Mr. George -

Yours of 7th recd.

In regard to lowest price for the
sticks, & other pieces, I made the
very lowest price could - & that the
satisfaction or not seriously & tried to
give you benefit wherever I could -
I thought 1st of getting 100⁰⁰ for the bundle -
after considerable talk with Roy - I made it
75⁰⁰ soon as they are published will soon
high - as there are none to be had on
Reservation I have only 3 - & will hold those.
Now to do best for you - the Invoice amounting
to 217⁴⁰ will call it 200⁰⁰ even to be paid
as usual - all any good & rare pieces &
none to be had - The Touchard has done
up & it goes on this mail separate list.
This Touchard is a duplicate from the
Touchard - furnished our Indians long ago by the
French Govt to fight the English -

over

I once had 1 of the originals - & has an old
historical book with the illustration -
