Dear Laura,

Arrived in Yakima this evening

Were sure been on the go.

Left Lewiston Idaho this morning up
through Spokane and Grand Coulee Dam
and then down here.

The weather has been perfect, tomorrow
we plan to go down the Columbia River to
Portland and then down the line towards home.
Intend to get home Monday night or Tuesday
some time.

Will tell you more when I see you.
Been thinking of you Laura and wondering how
you are feeling.

Hoping to see you soon

Sincerely

Kerman
