2 at that time. An Xray of Cecile Turton shows a broken pelvis.

Jan 3 Sat
Jan 4 Sun-

Jan 5 Cecile Surton walking around. Waltemath fell Sun. Started Mar. Ford M+S I & Mr. Rosenbaum in whirlpool. Theda Stevens returned. Walking just fine 5 walker. Eliz Butler walks with sta. walker 5 assistance. Start Flo Baldwin with U.V.L. treatment. Clyde Harris feet badly swollen. Ashworth notified. Bonnie Markley trans to B.A.4

January 6- Paul ter. Mr. Knowles evaluated. Nyda Kelly put in whirlpool by order of dr. Pe. Her foot looks terrible. Mr. Forbes had a little more work to do on E. Butler's shoe.

January 7- Alfreda Powelson slipped under the lid of her high chair & was sitting on the floor at about 2:30 P.M. Dr. Pet said he might ask for a consultation on Nyda Kelly's foot.

January 8- Audrey Phipps Sut's opened. Harold Hathaway decubitus Sr outlook healed. Ruby Soper trans. from M+S I to S U L. Nyda Kelly to M+S I.

January 9 Received Eliz. Butlers shoes from Forbes. Clyde Harris to M+S Alice Halland did a good job 7— walking today but Dr. Jones wants

here to have a short leg brace. Dr. Fraly came by the office to show us some sheets that we might use to keep records in the pts chart. They are nearly like the ones we are using. Dr. Ames was waiting for us at 10:00 AM to see Alice walk. She wants a short leg brace ordered for Alice. She had Miss Welsh R.N. with her. Alice did a fair job of walking. Here is the list of pt's for the next team meeting. Annie Pries & Hattie Johnson are in 6E-4 Ina Davis is on 6E-7 and Alice Penzer is on 6E-3.

Jan 10
Jan 11

January 12 - We are to discontinue whirlpool on Mr Dittmer 9U6. A new patient Mr. Strong on 9U5 for Paul to evaluate. Nora Smith was walking to the stool room c a sta walker. Xray was taken 1-1-90 but haven't heard whether she can have weight bearing or not.

January 13 - Mrs. Watson R.N., M+S I, said we can discontinue whirlpool on Mr. Ford's arm. Brace ordered for Holland. Paul here.
January 14 The sore on Mr. Langfords foot was worse. Alfeda Poulsons heel is much better. Team meeting was held in the conference room at M+S. Dr. Mundy decided Annie Pries and Ina Davis were good candidates for a nursing home.

Mr Chapman GU 5 on critical list.
Theda Stevens trans. to GU 1.

January 15 - Started Pauline Shaw GU 1 + G. Lewis on U.V.L. , Mr. Strong GU 5 trans. to M+S. New patient on GU 2 Myrtle Pryor to be evaluated. Riley Crisp GU 6 to M+S with fractured hip. Alice Holland trans. to GU-2. She is very unhappy about it. Paul Quinn was here and took Alice's left shoe with him. He will have the brace tomorrow or Sat. morn. Asked La Follet about the X-ray on Nora Smith. Her foot is well positioned and healing. Ashworth said she would get us an X-ray on Temperence Hays. We received Fern Davis on GU-2 for whirlpool.

January 16. Dr. Andes came on the ward to see Alice Holland. She wants us to have Alice's family bring her some clothing, blouses, shorts and under-cloths. She was very pleased with Theda's progress. I didn't put her brace on but she straightened her leg. She has ~~been~~ up in the day hall all day. This is the first day I have known her to be up this long without complaining and throwing a temper fit.

January 17 Sat
January 18 Sun

January 19 - Alice Holland is wearing both braces now. She walked from the back door up to the front door of the day

hall, and did a very good job.

January 20 - Paul here. Alice has accepted the ward and is more alert and intrested in the other patients. Hers sisters came and brought her some clothing. The place on Alfreda Powelson's buttocks is very bad, worse than it was before. Viola Jardon is walking better but still needs to be told to walk more slowly and step shorter. She has a very jerky stride.

Jan. 21 - We have two new patients for U. V. on G.U. 1. Reva and Murphy Francis Reader trans. to B.U.-4. Effie Hagan - whirlpool from M+S I is very cooperative + pleasant. Alice Holland has had a very good day today. She seems to be remembering better.

Jan 22 - Paul here. Mrs. Thornton R.N. on M+S II would like some suggestions from Paul on what to do for Anderson. Anderson had some of his foot amputated and it is not healing. Dr. Fraly wanted the attendants to walk him but they have been unable to do so. There are two pts. on B.U.-6 for Paul to evaluate. We secured our new chair to be used by the whirlpool.

