My dear Sister Scraphina.

\$120.00

Your welcome letter with the check for one twenty came to hand last evening. May God pour down His choicest blessings on your dear dead brother. He is indeed, proving himself Our Saint Anthony. God bless him a thousand times. There is something peculiar about his check. It always comes when our need is greatest. We have a large interest & need very soon and it will help greatly & fill in a want. If the Lord applies our earnest prayers for your brother's intention. It will indeed be fruitful. It may be that all these masses and prayers are being applied to his spiritual welfare. if such be the case you may not see him say Mass before you die.

There is nothing impossible to the great God.
We are making a powerful movement to save
Saint Rita and hope for great results.
I am anxious to spend some time longer, but
duty calls me. Good by. Love to all.

Yours fondly,
M. M. Seraphina
