

LORETTO CHADSWORTH GOALS FOR THE YEAR 1991-1992

DEVELOPED AT THE COMMUNITY MEETING, MONDAY, JULY 15

1. Committed to share our resources with the poor, we will support both the formation and growth of the parish peace and justice committee and the Mary Ward House (Elaine's project).
2. In sharing our lives with each other, we remain open to prayer and communication. In light of this we will:
 - a. meet regularly
 - b. find time for community prayer
 - c. continue conversation over meals
 - d. play cards
3. To foster shared prayer we will:
 - a. work on dinner prayer--brief opening, close with petitions, etc.
 - b. invite each other to pray for extended times for special occasions or concerns
 - c. invite interested affiliates and other friends for Taize prayer (six weeks in the fall and six weeks in the winter)
4. To foster an atmosphere of hospitality we will:
 - a. invite all the sisters in the other houses and the affiliates to a Labor day gathering (and then plan celebrations of our major feasts)
 - b. maintain communications with Francis (Nora), Esther (Mary), and Jane (Judy)
 - c. periodically share times (activities, prayer, etc.) specifically with the affiliates (keeping other CA IBVM's aware of the events)
