CLASS OF 1953

Ten Year Reunion

October 27, 1963

1953-1963

And so it goes. Ten years have reaped many changes, and here we are, staring, laughing and remembering. We see a few silver threads among the brunette as well as the gold; and we boast of college degrees as well as children. Some of us have found our goals; others are still striving to reach their destination. To those who have attained their goals, we congratulate you. To those who are still striving, we toast you, and wish you luck. May your endeavors be fruitful.

Those wonderful moments, ten years ago, are all past, but not really forgotten, just set aside for awhile, to be remembered at a later time. And what better a time than at a reunion where the friends and the memories they hold can meet face to face.

Our reunion committee began searching, calling, writing and planning early in the summer. We did not succeed in contacting only about six girls and some responded that they could not attend because of travel distance, etc., but nevertheless, we felt this day would be a success, having the three basic ingredients for any enjoyable time, old friends, good food and fond memories.

Your Committee,

BARBARA ADAMS (Guiney)
JOAN ANDERSON
BEVERLY COCCARO (Borich)
MARY CURLEY (Cronin)
JERI HOGE (Caulfield)
JULIE ANN MCGRATH
THERESE PURPURA
NANCY WINIECKI (Hodgson)

CLASS OFFICERS

HELEN MARIANOVIC, *President*

ELEANOR HOLLAND, *Vice-President*

CLASS SONG

Blue is the flag of Loretto,
White are the banners that wave,
Strong is the love of thy children,
Loyal hearts that are bold and brave.

In every danger of battle,
We call dear Mother to Thee;
And with the shield of Loretto,
March on to victory.
