Dear Sir

in answer to where I got
the Births & deaths of the Robidoux's
from the Records kept By Jule C.
Robidoux

Blanche was the Sister of Eugene
Herselise it was my mistake in putting
it down while riting it of the Records

By the records Michel was older
than Louis.

"another mistake Antoinette wife
was the daughter of the Governor
Wife by her first husband"
the wife given name was
Carmelite instead of being

the adopted daughter
as near as I can find
out at Present the Governor
~~of~~ ^{young son} name was something like
~~Saverie~~ Saverie not
knowing how it was exactly
spelt. as Antoine took the
Boy to ~~College~~ College at
St. Louis about the year
of 1832, after the young
son was educated he
died and not ~~Post~~
is it was the Sir Home
or given Home as soon
as I find out correctly I
will let you know.

Mrs Antoine Robidoux died at
Durango Colorado with a Mrs
Christie Stollstener the child
of her cousin Martin Barad
that she raised who is now
living at Pagosa springs Colo