"Dr. Fraly did not want physio therapy" Jewell, Thornton R.N.

Jan 23 - Fern Davis is no better. Her legs are just as puffy as ever. She has what appears to be small blisters

on both feet and ankles. She also twists the knob in whirlpool and shuts it off. You can not turn your back while she is in it. Alice Holland walked three trips today approx 20-25 ft. each time.

Jan 24
Jan 25

Jan. 26 Dr. Kratz wants an orthopedic shoe for Anderson M+S II. He wants him to walk. Dr Pe debrided Powelson heel Friday afternoon. It looks much better. Halcyon to be trans to another building. Start Maria Boyer on M+S I for U.V.L. treatments (tail bone area)

Jan 27. Paul here. All patients treated. Fern Davis appears to have a rash on her ankles and lower legs. She has been scratching it until it bleeds. She has many scratch marks on her left leg.

Jan 28 Ruth Clark decubitus looks worse. The sprinkler system was installed in the office today. We cleaned and waxed after cleaning up the mess. Medicaid report for Jan. filled out. We received a new spot quartz light this P.M. New list of patients and treatments made of all the wards. We loaned our youth crutches to M+S II.

January 29 - Paul here. Medicaid note for monthly report turned in to secretary. Also turned in the monthly report of patients treated etc, to Dr. P's secretary. Alice Holland is doing a better job of walking. Fern Davis must be made to do more walking. Sylvia Mullins may walk with full wt. bearing. We are to take crutches to Mr. S. H. and try to get Mr Anderson to walk.

January 30 - Riley Crisp expired this A.M. Alice Hollands rt. knee and ankle are swollen today. She did a fair job of walking. Ruby Soper is very difficult to walk. She does not bear any weight on the walker and she is difficult to communicate with.

Jan 31
Feb. 1

Feb. 2 A. Powelson left in bed, also Maytle Pyror. Watson R.N said we were to discontinue whirlpool & Hagan and use the U.V.L. Decubitus & ankle almost healed.

Feb. 3 Paul here. Evaluated Marie Bayer for ambulation & walker. We are to take PT Alice Hollands left leg brace from shoe to see if it improves her walking. Took Anderson's crutches to him. We are to walk him 1 or 2 x daily. La Follette says that Dr. Pe wants us

to do the writing on his P.T. Medicaid notes instead of her typing them.

Feb. 4 Ruth Clark expired. Start C. Turton on U.V.L. All medicaid reports charted in patients charts including 1-31-70. Start Bessie Edds on U V L treatment.

Feb. 5 Discontinued Rena P1 and Pauline Shaw U V L, decubitus areas are healed. Clyde Davis' decubiti looks much better, although his fever is 103° this A.M. Alice Holland complaining that her heal is hurting. Paul here. Took off brace of left shoe. Alice seems to walk better S it on the shoe. Paul called Dr Kratz office to inform them of no more P.T. on Anderson M+S II Brought our crutches back from letting Anderson use them. Student nurses toured G U 2 @ 10:30 Lucy Marler M+S I expired. Start Bertha Hill G43 on U.V.L treatment

Feb 6 – Started Carrie Sanders on U.V.L. treatment (Large area on buttock) Should have been referred earlier, but nobody noticed it. Alice Holland does much better walking S the short leg brace. V. Gordon did good today.

Feb. 7

Feb. 8

Feb. 9 – Bertha Hill transferred to M+S I
Leroy Killian expired.

Katie Buchanan fell Friday pm x rays taken as of today. C Sutton, C. Sanders, A. Pomelson, M. Bryor, Bessie Edds all left in bed.

Feb. 10 Started Jy + Raines 2U 6 on U.V.L. also Rabbit on 2U 5 (Mitchell) Trans. Sarah Sides + Ethel Nauman to 2U 3 from 2U 2. Trans Fitzpatrick from 2U 2 to 2U 1. Recieved on 2U 2 - Alta Reed from 2U 1 - Bessie Gripe - Supposed to receive Marie Boyer from M+S I. Nora Smith trans to -

Feb. 11 - A. Pomelson fell out of bed on yesterday afternoon shift. (No apparent injury?) He attended the team meeting in 2U+S conference room.

Feb 12 Holiday

Feb 13 — Nothing unusual to report. Alice Holland and all pts walked.

Feb. 14 Paul evaluated Mr. Kepley 2U 5 - We are to walk him.

