The Music of the Stars

April 16, 1985

180 North Michigan Avenue • Suite 1200 • Chicago, IL • 60601 • (312) 977-1800

Mrs. Eleanor Holmquist
12750 Carriage Lane
Crestwood, IL 60445

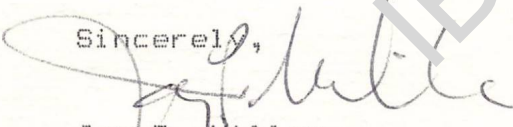

Dear Mrs. Holmquist:

Enclosed you will find photocopies of the songs that were played on Your Hit Parade from the time that the show started in April of 1935. Records prior to that either don't exist, or remain unpublished, so I can't help you to identify the big hits from earlier in that year. I hope this will be helpful in your search for records.

You mention that you may be able to find 78's to provide the music at your 50th reunion. It may not be necessary to put up with the sound quality of 78's or to have to change the records every three minutes, because a lot of the Big Band music of the era has been reissued by RCA and Columbia records. They are at 33 rpm, of course and their sound quality is greatly improved. Your local record store should be able to help you find them.

I hope you have a wonderful reunion.

Sincerely,

Jay P. Miller
Program Director/WJJD
