Mr. Harry L. George,
201 Sexton Bank Bldg.,
St. Joseph, Mo.,

Dear Sir:-

I have been wondering for some time whether you had re-
turned from New York, but have been too busy to take up my corres-
pondence, having sold over 1600 Baskets this year besides a large
Collection of Museum material and my entire Eskimo Collection.
I shall close my Shop June 1st for another four or five months among
the Indians.

Your list of April 27th at hand and find that I have
nothing which you call for. You probably have Cayuse Baskets of
Oregon. These are the same as the Wailatpuan. I had Tanoan specimens
These were from Jemez pueblo, N. M., but they are all sold.

In a former letter you asked for further information re-
garding the Utes and Pintes. We usually refer to the Utes as
the Indians in Colorado and the border of New Mexico and Arizona.
Their work is distinct from that of the Pintes of Nevada and Inyo
and Mono Counties, Calif.

Most of the fine Navajo wedding and ceremonial Baskets
were made by the Utes.

I am expressing you 2775 Panamint, ordered by you in Jan.
It is a beautiful Basket and I am sure you will be pleased with it

and find it an addition to your collection.

I may get as far east as Kansas City this year, If so
shall surely try and call upon you and see your beautiful collection
of Baskets.

I hope you had good luck in the far East securing specimens
of the eastern Indian work.

Trusting to hear from you whenever I can be of service, I am

Very truly yours,

Grace Nicholson.