Feb. 15

Feb. 16 - Mary Castle expired (discontinued before this date). Start Mr. Kepley 2U 5. Paul evaluated him Sat. We are to walk him a short distance. Carrie Sanders decubitus looks worse. Ellen Higgins, L. Jenkins, Murphy, decubitus looks much improved. Mrs. Kipley had company so we didn't walk him. New pt on 2U 5 for whirlpool - Mr. Chapman. Ma. Gordon on 2U 2 also.

Dr. Pe had some pts. to transfer. He hasn't completely decided which ones yet. I went on G.U. 2 and told him what we were doing for them. He wanted to see several pts. walk.

Feb 17 - Mrs. Patterson LPN. M+S II told this morning that Nyda Kelley had broken her shoulder. She had fallen on GU 4 before taking her up to M+S II Paul here. Mr. Gordon on GU-5 is able to ambulate if he desires to do so, he even tried to make his bed. Dr. Pe trans. GU-3 GU-2, Carrie Sanders, Sylvia Mullins + Virginia Bias. We received Rune Niswander from M+S. also Clara Eckert from GU. 1. He decided not to trans. Bessie Drury started Chapman G U S whirlpool treatment.

Feb. 18 - Mrs. Stockbaur R. N. referred a pt. Willa Adams. She fell six weeks ago and hurt her knee. She will get an X ray for us. We have two pts at M+S for U V. Kelley + Chapman Received Marty Nelson from M+S on GU-2

Feb. 19 - Paul here. We have two new pts. on GU 4 Viola Wallis and Bertha Hill; they are to have A+P - exercise. Zolanik on M+S I is to have the U.V. Aug 16 -

Aug. 17 - Hannah Jones came over for treatment. There was no power on D.U-5 so could not give U.V. treatments.

Aug 18 - Pauline Jackson complained the entire time she was in the whirlpool She kept trying to take her foot out. We only left her in for 8 min. It is very hard for her to sit erect. Hannah Jones told me she lives out by Green Hills & the patrol tower. Her husband is retired and brings her in for treatment. She did much better on the Elgin chair.

Aug 19 - Annie Austins decubitus is all cleared up. Hannah Jones is doing much better on the Elgin chair but she says she cannot feed herself.

Aug 20- M + St called and wants us to see Mildred Smith for walking + wt bearing. She has water on the knee. We are to work Grace Minton on M + S II. Hannah Jones said she fed herself this morning. Mr. Albertine walks much better s his shoes on.

Aug 21 - discontinue Pauline Jackson r.o. Dr. Pe. Dr. Ames wants Paul to see Charles O'Banion. He is a 30 yr. old man in a wheel chair. He can crawl and get around. She wants to know if he might be able to use tripod crutches as his arms are strong. He is going home, but will be back Sept 1st. His ward is P. 9.

Aug 22 Sat.
Aug 23 Sun.

Aug 24 Minnie Walls decubitus is worse also Nyda Kelley. Dr. Rosenthal wants us to walk Grace Minton. He wants to transfer her to the park unit.

Aug 25 - Paul here. We are to go ahead and work with Mildred Smith, Grace Minton and Louis Riley.

Aug 26 - We had the electric extension cord repaired. Dr. Mundy had us put Ilin Krugh hand in the whirlpool. Hannah Jones has gone home for another week and is coming in as an out patient. Grace Minton can

handly balance on her rt. leg. Mildred Smith seems very weak. Mr. Bixby did a good job of walking. He really wanted to. Started Jennie Cohen on U.V.L. Its a reddened area on the buttocks which the skin hasn't broken yet.

Aug 27 - Grace Minton did much better today with a portable walker Paul here. We are to start walking Mr. J. Beal PM 10. VO Mrs. Shrubbideer K.N. Mr. Beal did a good job of walking with the portable walker. We started Hopper in whirlpool for hand. also exercise. Started on U.V.L.

Aug 28 John Beal walks w portable walker almost unaided. Was very talkative. Both whirlpool (hands), Hopper + Krugh looked much better.

Aug 29 Sat Paul here
Aug 30 Sun.

Aug 31 Could not walk Lizzie w Bride as she was ill. Ollie Hermans decubiti is much worse. Dr. Rosenthal wants Paul to evaluate Minnie 2 . M+S I.

Sept 1 Paul here. Minnie Quaife evaluated We are to start Mr. Gottwalles in the whirlpool VO Dr. Decamin.

Wed. Sept 2 Rose Marie called and said Mr Farrar had given permission for Quaife to have shoes and a brace. The purchase order no is #400. for both. Paul Quinn was called and he is coming out about 9.00 with shoes and to measure for the brace. Mrs Gottswiler's leg was quite swollen at the calf ankle and foot. Hannah Jones came back to the BU. unit yesterday P.M.

