

Warrenville Fire Department

P.O. Box 51 Warrenville, Illinois 60555

Fire Instructions

Upon Hearing Alarm

1. Check door, if hot or smoke is filling corridor shut the door, don't lock it. Put towels around door to prevent smoke from entering. Stay in room, go to window, the Fire Dept. will rescue.
2. If hall is clear close windows and door and assemble in garage area.
3. If garage area is fire area assemble in north foyer at each wing.
4. Count heads.
5. Stay in assembly area until all clear is sounded.

Recommendation

Recommend two or more smoke detectors in old building.

Exit lights should be lit at all times.

Little theater should have exit off stage.
