

Lincoln, Mo., January 13th, 1914.

Mr. Harry L. George,
St. Joseph, Mo.,

Dear sir:-

Replying to your favor of January 10th and acknowledging receipt of your check for \$17.50 for which I thank you. Will say all four of the pieces which I last sent you were from the Sioux tribe of indians. I thought I had given you this information but must of overlooked doing so.

I do not know anything in particular in connection with them except that I procured ^{them} from the Sioux. The two head dresses belong to certain societies of the Sioux and you perhaps are familar with the use of the Flute and Sun dance whistle, if not I could refer you to works that would give you information as to their use.

Yours very truly,

Vern Thompson