Thurs. Sept. 3 Minnie Quaife transfered from M&S I to BU I. Mr Philly walked for Paul but he sure didn't want to. Charles O'Banion has not returned to P unit. Paul Quinn here to measure Quaife for her (Sept) shoes & brace.

Sept 4. Nothing unusual to report All patients treated.

Sept 5 Sat. M Quaife rec'd shoes & brace.
Sept 6 Sun.
Sept 7 Holiday

Sept 8 Mrs Steinbuhler has returned from the nursing home. He is on BU 5. Paul here. We are to start Hopper and Krugh with therabath treatments & discontinue whirlpool to hands. Bertha Hill expired

Sept 9 - Minnie Quaife walked from her bed to about ½ way down the hall c minimal assistance. She is really anxious and tries so hard to

do as we want her to do. Jennie Cohen trans from GU 5 to Center, as her decubitus is healed. Mr. Rosenbaum GU 6 was transferred to GU 5 because of a decubitus on buttocks area and one on the shoulder.

Sept 10 Grace Minton trans. from MSU to GU I. Discontinued U.V.L. treatments on Bessie Connell as the decubitus is healed. Use the Theravath for Hannah Jones and d.c. the whirlpool. Continue the heat pack and Elgin chair. Lizzie Mc Bride fell so we did not walk her as she had been put to bed.

Sept 11 – Started Frank Moss GU 5 on U.V.L. treatments to rt ankle about 2 cm. Bessie Drury trans to GU 5. She has a large decubitus 4 CM on ~~ankle~~. U V L treatments started. Did not walk Minnie Quaife as they were keeping her in bed until the Dr could see her. She had previously had a hard seazure. Mrs. Gottschilden left leg looks much better. The swelling has gone down considerably.

Sept 12 Paul here.
Sept 13

Sept 14 Minnie Quaife walked from her bed to her chair. Louis Philey did a good bit of walking. He wants to use crutches but they will not trust him with them.

Sept. 15 - Paul here. Minnie Laufe would not walk for us in the A.M. but did later on. She complained of being tired. Mr Gattenillars leg & foot looks much better. Rita Bergs feet were terribly swollen.

Sept 16 - Started Mrs. Potts M + S II on U.V.L. treatments 1 x daily. Carrie Sanders expired on GU 5.

Sept 17 - Paul here. We are to start Grace Minton in whirlpool. Mrs. Alice Krugh discontinued. Mr. Hopper is supposed to have Thrabeth 2 x week. We are to continue walking Mildred Smith. Dr. Kratz said the Foot Dr. will vacate his quarters the end of Oct and he wondered if we would like to have them. We put Grace Minton in the whirlpool but she was upset she is afraid they will take off her rt. leg now.

Sept 18 - New decubitus area on Lyda Douglas rt buttock about 2 c m in diameter. Nyda Kelley is critical. Allie Herman has several new decubiti. Mr. Gattenwiler didn't feel very well today, but he was down for treatment.

Sept 19 - Sat. Paul here.
Sept 20 -

Sept 21 - Nyda Kelley a little improved. (not her decubiti) Started Emma Coopersmith GU 5 on U.V.L. treatments. She has a sore rt leg. Skin broken in

two places. Started James Wheeler Gu 5 on U.V.L. He has an area on both buttocks, about 1 cm each. Mr. Adkinson has an area about 3 cm on his left shoulder. A new patient on M+S II Kenton Voltage. Dr Kulaski ordered him a brace and wants him exercised & walked. New patient on M+S I Wavey Springer age 79. CVA.

Sept 22 - Paul here. two new pts evaluated. Grace Minton still very upset. Bessie Cornell is upset but she is still walking and caring for herself. Rita Burg is walking better but her feet are very swollen.

Sept 23 Bessie Drury on Gu. 1 Emma Coppersmith on G.U. Nyda Kelly to M&S I. Ted Fry from C&I came over for heat pack to L. shoulder

Sept 24 - Paul here. New pt. Ted Fry evaluated. see chart. New pt. Kenton Voltage very responsive to treatment.

Sept 25 - Lizzie McBride trans. from M+S II to Gu 3. All pts. treated

Sept 26
Sept 27

Sept 28 Grace Minton very upset. Would not walk this A.M. Nyda Kelley expired. Started Harry Steinbuhler on U.V.L. treatments - decubitus on back about 1 cm.

Ted Frys did not come over for the Elgin Chair. Fenton Dothage sat up from approx 8:00 A.M. until 1:00 P.M., he was sound asleep at 1:15 P.M.

Sept 29- Started Jessie Miller DU5 on U.V.L. treatments. Two small areas on at buttocks. Grace Minton refuses to walk. She is still so disturbed about her leg amputation.

