Mr. Karl Kortum, Director  
San Francisco Maritime Museum  
Foot of Polk Street  
San Francisco 9, California

Dear Karl:

Pursuant to our recent conversation in San Francisco, I am forwarding herewith the San Diego Aquarium Society's check No. 48 for \$200.00, for your expenses in coming to San Diego to prepare specifications for the restoration of the bark Star of India. If the amount is insufficient, we will take care of any actual additional amount for lodging and subsistence. For our own records, we would appreciate having an itemized account at the conclusion of the project.

Please let us know when you will expect to arrive, and whether or not you wish us to make hotel reservations. We intend to call a special meeting of the board of directors for one evening while you are in town.

Jim Mills has heard a report that the Omega was lost, by striking a rock, while on a recent passage in Peruvian waters.

Looking forward to seeing you, and with best wishes I remain

Sincerely yours,

G. F. MacMULLEN, President  
San Diego Aquarium Society
