Dear Mr. MacMullen:

I enclose a copy of the letter you suggested I send to the Naval Reserve Manpower Center, with copies to NAVY, U.S. NAVAL INSTITUTE PROCEEDINGS, ALL HANDS and NAVAL AFFAIRS. (Sent today) As you can see I pretty much stuck to your wording, and do hope this will take care of any problems that arise-- and perhaps none will. (That's a great story about the Defective Farce!)

I also enclose a very nice review from the Sacramento BEE. I hope it will be cheering.

Yours sincerely,

Andrea Hannah