Sept 30- Fenton Dothage is much stronger. Alice Holland came over to Park Bldg for Church. Her ankles look much better but she has gained weight. Ted Frys complains if he pulls 5 lbs.

Oct 1 Paul here. Ted Fry had Company so could not come over at 2:30 P.M. Nancy Springer walks better but has pain and swelling in her left hand and arm. She is still very confused.

Oct 2 Ellen Higgins expired. New patient for Paul to evaluate - Joseph Macek M+S II - left shoulder exercise - He is combative according to Thornton P.N. He will have to watch Ted Fry exercise. If you leave for any reason, he uses his rt. hand instead of his left.

Oct 3 Sat
Oct 4 Sun

Oct 5 discontinue James Wheeler + Harry Steinbuhler U V L treatment as decubitus is healed.

Oct 6 - We have three new patients on G4S for decubitus care. Maudie Newell, Leva A. Gordon & May Nelson. Ted Frys has never come over in the P.M. for exercise. He always has some excuse. New pt. Joseph Macek, M+S II, evaluated. Paul here.

Oct 7 Mr. Macek did fine. We had no trouble with him. We started U.V.L. treatment on a Mrs. Eudora Robertson G4S. It is on her toe (rt foot). It looks like she has hurt it on a chair or something instead of a decubitus. She is quite upset. They keep her legs & arms both restrained. Ted Frys did not come over.

Oct 8 - Mr. Macek complained a lot. Wavey Sprague was trans from M+S I to G4S. We are to continue with her. We started Josephine Peyton on U.V.L. She was trans from M+S I to G4S.

Oct 9 - Ted Keyes did not come over. New patient on P.H. Ina Stevens for whirlpool.

Oct 10 Sat
Oct 11 Sun
Oct 12 Mon. Holiday
O
Oct 13 - Minnie Wall expired. Mrs. Philey was trans from M+S II to P.H. The attendants on M+S II said his foot was terribly swollen when transferred. Paul here.

Ina Stevens still cautious of the whirlpool. She wants both of us to stay w her. A new patient Jessie Frisby on GU 5 for U.V.L. treatments. The decubitus is on the lower part of the back about 2 cm in diameter. Eddie Boan on critical list. Started Mr Adkerson again on U.V.L. Wavey Springer trans from GU 5 to GU 3.

Oct 14. May Nelson trans. from GU 5 to GU 2. Discontinue U.V.L on her as her decubitus is healed. Discontinue Anne Evans as her decubitus is healed. Discontinue Lewis Philey as he is walking independently. Jr Mack was really complaining of pain in his left shoulder.

Oct 15 We are to continue active & passive exercise to Bert Knowles as of 9-15-70. Aaron Heath trans. to GU-2. Paul here. C.V-1 called and said that Ted Key has been restrained on the ward but we did not see him today either even though we called the ward. Paul Quinn was called and advised to send a statment to accounting in order to recive his pay for the shoes and brace for Minnie Quaife.

Oct 16 - Rosenbaum trans back to GU 5 from GU 6 because of a decubitus. Aron Heath wants to walk by himself but he cannot see. Ted Keys came over at nine. He was very demanding. He made an appointment for ~~#5~~ 0 1:30 and then decided he would not

come over. Hannah Jones has to see the Dr. Tues. so will not be in then.

Oct 17 Sat
Oct 18 Sun.

Oct 19 Mon. Eddy Coan expired 10-18-70. Started Mae Reed again on U.V.L. small area on coccyx about 1cm in diameter.

Oct 20- Paul here. Hannah Jones came in early for her treatments, as she was to see her Dr. this A.M. Started Sadie Coates on U.V.L. treatments she has a sore on her left elbow. Ina Stevens legs looked worse today.

Oct 21- A new patient for Paul to evaluate- Dorothy Gates. She has had a stroke + the L. side is weak. We are not to sympathize with her, she also fakes seizures.

Oct 22- 2 new patients on Dr's- for U.V.L. treatments. Babcock + Charlotte Wentz. Hannah Jones will not come in tomorrow. Next week and the week following, she will come in Mon. Wed. and Friday. Then she will come in Mon. and Thurs of this third week. Dorothy Yates is to come over on Mon. Wed. + Fridays. She is to exercise her arms in the Elggin chair + also do facial exercises.

Oct 23 - Mr. Potts decubitus nearly healed. Mr. Mack got up from chair, down the hall and into the elevator. He exercised well this a.m. Red Eyes has not been over all week.

Oct 24 Sat Paul here
Oct 25 Sun.
