Front Dust Cover

Happiness is like a crystal
Fair and exquisitte and clear
Broken in a million places
Shattered scattered far and near
Now and then along lifes pathway
Lo! Some shining fragments fall
But there are so many pieces
No one ever finds them all.

You may find a bit of beauty
Or an honest share of wealth
While another just beside you
Gathers honor love or health
Vain to choose or grasp unduly
Broken is the perfect ball
And there are so many pieces
No one ever finds them all.

Yet the wise as on they journey
Treasure every fragement clear
Fit them as they may together
Imaging the shattered sphere
Learning ever to be thankful
Though their share of it is small
For it has so many pieces
No one ever finds them all.

Maggie Bibee will be placed on family care status into the EXCELSIOR SPRINGS CARE FACILITY, 1410 Hospital Drive, Excelsior Springs, Missouri, on 28 October 1981, Wednesday.
