

I DO understand that in some of our houses time is just not available to jot down material for annals. In lieu, could you fill out the responses to this form, or even a part of it so the I.B.V.M., A.R. can have some record of our Sisters locally, of your apostolates, of your life-styles?

Any special way you celebrate birthdays, etc.?

Celebrations of birthdays and seasons vary with the individuals and planners, but we do celebrate.

Any event of significance this year, e.g., dedication, jubilee, profession of one of your members, participation in social justice protest, etc., etc.

The new wing of Loretto was dedicated in the fall.

Several sisters participated in social justice information days and vigil. They also have participated in a diocesan food locker and dinner program.

It is the Centennial year for the Diocese. Maria was very active in the preparation for the celebration and liturgy.

This year the parish is establishing a parish council. Nora has been very instrumental in establishing this.

Any particular hobby of one of your members? E.G., crafts, animal care, Each One Teach One, hospital visitation, Scripture course conducted,

Mary is involved in working with returning Catholics. She is also getting more involved in teacher-education through math workshops in the public schools.

Use other side for anything else.
