Wednesday.
Loretta Conner,
266 Jackson Park Terrace
My Sister Seraphina.

The noon Mail
brought your most welcome
letter containing your
good Brother's generous
gift to you. ~~\$500.00~~ \$500.00
God
bless you both and
dear Friend Rev. Mother
who permitted you to
bestow it upon us poor
mortals who have many
big debts to meet at

~~This~~ ^{same} new foundation.
The letter came during
dinner hour, and when
I saw the check, I could
scarcely believe my
eyes. and I was so over-
come that I could hardly
read the letter aloud.
and when I did so, I
noticed tears of gratitude
in the eyes of those around
me. It would have
done your brother's heart

Could he have heard the Chorus
of blessing invoked on his
holy head, I am sure he
would have been quite over-
come. It did not take Sister
St Clare ^{long} to get to the Chapel where
she lit two Candles near the
little Statue of dear, good St Anthony
Our Mother Angels who has this
account was so glad and grateful
that she could scarcely keep
back the tears of joy that welled
up. God is so good. Blessed
be his holy name for ever. I had
a few lines from your brother since
he was here. He is getting the Altar
of St Anthony made in Detroit. I
hope to be able to give a room on
the Chapel floor in which to place
it. Be assured dear Seraphina
that Ambrose ⁹⁰ Petry's name will
often be wafted to the great white
throne. We have the great bless-
ing of two Masses daily for
the past month
