Mr Harry I George -

Joseph Mo -

or Mr George -

I have yours of 30th Sept. I thought you might be interested in the Naupum Collection. as it is very good. & have been several years collecting it. I would exchange the Collection for the pieces I have allowing you \$60.00 for the pieces. That is you to give me \$40.00 difference. I think this a very fair offer as I would have to keep the pieces you sent a long time to get the money out of them - am awaiting your reply.

I am very truly -

R. Roddy -
