My dear Sister Seraphina.

God-bless you
and your dear first brother for
all your kindness. We are storming
Heaven that the Lord will grant
to him the desires of his heart for
I am sure they're all good.
I had hoped that some favorable
gale might send you West
this vacation. But of course
you could not be separated
from "Father and Mike".
I am writing in great haste. God
love you!

Sincerely
M. M. Seraphina
