Dear Jerry:

Enclosed is a release for the use of your material in the Comstock anthology on San Diego. Would you be kind enough to sign the form and return it to me in the envelope provided.

I talked with Dick Gould, of Comstock, about a Jerry MacMullen anthology, possibly taken from Westways or from other sources. I also told him that you probably had several other ideas that might be compatible with the Comstock format. He seemed very interested in talking to you and I think he will be in touch in the next few weeks.

I'll send you two copies of the San Diego book when it appears, which should be in just a few days.

Best regards,
