Mr. H. L. George,
St. Joseph, Mo.,

Dear sir:-

I am taking the liberty of sending you on approval today by parcel post a squaw regalia or breast plate which I could not describe very well and thinking perhaps you would be interested in it I am sending it to you. If you do not care for it, kindly return to me. The price of this regalia is \$6.00. It is from the Sioux tribe and worn by the squaws.

With kind regards, I am,

Very truly yours,
