Lincoln, Neb. March 26th, 1914.

Mr. H.L. George,
St. Joseph, Mo.,

Dear sir:-

Replying to your favor of March 25th. I am, in accordance with your request, sending you today by Wells Fargo Express the Saddle and "Ha Ka" game which I trust will reach you safely. The game was made by White Buffalo. While I have seen pictures of this game, this is the only one I have ever seen for sale by any one and it is a rare piece. I have made you a very low price on both the game and the saddle considering their quality and rareness, therefore, trust they will please you.

I hope I will have the pleasure of having you show me your collection at some future date and assure you I will take pleasure in looking at it as no one enjoys looking and examining such things more than myself.

The saddle I am sending you I think is a squaw saddle as it is some what more decorated than most of the old saddles, also has the high pommels.

Hoping to hear from you soon, I am,

Very truly yours,

Grant Thornburgh
