Alpine Resort

Attn: Emily

I've heard back from the group of  
Icelanders, and they've decided to stay  
at Bowley's Bay. Thanks for your  
consideration and proposal regarding  
their 2013 trip.

As I indicated by phone I came  
across a number of letters between  
J.F. Bertschinger and C.H. Thorderson  
of Cook Island. They established a  
strong business tie with materials  
supplied for Cook Island. These were  
among papers in the Wis. Hist. Archives, Madison.

Sincerely,  
Duke Puntor
