Jim Barry and I went fishing at Lake Pahoe which is near Princeton, Mo. Went with Paul & Bill Easton, two brothers from Bethany, Mo. that are customers of Stuppy Floral Co. It was cloudy, windy and cold most of the day. We caught only Blue-gills. About 100 miles northeast of here.

0 - Took two rides today over the same area. This A.M. with Kenneth Hawman and Larry and this Afternoon with Pearl, Larry, Lois and Freddie Hamilton. About 40 miles each trip, N.W., N. & N.E., fanwise from St Joe. Never over about 12 to 15 miles from home. Clear & nice. Saw more birds this A.M. than P.M. Best bird was Red-headed woodpecker this P.M.

Monday, November 25, 1957.

About 6 P.M. last evening I got a call from the Post Office that my glasses had arrived in St. Joseph. Although it was too late for my Sunday trips I was sure happy to hear of them and I did enjoy using them today.
