CN1 - Lee, Gregory - out at 10:30 PM - Father came after him When Mr Shaffer

went back to the ward to check Pat Farmer & Jerry Taylor were up & said they were to go & the Ker- we had no verification of this so they were not allowed to go. Jerry called his Mother, & talked & her & she asked that he be allowed to borrow the bus fare from Bob Fellows or someone so he could come on the bus & the G.M. & when she brought him back she would repay the debt. - Pat Farmer was quite unhappy because he does not have any money for bus fare. He stated he would go today if he had to walk to K.C. The boys said that they did ride back & forth & each other but of course we had no way of knowing this. Would appreciate it if we have verification of these arrangements when they are made as we do not enjoy seeing the pt unhappy & not being able to go home.
