LORETTO HIGH SCHOOL, ENGLEWOOD

6535 Stewart Avenue

Chicago, Ill.

July 18, 1940

My dear Loretto Student:

July 23 and 24 will be registration days for all our girls of last year. The time from 2:30 till 4:00. The registration fee is five dollars and as that is the guarantee of your returning we only hold ourselves bound to reserve your place if the fee is paid. If you have not already handed in your program for next year please do so on Registration day. Sophomores should know whether they want Ancient History or Household Science. They should bear in mind that College is made easier by a good background in History. The fee for Household Science is ten dollars.

All going into the Junior year should procure new uniforms as it is really impossible to wear a uniform four years and yet look as we expect all Loretto girls to appear. The measurements for new uniforms will be taken Monday, July 29, at three o'clock, when a deposit of five dollars is necessary.

We hope you are having a very lovely vacation and assure you of a welcome back to Loretto in September.

Very sincerely in J.C.

M. V. Roberts J.B.V.M.
